LINCOLN SLASHED OFF EVIL ANAKIN'S RIGHT ARM, THEN, HE ALSO SLASHED OFF HIS LEGS!

Then, Lincoln fired a blast of Mustafar lava that melted him into nothing but slag and Lincoln banished him to The Black Abyss forever.

We cheered as we holstered our weapons and we powered down, and Naria Naboo's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long turquoise wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large turquoise and blue planets orbiting around her legs, thirty-five smaller turquoise and blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized turquoise and blue planets orbiting around her wrists and ankles, and her massive light blue angel wings and twenty-four sets of large light blue angel wings underneath her massive light blue angel wings are permanent.

Me: Now, that's what I call an explosive start to the final battle against Palpatine.

Nico: Yep, but this sent our message loud and clear.

Elrena Exegol: That's right. Palpatine is dead once we get to my home planet, Exegol.

Lincoln: He has no idea of what awaits when we get to him after we take care of his minions.

Me: That's for sure. But, we got to ask, Lincoln, how did you learn and master the seven spells from Bujingai: The Forsaken City?

Nicole: Dad's right. You must've gotten the same kind of training as

Lau Wong underneath..(GASPS)

Lincoln's Guardian Angels were about to tiptoe away.

Nicole: HEY!

They froze dead in their tracks.

Nicole: Alright, start talking. I know you took Lincoln to train under the spirit of Naguri Tensai, Lau Wong's teacher from 3,000 years ago, and that was how he learned and mastered the seven spells Lau has mastered.

Selene Arcangela: Okay, we admit it. Seven years ago, we took Lincoln to the world of Bujingai, and he also got exposed to the energy from the accident involving an environmentally-friendly energy source annihilated 70 percent of the world's population and all of its government along with cosmic radiation Kali Timestream sent as part of her plan: the same plan Kang the Conqueror had for J.D. twenty-two years ago. After that, Lincoln not only gained omnipotent power and the same powers as you, J.D., but he also gained magical powers stemming from the energies of the Earth along with many special abilities.

Selene Emperyous: We then took him to the temple where we contacted the spirit of Naguri Tensai, and he trained Lincoln in everything that he knew and also taught Lau Wong 3,000 years ago, plus Lau also appeared and he trained with Lincoln, and over time, he became a powerful master, and it was right then and there he also knew about the history of Lau's former former friend and training partner, Rei Jenron, who was possessed by an evil spirit and became a half-demon after the tragic death of his once-beloved Yohfa and he opened numerous portals, allowing demons to overtake the Asian city of Bujingai.

Lincoln: I swore to help free the souls of Yohfa, Master Naguri, and Rei from the demons. But, once I did that, Rei would be overcome by guilt of what he did 3,000 years ago. But, this wasn't his fault, it was true he lost Yohfa, but it was the fault of the demons who took advantage of his grief, but this will not be easy. He's gonna put up a fight.

Nico: But, so will we.

Lincoln: We got to watch it, he's had the same training as Lau, and when he became a half-demon, it also increased his powers and abilities to a dangerous degree.

Me: Wow!

Mr. Krupp: Kelly, it honestly is good to have you back.

Kelly Krupp: Me too dad.

Camie: Awesome.

Ymir: And Evil Anakin is gone too.

Me: Part 1 done of Star Wars Day.

Anakin: Hard to imagine I lost my arms and legs like that.

Me: Let me fix that.

I snapped my fingers and he had his legs and arms back.

Anakin: Much better!

Qin: Cool.

Nico: Nice job Fearow!

Fearow: Thanks Nico. This was fun.

Me: Yeah.

Poromon: Want some beer?

Fearow: Oh no thanks. I get explosive diarrhea from it.

Me: Okay we did not need to hear that.

Fearow: Sorry.

Poromon: No worries.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Fearow: Also the Puppy eyes don't work on me pipsqueak.

Poliwag: HEY! I am not a pipsqueak!

Nico: Oh, Flame Stag, what do you like to do in your free time?

Flame Stag: I work at a nature preserve and keep all the deer and animals of the forest safe.

Me: Good job there.

Camie: Yeah.

Flame Stag: Yep.

Great Prince: That sure is a good job.

Me: Yep.

Nico: What do you guys want to do later?

Me: Well Mace Windu has need of us on Coruscant later today after Lisa's third mission.

Camie: Oh boy.

Me: Yep.

Nico: Cool.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Anakin Skywalker.

Anakin: Another Me? This should be good. Hmm, are there any...?

Lincoln: No, there's no Foot Solder Anothers.

Caleb Maxwell: There better not be. The rest of those cowards can hide in the shadows all they want, but nobody gets away from me, nobody.

Me: Yep. So we got Another Giant Slime Princess, Sheep Fangire, SCP 870, Ronno (X-Squad), Bambi (Drawn Together), and Bambo

Nico: Yep and Flame Stag, Great Prince, Warren 'Whitstag' Stagsworth, Shania Bambi, Twig (Hilda) and Darla Deer are up.

Lola: Cool.

Nico: There they are!

We saw Another Sheep Fangire, SCP 870, Ronno (X-Squad), Bambi (Drawn Together), and Bambo!

Nico: WHOA!

Qin: Awesome!

Another Sheep Fangire: (In a girls voice) It sure Is!

They reverted back and were the gene-slammers of Evil HERO Dark Inferno, Shining Inferno Wing, Infestation, Grimclaw, Voltic Predator, Carnage and Seismic Claw!

Nico: (GASP) Sillia Seisma, Callie Carnage, Vina Voltic, Gianna Grimsly, Ellia Infectus, Dahlia Infernus and Pyra Sun!

Pyra Sun: Awesome to see you Nico.

Me: Whoa! The gene-slammers of Evil HERO Dark Inferno, Shining Inferno Wing, Infestation, Grimclaw, Voltic Predator, Carnage and Seismic Claw!

Bonnie Terrez: WOW! That is amazing that there are so many Evil HERO Monsters.

Dahlia Infernus: It sure is.

Me: Yep. By the way girls are the Another Giant Slime Princess and

Anakin friendly or hostile?

Callie Carnage: Friendly and powerful.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Take that!

Maria: Time for backup! (TURNS DIAL) PEGASUS FURY FORCE!

She summoned Spiral Pegasus, Another Saber (Version 2), Flag Smasher, Blood Falcon, Destructobot and Falcon (Zombie Marvel)!

Me: YEAH!

Nico: Now we wait.

But then...

KRASPLAT!

NICO GOT DRENCHED IN DISGUSTING SLIME!

Me: OH SICK!

Nico: Eww! Not again!

Me: It's green slime this time!

Qin: YUCK!

Laney: From that!

We saw Another Giant Slime Princess and Another Anakin.

Me: There they are.

Camie: Wow that is a gross one.

Another Giant Slime Princess: I am gross.

She reverted back and was the gene-slammer of Evil HERO Bubonic!

Nico: Desiree Disease! Wow!

Me: The gene-slammer of Evil HERO Bubonic.

Desiree Disease: Yep and sorry about the mess.

Nico: No worries.

Desiree Disease: Good. Ahh ahhh ahhh!

Me: DUCK AND COVER!

We ducked and then..

Desiree Disease: AHCOOOOO!

She sneezed and released a MASSIVE DELUGE OF SLIME AND DRENCHED MAY IN GREEN SLIME!

YUCK!

Nico: OH SICK!

May: Oh, this is so gross!

Me: Gesundheit!

Desiree Disease: Thank you. I have all of Giant Slime Princess's powers and I sneeze REALLY LARGE amounts of slime.

Me: Gross!

Giant Slime Princess: That is gross huh.

Me: Yep.

Another Anakin: (In a girls voice) Long time no see Master Anakin.

Anakin: I knew it was you Zoraku.

She reverted back and was a girl with orange hair and red eyes and orange sclera and had fire angel wings and had the symbol of Mustafar on her forehead and had orange and red clothes and had an orange blade lightsaber.

Zoraku: Been a while master Anakin.

Anakin: You too Zoraku.

Me: You know her Anakin?

Anakin: I sure do. She is one of my students. Zoraku is from the planet Mustafar and she has amazing prowess in the knowledge of the light and dark sides of the Force. She learned really fast and easily overwhelmed Asajj Ventress with ease.

Me: WHOA! That is cool!

Zoraku: Thanks. And it's an honor to meet you J.D.

Me: Same here.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead

They got weapons from said teams.

Zoraku: No he didn't because I used the Force and manipulated him and I made him let us go with the power of my mind.

Me: Ah you used the Force Mind Control on him. Very genius and crafty.

Zoraku: That's right.

Nico: Yeah.

Desiree Disease: I know. (GEARS UP TO SNEEZE)

Me: UH OH! HIT THE DIRT!

We ducked and Desiree held in the sneeze in and then...

LOUD NASTY FART OF SLIME! SHE SOILED HER PANTS WITH SLIME!

Me: OH YUCK!

Desiree Disease: Sorry.

Sougo: (gets out In Space Ridewatch) So you're another of Anakin's Padawans, huh?

Geiz: (gets out Lost Galaxy Ridewatch) Look like Ahsoka's got competition.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Zoraku: Well after I heard that Anakin was seduced by the dark side of the Force, I vowed to kill Palpatine and free him.

Me: Well get in line because we called dibs on his head.

Lincoln: Lets separate you first.

We did so.

I gave Desiree a hanky.

Desiree Disease: Thank you. (BLOWS NOSE)

She blew her nose REALLY LONG! She filled it up full of snot!

It was full!

Me: Better?

Desiree Disease: Yeah much better. I had lots of slime in my nose.

Nico: Yuck.

Me: Good you're unstuffed. Now lets get it on!

Nico: (gets out Giant Slime Princess' Ridewatch) Time to get slimed!

May: (Gets out SCP 870's Ridewatch) This will be a deadly one!

Maria: (Gets out Bambi (Drawn Together) Ridewatch) Time for some deer power!

Great Prince: (Gets out Sheep Fangire's ridewatch) This sheep is dead meat!

They used the powers of Giant Slime Princess, Sheep Fangire, SCP 870, Ronno (X-Squad), Bambi (Drawn Together), and Bambo and blasted the Anothers.

Me: Take that!

Then Killer Needle, Armored Bee, Wind Up Hornet, Captain Memo, Clancy and Battlewasp - Arbalest the Rapidfire came and stung the living shit out of the anothers!

Me: OUCH!

Nico: WHOA! Nice team Killer Needle!

Killer Needle: Thanks Nico.

Me: WOW! This is one team that has a DEADLY Sting! That means Blast Hornet is next.

Blast Hornet: Damn right!

Nico: YEAH!

BUT THEN A MASSIVE VORTEX OF DARKNESS BLASTED OUT! Then out came Evil HERO Destroyer of Light came!

Nico: WHOA!

Me: Evil HERO Destroyer of Light!

Qin: Nice!

Evil HERO Destroyer of Light: (In a girls voice) Looks like this is gonna be good!

Nico: Lyra Light! Wow!

She reverted back and was a girl with black hair, red eyes, black wings and clothes and had Evil HERO Destroyer of Light on her forehead, skirt, shirt and arm and had a scythe of light.

Lyra Light: Good to see you Nico. I got this. LIGHT RAIGEKI BLAST!

She fired a massive blast of light and darkness and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

The Giant Slime Princess Ridewatch was covered in slime!

Me: YUCK! Slimy!

Nico: Nice job!

Lyra Light: Thanks! That was cool.

Qin: It sure was.

Lola: Boy so many Evil HERO monsters! It's like the Elemental HERO Monsters have their own version of the Legion of Doom.

Jaden: That's a great comparison.

Nico: I agree.

Great Prince: Do you have a good memory of Nico?

Lyra Light: I sure do. When me and Nico went to an abandoned prison and found the skulls of over 900,000 prisoners there from over the centuries and they were all there for hundreds of years.

Me: GEEZ!

Nico: Yeah the stench of death was overwhelming.

Lola: Yuck!

Nico: Yeah.

Nico and Lyra hugged.

Nico: I've missed you.

Lyra Light: Same here.

We went back home.

We're going to close the portals opened all over Bujingai, save the souls of Yohfa and Naguri Tensai, and free Rei Jenron from the evil spirit.

And we got all of TLPS and The M.O.E. here.

Lincoln: Finally, we're here in Bujingai, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to help Lau Wong who's returned to battle his former friend and training partner, Rei Jenron, who's been possessed by an evil spirit and has kidnapped the soul of his once-beloved, Yohfa, and opened numerous portals, allowing demons to overtake the Asian city of Bujingai. We're going to close the portals opened all over Bujingai, save the souls of Yohfa and Naguri Tensai, and free Rei Jenron from the evil spirit.

Nicole: I can sense the portals all over Bujingai.

Me: So, we got to close the portals and fast.

Nico: And slay the demons that come out.

Flame Stag: We're more than ready for the demons. Let's get moving, shall we?

We got a move on. Suddenly, we saw some demons appear and we were about to attack them, but then, a blast of fire came out of nowhere and scorched some of them, and then, the rest of them got cut down and exploded in a mess of paper talisman cards.

Then, we saw who it was that did this: it was Lau Wong.

Lincoln: Lau.

Lau Wong bowed, we knew it was his way of saying it was an honor to meet us and saying it's good to see Lincoln again. We then got a move on, and as we proceeded through the city, Lincoln and Lau had slain a lot of demons, and then, Lincoln sealed the portals that Rei opened that allowed demons to come out. Then, we met with the spirit of Yohfa who took us back to the temple where we met the spirit of Naguri Tensai.

Naguri Tensai: You've made it in time, Lincoln. You and Lau must hurry to stop Rei and free him from the demon.

Lincoln: We will, Master Naguri. But, first.

Lau unholstered his sword, and...!

WHOOSH!

Lau did a downward slash and sent a blast of wind at Yohfa, and we saw a black mist escape and was cut down.

Yohfa: You have freed me. Thank you. Now, you must free Rei.

Lau opened a portal using his swords, but Lincoln knew it led to The Demon Dimension. Then, he used a spell that pulled a figure out of the dimension and into a field Lincoln created on his own: it was our target, Rei Jenron, but we saw his eyes were red: he was possessed by the evil spirit.

Rei Jenron: So, Lau's not the only one who's come back. You've come back as well, Lincoln.

Lincoln: It's to save you, Rei. Lau has already freed Yohfa, now you must be freed as well, and don't think you're taking this fight to The Demon Dimension.

Lincoln closed the portal, and his special field activated: we saw a magic circle of golden yellow magic form with the Yin-Yang symbol and Chinese characters for the elemental forces and purification form underneath.

Lincoln: This is a special purification field I'd been working on for years, and I saved it for this very occasion. Let's begin, shall we?

Rei Jenron: Yes. Let's begin.

Rei Jenron unholstered his swords along with Lau as the final battle for Rei Jenron's soul began.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Rei Jenron, and then, we joined in.

But, before we could attack him again, Rei Jenron was hit by blasts of light, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light blue hair and light blue hair band, blue eyes, massive white angel wings, she has Witchcrafter Madame Verre on her forehead and right arm, white short-sleeved blouse, black sleeveless strapless dress top, white gloves, light blue skirt with Witchcrafter Madame Verre on it, light blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light, glass, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Madame Verre, she has a light greatsword in her right hand, and with her are the six girls.

Lincoln: (GASPS) Estelle Madison, Avatar and Gene-Slammer of Witchcrafter Madame Verre.

Estelle Madison: That's correct, and I got the girls away from the demons, and I got here just in time to help end this.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS REI JENRON AS HE WAS SENT UP INTO THE AIR AND HE ALSO GOT BURNED BAD! BUT, HE RECOVERED.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Rei Jenron, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON REI JENRON! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

Then, Rei Jenron and Lincoln clashed, but Lincoln blocked and countered all of his attacks. Then...!

LINCOLN SLASHED AT REI JENRON WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on

you!

James Blunt: That's only a fraction of what's going to be awaiting you. But, this shows Lincoln's not the same as back then.

Then, Andre Lupeau went after Rei Jenron and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln raised his massive greatsword into the air, same with Lau who raised his sword into the air, and then...!

WHOOSH! WHOOSH!

Lincoln and Lau Wong did two downward slashes and the blasts of wind hit Rei Jenron, and we saw a black and purple mist being purged from him and it was destroyed, thus freeing him from the evil presence.

Rei Jenron: You...freed me. Thank you.

Rei Jenron fainted, but Lincoln caught him in his left arm.

Naguri Tensai: You and Lau did it, Lincoln, Rei has been freed, and the portals have been sealed. It's finally over.

We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate, and Lincoln got Rei Jenron to the infirmary: he was going to be out of commission for a while.

Lincoln: It's finally over, Rei's been freed and the portals have been closed. Now, no more demons will crawl through the portals.

Nico: That's true. But, the Earth of the 23rd Century has become an empty and desolate place.

Me: Thanks to that disaster.

Naguri Tensai: Their souls were also trapped here by the demons, but now that the portals are finally closed, they can finally rest in peace.

Yohfa: But, we will always be here for you all.

Naguri Tensai and Yohfa faded away.

Lincoln: Master Naguri, Yohfa, may you both finally find peace.

Nico: They said they'll always be with us, but you're right, their spirits can now find peace with the demons finally gone forever.

Lincoln: And the portals closed for good. (To Estelle Madison) And it's so good to see you again, Estelle.

Estelle Madison: You too, Lincoln, it's been eight years since we last met.

Suddenly, Estelle Madison had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Estelle Madison was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Estelle Madison: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Estelle Madison and hugged her, and Estelle Madison is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and forty-nine other sets of large angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, fifty massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Estelle Madison: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 11'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and forty-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and fifty massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Estelle Madison, Avatar and Gene-Slammer of Witchcrafter Madame Verre, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of light, glass, and magic. She's the Glassmaker of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Estelle Madison met Lincoln, and this one time, she and Lincoln created amazing glass sculptures using tempered glass, and they also made amazing and beautiful stained glass windows to put up in churches all over the world and The United States. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of light, glass, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion because she tried to destroy the many glass sculptures and stained glass windows they've made and taken out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the rampaging pageant she-demon got thrown in a cage for a month with no dessert.

Nico: We heard about that yesterday, and what Lola tried to do, that was really evil.

Estelle Madison: Lola got in big trouble after what she did.

Lincoln: Plus, we also had a security system installed after the first few incidents, and it warned us of Lola's little stunt.

Luna: And one of the glass statues they made was a present for Mom for her birthday nine years ago, and we wouldn't forgive Lola.

Laney: It was a piece of art and what she tried to do was utterly barbaric.

Lana: All of their glass statues along with the stained glass windows they've also made are pieces of art that've gotten the attention of the entire world, and what Lola tried to do was worse than barbaric as you put it, Laney, it was absolutely disgusting.

Nebula Lanaia: I had to restrain you from trying to kill her, Lana.

Lori: We knew those two had gotten into fights before, but Lana wasn't going to stand for it. I knew Lola was a monster, but to do something like that, it was pure evil.

Lily: It proved her dark side was such a sociopathic monster.

Lincoln: A lot of my Guardian Angels hated the monster inside her, and they wanted her to pay for it.

Lucy Loud: And some of them swore they'd curse her for eternity.

Lincoln: That was proof of how much trouble Dark Lola was, and what she did infuriated many of my Guardian Angels.

Selene Arcangela: And those who hated her, they wanted her dead even if she was a little girl and it was due to the fact that she was poisoned by Dark Chase Young and she also had a Dark Orb of Xehanort in her.

Lincoln: We got rid of Xehanort last year and when J.D. faced a Simulator version of Chase Young and killed him, it got rid of the last trace of his dark essence in her, Lori, Lynn, Lisa, and Luan. Now, once Kimiko's big day comes, I'll fulfill the second part of the prophecy and kill the mastermind behind all of the pain and suffering we had to go through since 1621 right after I get rid of the descendant of the witch who did the dirty deed, and now that you're here, Estelle.

Lincoln with his massive muscular arms still wrapped around Estelle Madison's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Estelle Madison: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Estelle Madison with light blue gems on the gold lightning bolts and light blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Estelle Madison: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Estelle Madison.

Estelle Madison had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Estelle Madison's waist, and he leaned down to her face and kissed her on the lips, and with Estelle Madison's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Estelle Madison had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Estelle Madison: (In Heaven) My God. Oh, Lincoln, you better tell the guys to hide in their rooms! The six girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and we fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had an atomic red blush on his cheeks and muzzle, and he had a nosebleed. The six girls are Yukari Akiu, Ren Kisaragi, Misaki Muroto, Kirika Umi, Shiori Katashina, and Mariko Tokiwa from Hara Katsu! ~Kininaru Ano Ko to Kozukuri Ecchi~

Lincoln: Oh whoa, it's Yukari Akiu, Ren Kisaragi, Misaki Muroto, Kirika Umi, Shiori Katashina, and Mariko Tokiwa from Hara Katsu! ~Kininaru Ano Ko to Kozukuri Ecchi~

Nicole: So, those were the girls that we're in Bujingai. Thank goodness Estelle got them away from those demons.

Lincoln: They never show mercy to any humans at all, all they cared about was destruction. But, now that the portals Rei opened up are closed along with Rei being freed from the evil spirit along with Yohfa, now the threat of the demons is gone for good.

Suddenly, Lincoln had a dark premonition.

Lincoln: The Seal's breaking.

Nicole: It's almost May 5th, the seal's hold is weakening. Then, that means...!

Selena Mendez: The Dark Side of my brother and those other snakes are going to escape.

Camie Elextor: This is bad.

Lincoln: It gets worse, they were the ones who had the girls kidnapped to be slain and their souls sacrificed in order for them to be freed from Hell.

Varie Yulinova: That unforgiveable...!

Gina Thunderton: When tomorrow comes, we're going straight into war against those filthy snakes.

Lincoln: That's for sure, Gina. By the time we get done with them, Malphas is going to regret ever trying to destroy us, same with Dark Sebastian and his minions. Are you girls okay?

Yukari Akiu: Yes, we're okay, thanks to you.

Then, when Yukari Akiu and the other five girls saw who it was that saved them from Rei Jenron who was possessed by the evil spirit, their faces turned atomic red upon seeing the 11'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful True Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of Seventeenth Century Duke Lachlan McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Dark Chase Young, and Killjoy Huggins, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate

Yukari Akiu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yukari Akiu: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yukari Akiu, Ren Kisaragi, Misaki Muroto, Kirika Umi, Shiori Katashina, and Mariko Tokiwa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one epic adventure.

May: Plus, Lincoln fulfilled a promise that he and Lau made: to save Rei from the evil spirit that had possessed him 3,000 years ago.

Lincoln: Yohfa's death wasn't his fault, but as I pointed out, his grief was truly deep, and that deep feeling of grief left him vulnerable and wide open to being influenced by evil spirits.

Nico: That's for sure. But, in the end, you and Lau freed him and the spirits of Naguri Tensai and Yohfa.

Me: And I know that look, you're gonna bring Naguri Tensai and Yohfa back, aren't you?

Lincoln: You know me all too well.

Eli: And what happened to that Earth, that was really awful.

Nicole: That's true. But, now, the souls of those trapped by the demons, those who died in the accident, have been freed, and now, they can rest in peace.

Lincoln: That's correct.

After Lincoln and all of us met with Lau Wong and freed Rei Jenron from the evil spirit possessing him, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Estelle Madison saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get fifty massive and long brown wolf tails even more stronger than ever and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Estelle Madison: My God, I was right that Lincoln's really grown into an 18-year-old 11'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Estelle, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Estelle Madison: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Estelle Madison: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that triggered the alarm: it was a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln flew out of The World Tree Estate and confronted the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings summoned by Dark Sebastian and his minions.

Lincoln: I knew Dark Sebastian would summon you beasts. Well, I better send a message to those freaks at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Back in Hell, seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A

CRYSTAL BALL LINCOLN FORMED!

Lincoln came back inside and continued working out, but he was really pushing himself even more harder thanks to what he did absorbing those beasts: those snakes really got themselves screwed now!

Nico: Those snakes are so doomed now.

Me: You said it. Plus, Lincoln's big day is coming soon, and Morag will be doomed. Once Lincoln takes care of her, it'll anger Dark Sebastian badly that he's bound to come after us, and he'll be completely out of his mind and want to kill us.

Lincoln: Let him try, he knows his time is up, and I'm gonna make sure he realizes that. He's brought out the fury of a true God among men, and in the process, he brought the wrath of God, Heaven, and the Ancient Gods and Goddesses down upon his head, he and those pack of snakes that mindlessly follow him.

We felt the righteousness in his voice: Lincoln was right, that snake and his mindless minions are so doomed tomorrow.

Eli: Oh man!

Nico: They're done for.

Me: There's no escape for them, same goes with Morag and Dark Chase Young, this is gonna get really brutal.

Anna Anyanova: That's for sure.

We got a shower, and then, Lincoln, Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki are heading to Katsurahama Beach in Japan, and joining them are D.A.V.E. and Cyn .

Lincoln snapped his fingers, and the 11'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons

holstered in case of trouble.

And Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Honey Queen: Wow, we're here in Katsurahama Beach, it sure is beautiful.

Lincoln: It sure is, Honey Queen, and it's perfect for our first date, shall we?

Lincoln, Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki along with D.A.V.E. and Cyn dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift fifty-two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Menchi: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki and hugged them in their abnormally massive and powerful muscular arms, and Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Katsurahama Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented

Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki are now in your harem, Linky.

Honey Queen, Maya Popol, Simulator Lizzy, Simulator Uzi Doorman, Menchi, Olga, and Miyu Sugisaki showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Miyu Sugisaki: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted fifty-two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and fifty massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lisa, Leanne and Jared's 3rd mission.

Me: Anyone else want to go with Lisa, Jared, and Leanne? Besides Calamitous, Sunset, Maggie Peyton, TJ, MetalEtemon, and Evil Luxord?

Evil Luxord: And I'm Luxord, the Gambler of Fate for the Masters of Evil.

Skye: Pleasure to meet you all.

Captain America: I'm Steve Rogers, but everyone calls me Captain America.

Firebrand: The name's Gary Gilbert, but everyone calls me Firebrand.

Yusaku: Wow it's an honor.

Skye: Wow! It's an honor to meet you all.

Sunny Starscout: Same here and you already met Sunset.

Yusaku: We sure did.

Me: Yeah.

Sunset: I actually was here two days ago!

Skye: I know!

Me: Yep. Also the reason Anakin and some of the Jedi are with is because it's Star Wars Day.

Skye: Oh right! I Forgot that was today.

Me: Yep. So we have something awesome for this day.

Yusaku: Looking forward to it.

Eli: Yep.

Yusaku: So, Jared. Tell us more about yourself.

Jared: Well I am the man of honor for the team. I learned so much from J.D. He's my father.

Me: Yep Jared is my son and we met a while back because of events that happened in his time.

Eli: They were fighting the Dark Gundam when they were teleported through a time warp.

Jared: It's true.

Allenby: Me and Jared met in Sweden in the Tarne Valley and he saved me from doom in quicksand and he was a true knight in shining armor. We became a match made in heaven.

Skye: How romantic.

Me: Yeah.

Jared: I fight for honor and always show my opponents a great fight and test the limits of my strength for honor.

Evil Luxord: He is a true man of honor.

Yusaku: Truly admirable.

Jared: It is.

Isabel: That is my dad for you.

Skye noticed the nasty scar on her back!

Skye: Oh man! Isabel what happened to your back?

Isabel: I had a nasty bacterial infection that destroyed my entire spinal column. They had to take out my entire spinal column and replace with an artificial one.

Skye: Ouch!

Yusaku: That must've hurt.

Isabel: It did.

Nico: And now, she's an expert on animal spirits.

Isabel: Yep I'm the chief shaman of the team and I can Identify which spirit anyone has with them.

Skye: That's amazing.

Isabel: It sure is. And Skye, your Animal Spirit is the Butterflyfish. Butterflyfish are often seen as spiritual symbols of beauty, transformation, and grace. Their delicate appearance and intricate patterns reflect a sense of elegance and balance, which many cultures and spiritual traditions have interpreted in various ways.

Skye: Wow! That is very interesting.

Then a blue light appeared on her finger and she had a ring with a blue gem with a beautiful butterflyfish in it.

Skye: (GASP) Where did this ring come from?

Girl Jordan: That's your spirit ring. It represents your spirit. Everyone on the team has one.

Me: It's true. Mine is the Wolf.

Skye: Amazing!

Yusaku: What about me?

Isabel: Your spirit Yusaku, is the Komodo Dragon. The Komodo dragon is a spirit animal that symbolizes power, strength, and spiritual significance. Indigenous communities believe that Komodo dragons have supernatural powers and protect their islands, and are associated with ancestral spirits.

Yusaku: Wow! That is very symbolic and fitting for me.

Me: It sure is and those are also the largest lizards in the world.

Yusaku: Yep.

Then a green light appeared on his finger and it was a ring with the Komodo Dragon in the gem.

Yusaku: Wow! My own spirit ring too!

Nico: Yep.

Yusaku: That was really awesome. Allenby are you one of the players of the Gundam Fights?

Allenby: I sure am. Those were so much fun.

Me: They sure were.

Eli: I am a player for that too. I beat Master Asia in that one too. It was incredible.

Nico: Yep.

Me: You'll see him in action soon. Not only is Eli an amazing master of his Gundam but also he is a friend of Godzilla and the Kaiju.

Skye: WHOA!

Me: I know.

Lisa: Are there any enemies of yours still active?

Skye: There are. Varis is back.

Me: WHOA! What can you tell us about him?

Yusaku: He's the one that put me through all the crap I went through.

He told us about him.

Roken Kogami, also known in Link Vrains as Varis, is a major character in the Yu-Gi-Oh! Vrains anime, serving as the main antagonist of the first season alongside his father, a major anti-hero in Season 2, and the tritagonist of Season 3. He is the Leader of the infamous hacker group The Knights of Hanoi.

He was voiced by Shunsuke Takeuchi and Minami Takahashi as a young in the Japanese version and by Daniel J. Edwards in the English dubbed version.

Roken had a pretty peaceful childhood growing up he would often spend time with his father and future Hanoi members Aso and Clarissa. Later Roken observed his father's work on the Hanoi project and helped a young Yusaku Fujiki, whom the latter had met prior, to continue fighting and to not give up. However the pain that it was causing the children involved became to painful for Roken to bear so he reported the inhumane project to the authorities, causing his father to be arrested in the process. As Roken waited 3 years for his father to return his father became infected with a virus and fell into a coma. However in that time Roken had finished his father's work and created the Ignis: Ais with free will, and eventually recreating his father's mind in Link Vrains. Soon Roken's father Told him of what the Ignis were capable of and that they would destroy the world instead of his original thought that they would help humanity. This caused Roken to form the Knights of Hanoi and adopt the persona of Varis. Varis, leading 3 "Cracking Dragons" attacked the Cyberse in an attempt to destroy the Ignis. However one Ignis known as AI fled from Varis and sealed the Cyberse off from Varis as he gave chase but failed to capture the rogue Ignis. Varis desperate to find the rogue Ignis sent his knights to hunt it down only for it to be secured by a duelist known as "Playmaker" (Yusaku Fujiki) who had previously defeated several of his knights before. Varis as well as Specter watched as Playmaker defeated another one of the Hanoi. Later Varis is seen by Yusaku when he almost found AI's location only for his connection to be severed at the last minute. Later Varis corrupts Blue Angel (Skye Zaizen) and makes her duel Playmaker in which Playmaker defeats her and due to the virus on the card given to her by Varis, falls into a coma causing Playmaker to be approached by Skye's brother Akira who believes Playmaker is responsible for her condition only for Varis to arrive and claim responsibility before challenging Playmaker to a duel which ends in a draw. However Varis immediately begins another duel and quickly gains the upper hand though Playmaker makes his comeback and wins the duel. This makes him fixate on revenge against Playmaker who with his allies defeats his 3 main servants and after losing his allies, the 2 leaders of the hanoi.

His actions in Link Vrains made New Link Vrains forced to replace it's old version. He eventually learned of someone called "New Playmaker" and rescued Baira rebuilding the knights.

Varis helped Playmaker on defeating Ai. He dueled Soulburner but lost. He gave Playmaker his "Borreload Furious Dragon" in order his duel against Ai. He and the Knights of Hanoi are last seen watching over the VRAINS to atone for their crime as Soulburner suggested , originally they were have turned themselves to the authorities.

When he was done we were shocked!

Me: Holy fuck! So he is the one that put you through all that shit!

Yusaku: That's right.

Me: And he uses a Dragon Deck composed of Different dragons of the Matrix? That is cool!

Yusaku: It sure is. But our scans show that he is not in the Duel Matrix.

Nico: Then where is he?

Skye: We don't know. It's like he just vanished.

Eli: Maybe I can help with that.

Eli used the Force and found him.

Eli: He's on the planet Geonosis!

Me: All the way over there? Whoa!

Anakin: I sense that there's another one too. It's Dooku.

Skye: Count Dooku!?

Me: Must be a clone of him.

Nico: Yeah. The real one is in the M.O.E.

Me: Yep.

Deadpool: But this part of the adventure is in honor of Christopher Lee.

Jamesdean5842: That's right. Christopher Lee played as Count Dooku in Star Wars II and III back in 2002 and 2005 and he died in 2015 after the final movie of The Hobbit was done. He made more movies than any other actor or actress we know.

Nico: WHOA!

Skye: That is incredible!

Nico: May he rest in peace.

Me: Yeah.

T.J.: SHIFT INTO TURBO!

He transformed and was ready for action!

Me: Awesome! Hold on guys.

I had everyone stand close and used Instant Transmission and we teleported to Geonosis!

We arrived.

Me: We're here.

Skye: (Groans) That was so hard on my stomach.

Me: Sorry about that Skye. I should have warned you.

Skye: I'll be okay.

Yusaku: First time in a while I'm not Dueling as Playmaker

Me: Yep.

Nico: And we're right outside Petranaki Arena.

Anakin: This place carries a lot of memories.

Ahsoka: It sure does.

But then...

KRABBBBBBBOOOOOOOOOOOOOOOOOMMMM!

There was a massive explosion!

Me: Looks like we got a fight going on! Lets go!

Jared: Lets get them dad!

We ignited our lightsabers and went into the arena and saw NUMEROUS JEDI battling droids!

Nico: Geez!

Me: Man how rude! The party is starting without us!

Eli: Yeah!

Me: Well we're going to crash this party!

Eli fired a blast of Force Lightning and electrocuted and destroyed many droids!

We flew down and deflected lots of laser blasts and destroyed many droids!

Me: Man they just keep coming!

Eli fired waves of Force Lightning and destroyed and numerous explosions blasted off.

Then out came VARIS!

Me: Varis, I presume?

Varis: The Famous J.D. Knudson, I've heard so many incredible things about you.

Me: Feeling is mutual.

Girl Jordan: Been a long time Varis.

Varis: It has been a while Jordan. I heard you are killing Carnage Dirtbags left and right.

Girl Jordan: They all deserve it for ruining my life.

Varis: (to Yusaku) Not so tough without your Playmaker persona, are you?

Yusaku: Playmaker or not, I'm still a good duelist!

Me: Also you're going to pay for everything you did to Yusaku.

Eli: In the name of the Galactic Senate of the Republiic, You're under arrest.

Varis: Come get me.

Eli: With pleasure.

Count Dooku came.

Me: Count Dooku. Been a long time old friend.

Count Dooku: Master Knudson, the First Jedi of Earth graces us.

Varis: (to Dooku) Back off! This is my fight!

Dooku then blasted him down with Force Lightning.

Me: You should know better than to underestimate the cruelty and treachery of a Sith, Varis. Besides you are just for extra work. It's Star Wars Day and Count Dooku is our main objective for this one.

Nico: Yeah.

Varis growled!

Jared: Lets get it started Varis.

Varis: With pleasure.

Jared got out his sword and Varis formed his sword.

They clashed!

Sunset got out her Zector.

Maggie got out her Zector.

Sunny and Friends got out their Zectors and they blasted Varis all over.

MetalEtemon: Lets get it started! (Echoing) BANANA SLIP!

He threw a peel and Varis stepped on it and then...

CRASH!

HE CRASHED INTO THE ARENA WALL!

Jared: Ouch.

Varis: Time to summon some monsters!

He summoned his monsters! He summoned Triple Burst Dragon, Topologic Bomber Dragon, Borrelguard Dragon and Anesthrokett Dragon!

Nico: Impressive!

Varis: Thanks.

Count Dooku Clone: Bring it.

She teleported and slashed him and cleaved his legs off!

Me: Nice one!

Maggie got out her Zector and fired lightning blasts.

Evil Luxord: Time for these cards to decide your fate.

He had his cards ready.

Me: And your time is up!

TJ Got out his Zector and fired Key Blasts and blasted Varis.

We blasted him all over.

Me: Take that!

Nico blasted him and smashed him!

Me: Take that!

But then a Hypno came.

Me: WHOA! Hypno.

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Then Hypno hypnotized Varis and turned him INTO A CHICKEN!

Varis clucked like one!

Nico: Funny!

Me: Too bad Ed can't be here.

Nico: (LAUGHS) Yeah!

Me: Lets see.

I used my Telepathy and gasped!

Me: Jenna Mayweather! Oh man!

Hannah Fairchild then appeared!

Hannah Fairchild: Jenna!? She's here!?

Me: Oh Hannah! You made it just in time.

Hannah Fairchild: I sensed something here and came.

Me: Good call.

Hannah Fairchild: Oh sorry. I'm Hannah Fairchild.

Skye: Pleasure to meet you.

Hannah: Time to summon my top monsters!

She summoned Uria, Lord of Searing Flames, Hamon, Lord of Striking Thunder and Raviel, Lord of Phantasms!

NIco: YEAH!

Me: Lets go help her!

We went to help her.

Hannah: Jenna it's me Hannah!

She used her hypnosis. But I used my eyes and sent the Hypnosis back and made her fall asleep.

I snapped my fingers and she reverted back and was a girl with blond hair, orange eyes and had purple wings and had Hypno on her forehead and had a cutie mark shaped like a Celtic Triquetra with the Sacred Beasts on it.

We wrapped her in a blanket.

She woke up.

Jenna Mayweather: (Groan) What hit me?

Me: Hypnosis from me.

Hannah Fairchild: Jenna? Are you okay?

She saw Hannah.

Jenna Mayweather: (GASP) Hannah? You're alive!

She hugged her!

Jenna Mayweather: But how? You were dead!

Hannah Fairchild: I was dead. But J.D. and everyone brought be back.

Me: It's true.

Jenna Mayweather: Oh wow! But it doesn't excuse what Burns did to you!

Me: What about Burns?

Jenna Mayweather: He burned down Hannah's house with her in it because it's part of a Prophecy! The prophecy being that the eldest daughter of the Fairchild Family will bring down his reign of evil and kill him forever.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Eli: That jerk!

Nico put his skeleton back in.

Nico: I hate it when that happens. But BURNS KILLED HER!? The Fire was extinguished but Burns lit the fire that killed her!?

Jenna Mayweather: That's right.

Me: That old vulture!

Jenna Mayweather: Yeah and I want revenge on him.

Me: We all do.

Girl Jordan: Yeah!

Nico: Do you remember what happened?

Me: Yeah you were turned into a Hypno by Dark Gale.

Jenna Mayweather: Oh man! I remember.

She was in a purple suit and injected and turned into Hypno! She turned all the members into Pokemon! She ran out.

FLASHBACK ENDS

Jenna Mayweather: It was awful.

Me: Well Dark Gale was destroyed.

Jenna Mayweather: Good. Oh I'm the psychologist of Sonya's team and help them get through times of stress. Outside of the team I am a crimefighter and battle the city's most evil criminals.

Me: Cool! Lets get you some new clothes.

I snapped my fingers and she had purple clothes and a new light sword.

Jenna Mayweather: Awesome!

Nico: Can you also help people fall asleep?

Jenna Mayweather: I sure can.

Nico: Cool!

Me: Yep.

But then elastic arms wrapped around Varis and threw him into the Dooku Clone and smashed him down.

Me: WHOA!

We saw a girl with blue hair, red eyes and black clothes and wings and had a tiara with Stretchleo on it.

Me: (GASP) Sylvia Stretchleo!

Nico: WHOA! Stretchleo's embodiment!

Sylvia Stretchleo: (Grunts) Glad I can help.

Sylvia lost control and used her elastic arms to restrain Firebrand.

Firebrand: I don't think so!

He flared up a fire aura and burned her arms off!

Sylvia Stretchleo: YEEEEOOW!

Me: OOH YIKES!

I fired the cure ray and injected her!

Me: There!

Firebrand fired blasts of fire and blasted her down.

Captain America threw his shield at her and bashed her!

BLANG!

It hit her hard.

Captain America used his Zector and blasted her.

Nico: YEAH!

Jenna Mayweather: I missed doing this. Like old times?

Hannah Fairchild: You know it!

Jenna and Hannah: SACRED FIRE BLAST WAVE!

They fired waves of intense fire and blasted her down.

The antidote took effect and she was cured. Her blue eyes were back.

Sylvia Stretchleo: (Groans) Man what happened? OW! HEY WHAT HIT ME ON MY HEAD!?

Nico: Long story

Captain America whistled innocently.

I fired waves of energy and blasted Varis and knocked him out.

Deadpool: Now for the fun.

Me and Deadpool went up to the Clone of Dooku and I had my blaster pointed at his head and Deadpool had his guns pointed at him.

Deadpool: Bang!

BANG BANG BANG!

We blasted his head off and banished him to the Black Abyss!

Nico: YEAH! Count Dooku you have failed this universe!

Me: Yep.

Anakin: That is for sure.

Me: Looks like we're done here.

We went back to Earth.

Later we went back home.

We later came home.

May: Hey guys! How did it go?

Me: REALLY AWESOME!

We told everyone everything that happened.

May: WHOA! So you battled Count Dooku and Varis on Geonosis. Awesome!

Qin: Yeah!

Me: Yep.

Nico: Next time, Dexter, Julie Carolina, Ratchet, Clank, and Church should come

Me: Good idea.

Qin: Yeah!

Laney: Cool!

Later we were over on Coruscant.

Me: Coruscant is sure busy as ever.

Horsea: Jenna, can you use your powers to help me fall asleep until the mission starts?

Ahsoka: Why are you asking that?

Horsea: Because I need a small nap after how I keep getting attacked!

Maria: Horsea calm down.

Horsea: Sorry.

Jenna Mayweather: I sure can.

She fired a sleep ray and she fell asleep.

Horsea: (SNORING)

Me: Wow.

But then a clone of Asajj Ventress came and we blocked her strikes!

ZAP ZAP ZAP!

We blocked her attacks and I fired Force Lightning and electrocuted her!

Anakin: Nice to see you too, Ventress!

Asajj Ventress: I will have my revenge!

Me: Don't count on it!

We clashed all over and really let her have it.

We slashed and clashed with her.

Sparks flew all over the place.

Junkheap: Have some of this!

He fired lasers and blasted her.

Anakin and me then fired energy blasts and they hit her and blasted her.

Eli then stabbed her through her head and killed her!

I took her lightsabers and gave them to Iormu.

Me: They look better for you than her.

Iormu: Thanks J.D.

Wreck Gar: Is she dead yet?

Me: Eli skewered her through her head. She is TOTALLY dead.

Nico: Yep.

Wreck Gar: Oh nevermind then.

Nico: Yep.

We banished her spirit to the Black Abyss.

Camie: Good riddance.

We went back to Earth.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Palpatine and his minions, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Horsea woke up.

She yawned.

Emerald Sustrai: Have a good nap, Horsea?

Horsea: I sure did.

Me: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Palpatine, Jabba the Hutt, Tarkin, Snoke, Jango Fett, and the clones of Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2, and they're located on the planets Tatooine, Kamino, Mustafar, Scarif, Bespin, Endor, Jakku, Crait, Kef Bir, and Exegol. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Palpatine, Jabba the Hutt, Tarkin, Jango Fett, Snoke, and the clones of Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2, and they're located on the planets Tatooine, Kamino, Mustafar, Scarif, Bespin, Endor, Jakku, Crait, Kef Bir, and Exegol.

EVERYONE GASPED!

Anakin: It's time.

Eli: It is.

Me: This is going to be a repeat of what happened years ago when we went after Palpatine.

Nico: Yep.

Lincoln: Only this time, he and Snoke along with the clones of Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2 are getting The Black Abyss, Jabba the Hutt, Tarkin, and Jango Fett are heading to The M.O.E.

Elrena Exegol: And it'll end with us confronting Palpatine on my home planet. Time to send those bastards to Hell where they belong.

Nico: Yep. Alright, let's deploy the U.S.S. Valorous Phoenix and head on out.

Lincoln: Palpatine, your time is finally up. Now, you will answer for all of your crimes!

Me: YEAH!

The Previous Group came.

General Schwarz: Can me, Kaos, El Oso, Vreedle Brothers, Duff Killigan, Carmen Dillo, INSTIGATOR, Tchang Zu, Leap Frog, and Metal Sonic go with you guys?

Nico: Yes you all can come with. This is gonna be so awesome!

Laney: YEAH!

Me: Yeah it will be!

Ransack: Boss, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Malicious Fiend next.

Me: WHOA! That one is gonna be good.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Mozenrath, he's come back from the dead and he still wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that Mozenrath?!

Lincoln: Yep, he's come back from the dead and he still wants revenge.

Iago: Not again! Somebody better tranquilize Jafar Jr. before I get him!

Acantha Nightshade: That'll be left to me and Lincoln after we deal with the major villains and the monster behind it all, Palpatine.

Lincoln: Right, Acantha.

Nico: Oh, this should be good. Alright, team, let's deploy The U.S.S. Valorous Phoenix and put an end to Palpatine and his minions for good.

Lincoln: The galaxy is going to finally see the end of Palpatine for good, and once we get done with him and his minions, you're next, Mozenrath.

Acantha Nightshade: I've had it with you for the last time, Mozenrath, I'll show you what happens when you dare to mess with someone who's a true master of The Dark Arts.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us boarded The U.S.S. Valorous Phoenix and we set out to battle the major villains of the Jedi, and finally, we'll confront Palpatine and send him to The Black Abyss, and once we get done with them, Acantha Nightshade and Lincoln are going to destroy Mozenrath and send him to The Black Abyss.

We were off!

* * *

The U.S.S. Valorous Phoenix arrived at Tatooine.

Nico: Captain's Log, Stardate 13000.1: The U.S.S. Valorous Phoenix is over at Tatooine commencing an amazing journey to battle the major enemies of Star Wars for Star Wars Day. This is gonna be awesome.

Me: Planet Tatooine.

Anakin: Home.

Kaos: Lets call Dr. Destiny.

Me: I was gonna say that.

We did so.

Dr. Destiny came.

Dr. Destiny: I'm here guys.

Me: Awesome!

We landed and got out and we were in Mos Espa.

Anakin: I missed Mos Espa.

Me: Awesome to see your home city again Anakin.

Anakin: It sure is.

Me: Okay here's how it's gonna play out. We're going to battle 10 villains. One on each planet listed. So we better call in the usual battles so we know who is up.

Commander Mars: Good thinking.

Maria did so.

Then Dr. Viktor, Duskmon, Demyx, Grumblemon, Heatwave, Ranamon, Dai Gui, Arbormon, Vulture and Mercurymon came.

Nico: Dr. Viktor, Duskmon, Demyx, Grumblemon, Heatwave, Ranamon, Dai Gui, Arbormon, Vulture and Mercurymon

Dr. Viktor: Is it time for the usual battles already?

Me: No we're going to battle one of each of you guys on the 10 planets listed to make this fun and exciting.

Nico: Yep on the planet Naboo.

Vulture: (to Hay Lin) You should take care of that Fearow.

Hay Lin: I will and that makes all the Guardians of Candrakar covered for mascots.

Vulture: It sure does.

Brez Arenishka Then came.

Me: Brez Arenishka. Up for another round?

Brez Arenishka: Yep.

Me: Cool.

Brez Arenishka: Oh Happy Star Wars day to you all. May the 4th be with you.

Me: Thanks.

Nico: So where do we meet you?

Me: All right lets make this fun!

Nico: YEAH!

Me: So we meet again Darth Maul!

Darth Maul: You will not stop me this time Knudson! Soon the Republic and the Confederacy will be ashes and my revenge will be complete.

He ignited his double-bladed red lightsaber!

Anakin: You're deluded Maul.

Lincoln: Your hate blinds you.

Darth Maul: We shall see.

Me: What kind of fucked up world do you live in!?

Nico: You will pay for your crimes Maul.

I ignited my Purple Bladed lightsaber infused with Force Lightning.

Darth Maul: I cannot be killed, not by you, not by anyone!

Me: Except us!

I flared up my power and we went at him and clashed with his lightsaber staff and fired blasts of Force Fire and Force Lightning and massive explosions of fire exploded all over the place.

KRABBBBOOOOOOOOOOMMM!

We fired energy blasts and fire blasts and elemental blasts at him all over the place and it blasted him all over the place and we were cutting him all over the place with indiscriminate fury.

Lincoln: Take this! LIGHT STYLE NINJA ART: THE BLOOD RAVENS SPACE MARINES!

Lincoln fired a blast of light and it turned into an army of the Blood Ravens Space Marines and they blasted Darth Maul all over the place with powerful laser blasts and I kicked him in the back of the head and kicked him in the air and fired a powerful Force Lightning blast and electrocuted him.

Darth Maul: Now, you all will die!

Me: You are the one who is going to die Maul!

Nico: Darth Maul you have failed this Universe!

Me: Okay two down. Duskmon is up.

Jeri Katou: Here we go

Jeri Katou, Kat McDougal (Starfox), Shirley the Loon, Aslan (Narnia), Shishido, Samson the Lion, Sekhmet, Princess Luna, Dusk Eclipse, Princess Luna (G5), Moondust, Snowdrop, Children of the Night, Dark Skylanders, Ransack and Crumplezone VS Duskmon, Phantom Blot, Universe 666 Scar, Universe 666 Makunga, Universe 666 Zira, Universe 666 Kron, Lokar and Heart of Darkness (Theme including Kat (Starfox) - The Anothers were the gene-slammers of Evil HERO Bubonic, Dark Inferno, Shining Inferno Wing, Infestation, Grimclaw, Voltic Predator, Carnage and Seismic Claw.

Duskmon was next.

Duskmon (to Jeri): The Anothers were the gene-slammers of Evil HERO Bubonic, Dark Inferno, Shining Inferno Wing, Infestation, Grimclaw, Voltic Predator, Carnage and Seismic Claw. Nico, Flame Stag's team, Giant Slime Princess' team, and the others did good battling them.

Jeri: They sure did and it was really amazing! Everyone had fun.

Kat McDougal: They sure did and everyone had a good time. Also we met a gene-slammer for Lickitung and this one really licked May and Horsea big time.

Shirley: OH YUCK! Literally saturated them in spit and drool!

Aslan: It's true and it was gross!

Princess Luna: It sure was. She actually knew George Beard and Harold Hutchins and SHE HATES All of the school they went to before.

Dusk Eclipse: Yeah and she vowed to destroy that entire school and make sure all the staff get sent to prison! She gathered LOTS of evidence on them and vowed to get the book thrown at them.

Princess Luna (G5): Whatever that means?

Duskmon: It's an expression and it means get them punished to the fullest extent of the law.

Princess Luna (G5): Oh I get it now but that is too true.

Moondust: Yeah that that school did was HORRIBLE!

Snowdrop: Yeah it sure was! I'm glad we told her that we got that entire school shut down forever. It was turned into a grocery store.

Gari: Yeah.

Blackout: Good riddance. That school was a menace to all kids.

Duskmon: I agree there and thank goodness. Lets do it!

Jeri used the Core Medals for Universe 666 Scar, Makunga and Universe 666 Zira and got a lion sword!

Jeri: THE LION PRIDE SWORD OF THE AFRICA PRIDE!

Duskmon: I like it!

Jeri: Thanks! LION HEART STYLE NINJA ART: LION FLAME OF THE BEAST KING!

They fired waves of darkness and fire and blasted them down.

Waspinator: Waspinator can't wait for next stop!

Me: Next up is Planet Mustafar for General Grievous.

Qin: Oh boy.

We were off.

PLANET MUSTAFAR

We arrived at Mustafar.

Me: WOW!

Nico: This is where we met Vice the first time.

Lola: Fun times.

Vice: I thought Qin was a pepperoni pizza.

Metal Sonic: Brings back memories, doesn't it?

Vice: It does.

Me: So funny.

Then a figure came and it was GENERAL GRIEVOUS!

Me: There he is.

General Grievous: Well well General Knudson!

Me: Long time no see Grievous.

Nico: General?

Me: He calls me that out of formalities. But for the record Grievous, I am no longer the leader.

General Grievous: Well who is the leader then?

Nico: You're looking at him. Me.

Me: I promoted my second in command to leader full time.

Lincoln: That's right.

He then ignited 4 lightsabers!

Tso Lan: Face my power!

General Grievous: How bold of you! But like you, I learned the Jedi arts from Count Dooku!

I fired energy blasts and Tso Lan fired energy blasts and blasted him.

They fired waves of rocks in the shapes of the Stromatolites and they fired waves of earth, rock, mud, boulders, meteors, lava, crystall and apples and smashed them down!

Leslie Gesneria: Where to next?

Me: Now comes one of the fun parts. The Space Battle of Yavin. Then we head to Hoth for the Akuma,

Nico: Okay!

BATTLE OF YAVIN

We were in the Yavin System and we were in our starships heading towards the Death Star and ready to fight and blow it to smithereens.

Red Leader: All wings report in.

Me: Phoenix Leader standing by.

Nico: Blue Leader Standing by.

Vince: Purple Leader Standing by.

Red Leader: Lock S-Foils in Attack Position.

We did so.

Red Leader: We're passing through the magnetic field. Hold tight. Switch your deflectors on double run.

Me: Here we go guys.

We approached the Death Star.

Wedge: Look at the size of that thing.

Laney: It's massive.

Red Leader: Cut the chatter Red 2. Accelerate to attack speed.

We did so.

Me: This is it boys.

Gold Leader: Red Leader this is Gold Leader.

Red Leader: I copy Gold Leader.

Gold Leader: We're heading for the Target shaft now.

Red Leader: We're in position. I'm gonna cut across the access points and try to draw their fire.

I fired at the Turrets firing lasers and blasted them to smithereens.

Wedge: Heavy fire boss at 23˚.

Luke Skywalker: I see it. Stay low.

The turrets were firing everywhere like wildfire and me and Nico and everyone were blasting them apart like mad.

Nico: Yeah!

Lincoln: Eat this! LIGHT STYLE NINJA ART: THE IMPERIAL NAVY!

Lincoln fired a wave of light and it turned into Imperial Navy starships and they blasted the Death Star all over the place like mad.

Red Leader: Watch yourselves. There's a lot of fire coming from the right side of that deflection tower.

Laney: I'm on it. CELTIC STYLE NINJA ART: THE ELDAR FLEET!

Laney fired a massive wave of green energy and it formed into the fleet of the Eldar and they blasted the deflection tower and it exploded.

KRABBBBBOOOOOOOOOOOOOOOOOMMMMM!

We blasted the turrets with lasers and energy blasts and blew them all apart. The ship was firing laser blasts at the Death Star as well.

Man: Squad leaders, we've picked up a new group of signals. Enemy fighters coming your way.

Luke: My scope's negative. I don't see anything.

Me: I see them at 4:00!

We saw a huge group of TIE Fighters!

Lana: They are mine!

Lana fired blasts of lasers and ice lightning and blew them all apart.

Luna Loud: Try this one! METAL STYLE NINJA ART: THE ORK KROOZERS!

Luna fired numerous waves of metal and they formed into the ships of the Ork Kroozers and blasted some of the Death Star turrets and more.

We blasted a lot of ships and more.

Gold Leader: Red Leader this is Gold Leader. We're starting our attack run.

I saw 3 Y-Wings ready to head in.

Red Leader: I copy Gold Leader. Move into position.

Gold Leader: The exhaust port is marked and locked in.

Nico: J.D. be ready to follow them when the fighters head in.

Me: Roger that.

The Y-Wings went into the trench and laser turrets were firing at them.

Gold Leader: Switch all power to front deflector screen. Switch all power to front deflector screen.

They flew down the trench as lasers were being fired at them.

Gold Leader: How many guns do you think Gold 5?

Gold 5: I'd say about 20 guns. Some on the surface, some on the tower.

Gold Leader: Switch to Targeting computer.

The computer was in his face and he had 47,080 feet to go and counting.

Gold 3: Computer is locked. Getting the signal.

They continued flying and the turrets stopped firing.

Gold 3: The guns, they've stopped.

Gold 5: Stabilize your rear deflectors. Watch for enemy fighters.

Gold Leader: They're coming in! 3 marks at 210!

Nico: Go J.D.!

Me: Right!

I flew after the 3 fighters.

Me: The Dark Side of the Force is strong with the fighter in the middle. Darth Vader.

Sam S.L.: I'll take care of the other 2. PLASMA STYLE NINJA ART: THE TAU AIR CASTE FLEET!

Sam fired a powerful blast of fire and it turned into the ships of the Tau Air Caste Fleet and the blasted the two Tie Fighters and destroyed them.

I fired stun torpedoes and disabled all of Vader's weapons.

Me: That did it!

The Y-Wings went at the exhaust port and fired Proton Torpedoes and they missed!

Me: Negative Impact.

Nico: Damn!

We continued blasting the turrets and I went with the next group to start their run. I followed the Red Leader and his group.

Red Leader: This is it!

Lasers fired like mad.

Red 10: We should be able to see it by now.

The guns stopped firing.

Red Leader: Keep your eyes open for those fighters.

Lola: Right!

Red 10: There's too much interference.

Me: Lola can you see them from where you are?

Lola: I sure do J.D. Coming in at .35.

Red 10: I see them.

Darth Vader and 2 more Tie Fighters came.

Haiku: I got this. DARK STYLE NINJA ART: THE DARK ELDAR RAIDING FLEET!

Haiku fired a wave of dark energy and they formed into the Raiding Fleet of the Dark Eldar and they blasted the two Tie Fighters and more turrets on the Death Star.

The Red Leader fired proton Torpedoes at the exhaust port!

Red Leader: It's away!

But it didn't go in and exploded on the surface.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Me: Negative Impact. Nico, Luke, Vince, lets head in and see if we can finish the job.

Nico: Right.

We flew through the Trench and it was gonna be an awesome run.

Me: I see the exhaust port. Luke, everyone, lets use the Force and do it.

Luke: Okay.

Me: Here we go.

Then we saw laser blasts fire from above and destroyed the Tie Fighters and sent Darth Vader tumbling out into space and we saw that it was from Han Solo!

Han: YAHOO!

Me: Han! You arrived just in time!

Han: You're all clear guys now lets blow this thing and go home!

Me: With pleasure!

Akiza, Black Rose Dragon and Wendy O. Koopa fired blasts of fire and rings.

Akiza with Black Rose Dragon and Wendy O. Koopa: INFERNO RING FIRESTORM!

Lucy Loud: DARK STYLE NINJA ART: NECRON TOMB FLEET!

Lucy fired a wave of darkness and it formed into a bunch of Necron Tomb Ships.

Linka: DEMONFIRE STYLE NINJA ART: THE CHAOS FLEET!

Linka fired a blast of fire from hell and it formed into the Chaos Fleet ships.

Liberty: ALIEN STYLE NINJA ART: TYRANID HIVE FLEET!

Liberty fired a blast of energy and it formed into the Tyranid Hive Fleet ships.

Me: FIRE!

We fired blasts of energy and elements and they went into the Exhaust Port!

Me: BULLSEYE!

We left and we went back to Yavin IV.

The Death Star exploded.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: BINGO!

Han: Great shot guys! That was one in a million!

Me: Thanks Han.

We landed on Yavin IV and we were awarded medals by Princess Leia and it was an awesome honor.

Duff Killigan: (Scottish Accent) We're just doing our jobs, lass. Which isn't even done yet here!

Princess Leia: You were amazing though.

Me: We're not done yet.

PLANET HOTH!

We were on Hoth in Echo Base!

Ymir: Man is it cold!

Camie: Hoth is an Ice planet.

Me: Yep.

Lincoln: Okay here's the Akuma. His name is Demon Vader. The hypothetical Akuma of Anakin Skywalker and he looks like Darth

Vader and is deadly with the powers of the Force and the powers of the Dark Side. He was made because of Palpatine doing him all those terrible things and vowed to kill Palpatine no matter what.

WE GASPED!

Me: WHOA!

He showed a sketch of him and he looked like Darth Vader but with demonic Angel Wings!

Me: WHOA! A flying version of Darth Vader! Scary!

Nico: Eli, can you sense him? Or is he able to block out your use of the Force?

Eli: No I sense him and he is there!

We saw a figure and it was DEMON VADER!

His breathing was completely unmistakeable.

Me: Demon Vader I presume.

Demon Vader: I've been waiting for you J.D. Knudson. We meet again at last. The Circle is now complete.

Me: Yes it is. And this tiime we're on Hoth, not the Death Star. Anakin you look good with Demon Wings. Quite an improvement.

Demon Vader: Indeed.

Obi Wan: Anakin? My God. Is that really you?!

Demon Vader: Yes Obi-Wan it's me.

He then revealed his body and he was REALLY BURNED BAD!

WE GASPED AGAIN IN SHEER HORROR!

Ymir: MY GOD! (FAINTS)

I caught Ymir.

Padme: Anny! What happened?

Nico: He was burned very badly because of the lava on Mustafar. He sustained burns over all of what's left of him.

Laney: Oh man!

Qin: HORRIBLE!

Me: As a result, Palpatine turned him into this by giving him a mech suit and Darth Vader was born.

Demon Vader: That's right.

Me: He's lucky he didn't get pushed into the lava or there wouldn't be anything left of him.

Nico: I know.

Dr. Destiny: You need to calm down!

Demon Vader: I'm afraid I can't. Not until Palpatine is dead.

Obi Wan: I will do what I must.

Demon Vader: Then you will die.

Me: Not if you die first. (IGNITES LIGHTSABER)

We clashed with him in an iconic clash!

Sparks flew all over the place as we clashed with lightsabers blazing!

Me: WOW! Just like an awesome iconic clash!

Demon Vader: Indeed it is.

Dr. Destiny charged at him and blasted him all over.

Anakin clashed with him and blasted him.

Demon Vader went at me and we clashed more!

I fired Force Lightning and electrocuted him and knocked him down and out!

Blackarachnia: Where to next?

Me: NOW! We go to Bespin.

Nico: Here we go.

We were off to Bespin

PLANET BESPIN - CLOUD CITY

We arrived on Bespin in Cloud City.

El Oso: (Spanish Accent) Nice place.

Me: Yep. Now we deal with Darth Vader.

Nico: You and Luke can handle him.

Me: Yep.

We went deep into the station.

We heard the unmistakeable breathing of Darth Vader

Darth Vader: The Force is with you young Knudson. But you are not a Jedi yet.

Me: We shall see about that.

Me and Luke went up to Darth Vader and ignited our Lightsabers.

Me: En garde.

We clashed powerfully in a powerful clash as sparks were setting much of the station on fire.

Me, Luke and Darth Vader clashed some more and we were demonstrating powerful skills of the Force and the Lightsaber and more. I threw objects at Darth Vader with the Force and Luke slashed at Darth Vader. We went down to a platform in the heart of the city and Darth Vader was there! We resumed out clash and it was brutal. We clashed all over the place and set stuff on fire and more. Luke was out on a beam and Darth Vader got the drop on him and slashed his whole hand off!

Luke screamed in pain and he clutched the stub of his arm.

I grabbed Luke's lightsaber and his severed hand.

Eli: YIKES! That must've hurt!

Me: No shit!

Darth Vader: There is no escape. Don't make me destroy you. Luke, you do not yet realize your importance. You have only begun to discover your power. Join me and I will complete your training. With our combined strength, we can end this destructive conflict and bring order to the galaxy.

Luke: I'll never join you!

Darth Vader: If you only knew the power of the Dark Side. Obi-Wan never told you what happened to your father.

Luke: He told me enough! He told me you killed him!

Darth Vader: No. I AM your father.

We gasped in sheer shock! This was one of the most shocking and biggest revelations in all of the history of television and entertainment!

Me: OH MY GOD!

Nico: I DID NOT SEE THAT COMING!

Varie: IT CAN'T BE!

Aylene C.: HOW IS THAT POSSIBLE!?

Laney: HOW CAN THAT BE!?

Lana: ANAKIN IS ALIVE!?

Lola: BUT I THOUGHT HE WAS DEAD!

Vince: HOW DID HE SURVIVE!?

Ymir: WHOA!

Luke was shocked and horrified!

Luke: No. NO! THAT'S NOT TRUE! THAT'S IMPOSSIBLE!

Darth Vader: Search your feelings. You know it to be true.

Luke: NOOOOOOOOOOOOOOO! NOOOOO!

Nico: I'm sorry, Luke. But that's the truth.

Me: He survived! And this is what he became! He killed THOUSANDS of innocent people and your father became this because of Palpatine!

Darth Vader: Luke, you can destroy the emperor. He has foreseen this. It is your destiny. Join me and together we can rule the galaxy as father and son.

Me: Not gonna happen!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD AND BANISHED TO THE BLACK ABYSS!

I gave Luke back his arm.

Me: Now for Heatwave.

Taranee: Okay.

Taranee, Undermine, Hiita the Fire Charmer, Krystal Flemmington, Lea, Shiho, Sci Twi, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Zilius Zox and Red Lantern Ratchet VS Heat Wave, Evil Flame Man, Gnat, Hotstreak, Arachne, Weevil Underwood, Poison Moth Nezire and Lego Heatwave (Theme including Undermine) - We went to Coruscant and battle a clone of Asajj Ventress

---

Heat Wave was next.

Heat Wave (to Taranee): You guys went to Coruscant earlier. You battled a clone of Asajj Ventress there.

Taranee: Yeah we sure did and she put up an amazing fight against us!

Undermine: Yeah and J.D., Anakin, Ahsoka and Eli really had fun in bringing her down there.

Hiita: She put up a good fight as well.

Sunset Shimmer: We're trying to keep up a cool theme hence why we're in outfits.

Firestorm Shimmer: It sure is fun.

Sunset Shimmer (G5): I think it's cool too.

Pipsqueak: (British Accent) I like it myself too.

Chalcanthite Aurora: (British Accent) Yeah no kidding.

Heat Wave: That is for sure! Lets do it!

Taranee used the core medals for Axel, Heatwave and Yost Molten Man and got an intense flame sword!

Taranee: THE INFERNO SWORD OF THE FLAMES OF HELL!

Heat Wave: Infernal!

Taranee: Yep. Now this. INFERNO FLAME STYLE NINJA ART: FLAMES OF THE FURY OF HELL!

They fired waves of fire and blasted them down.

Nico: He's right about one thing. We WILL destroy the Emperor

Me: That's right! Now we got to the Forest Moon of Endor for Jabba he Hutt.

Qin: Yep.

Me: Han usually he's on Tatooine but it's gonna be different this time.

Han Solo: I know.

Me: Better turn our translators on for this. Jabba speaks in Huttese.

Nico: Right.

We were off to Endor.

FOREST MOON OF ENDOR

We arrived.

Me: Here we are.

Jabba spotted us and tried charging at us. But he was too slow.

Nico:…seriously?!

Me: Been a while Jabba. Strange environment for you. Too bad we're not on Tatooine.

Jabba: Maybe so but I'm not going to let you get away!

Me: Well sorry to disappoint you but you have no choice. Also didn't you hear about what happened to your palace and all that? It's gone. They raided it and took all your loot.

Nico: You know all we have to do is outrun you, right?

Me: He's right on that. I mean, think about it. If you couldn't escape your own space carrier exploding over the Pit of Carkoon then what's the point of fighting us. You know we are all-powerful.

I smirked. He knows that I am right. But he would not listen.

Jabba: Then let us see if you are right.

Me: Just remember, you brought all this on yourself.

Kari: YEAH! It's one of our favorite days to celebrate too! We all love this holiday!

Mutio: Me too! Star Wars Day is so fun! Also Anakin has been ready for this day ever since 4 months ago.

Angewomon: Yeah and it's gonna be so fun.

KRAAAAABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Whoa!

Nico: Holy fuck!

Lando Calrissian: That blast came from the Death Star! That thing is operational!

Me: Not good!

Lando Calrissian: 01 this is Gold Leader.

Admiral Ackbar: All craft prepare to retreat.

Lando Calrissian: We won't get another chance at this Admiral.

Admiral Ackbar: We have no choice General Calrissian. Our cruisers can't repel firepower of that magnitude.

Me: My ship can Admiral. Just hang in there.

Lando Calrissian: Right. Han will have that shield down. We got to give him more time.

Nico: Right!

We were blasting more enemy ships apart. But then we got a good surprise.

Admiral Ackbar: The shield is down! Commence attack on the Death Star's main reactor!

Me: Lets do it!

Lando Calrissian: We're on our way! Red group, Gold group, all fighters follow me! (Laughs) Told you they'd do it!

Me: They sure did Lando.

We went over the Death Star surface and we went down a tunnel that lead to the Power Reactor.

Me: Here we go.

Lando Calrissian: Here goes nothing.

We flew through the tunnel.

Lando Calrissian: Now lock on to the strongest power source. It should be the power generator.

Me: Roger.

We sensed for the energy signal.

Wedge: Form up and stay alert. We could run out of space real fast.

Varie: Right.

We stayed together.

The TIE Fighters followed us and blasted an X-Wing.

Lando Calrissian: Split up and head back to the surface and see if you can get a few of those TIE Fighters to follow you.

Green 3: Copy Gold Leader.

We flew through the tunnel and we arrived at the Power Reactor.

Wedge: There it is.

It was a massive Power Reactor!

Nico: It's huge!

Lando Calrissian: All right Wedge go for the Power Regulator on the north tower.

Wedge: Copy Gold Leader. I'm already on my way out.

He fired Proton Torpedoes at the north tower and destroyed it.

Crow and Black-Winged Dragon fired a powerful blast of fire and dark energy and Roy fired a massive blast of energy from his cannon.

Crow Hogan with Black-Winged Dragon and Roy Koopa: BLACK-WINGED PLASMA CANNON BURST!

Their blasts combined and Lando fired proton torpedoes and they hit the reactor and destroyed it. We got out of there fast as the whole reactor exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We were flying through the tunnel as the whole place was starting to fall apart in a massive series of explosions and we got out of the tunnel just in time!

Me and Lando Calrissian: YEE HAW!

The whole Death Star II exploded in a massive explosion!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL EXPLOSION!

Me: BINGO!

Nico: Galactic Empire you have failed this universe!

Lincoln: You said it Nico!

May: Yeah!

Varie: Awesome!

Laney: That was epic!

Nico: We're not done yet

Me: Nope. Now we got to Jakku. We're going after the Leader of the First Order, Snoke.

Nico: WHOA!

Me: Yep.

We were off to Jakku.

PLANET JAKKU

We arrived at Jakku.

Me: Jakku.

Rey; (British Accent) My home planet.

Ymir: This is Jakku? It looks more like a junkyard for all the ships of the empire that were destroyed.

Me: That's exactly what it is.

Nico: Yep.

Me: This will be good.

Nico: Keep your eyes peeled.

Me: We don't have to.

We saw a figure in a chair and it was SNOKE!

Me: Snoke.

Snoke: The famous Team Loud Phoenix Storm.

Me: That's right. You will pay for your crimes!

Poromon pecked him.

POINK POINK POINK POINK!

Snoke: OW! You little!

She then blasted Snoke and obliterated him and banished him to the black abyss!

Me: Take that!

Nico: Awesome job Poromon!

Me: You know I always thought Snoke was Palpatine reborn.

Nico: Wow!

Me: Now for Dai Gui.

Cornelia: Okay.

Dai Gui the Demon Sorcerer of Earth was next.

Dai Gui (to Cornelia): Palpatine is gonne pay for all his crimes times infinity. including killing the Jedi.

Cornelia: Yeah that is for sure! He used Order 66 to destroy almost all the Jedi! But what Palpatine didn't expect was that we destroyed those chips in the Clones before we got to Coruscant.

Sprout Cloverleaf: Yeah no kidding! Nico and J.D. were always 1 step ahead of Palpatine. They used their powers to destroy those chips and made sure Order 66 never happens again.

Genkai: That is for sure! What that order did was very similar to the Holocaust.

Starlight Glimmer: No kidding there and that was horrible!

Moonlight Glimmer: I agree there as well. Palpatine is never going to do anything like Order 66 ever again.

Starlight Glimmer (G5): Now we have our own Order 66 and that is Death to The Sith.

Cozy Glow: Which we have been doing and it's awesome.

Raven Bishop: I agree there as well.

Hex: No kidding!

Dai Gui: That is for sure! Go get him guys! Lets do it!

Nico: Where to next?

Me: Planet Crait. We're going after Kylo Ren next.

Qin: Awesome.

We were off.

PLANET CRAIT

We arrived at Crait.

Me: Planet Crait.

Ymir: Amazing.

Nico: Where is he?

Me: There.

We saw KYLO REN! And he had a bunch of AT-AT's with him too.

I went over to face him.

Kylo Ren: Did you come here to say you forgive me? To save my soul?

Me: Not at all. I came here to kill you.

I ignited my lightsaber.

Me: You will pay for your crimes.

Kylo Ren ignited his Lightsaber and it had blades in the hilt.

I flared up my rainbow aura.

Me: I will never forgive you for everything you've done.

We went at each other and we clashed violently in a massive clash and sparks were flying all over the place and setting much of the planet on fire and I fired powerful blasts of Force Lightning and energy blasts and they hit by him and exploded in massive explosions of fire and more.

KRABBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOOOOOMMMMM!

Me: How could you kill your own father in cold blood like that!? Han Solo was your father! The man who helped raise you!

Kylo Ren: He was weak! I killed him because he was holding me back! From destroying everything!

Me: You are a lost soul. All that power and you have no love for anyone but yourself. I pity you.

Kylo Ren: I'm sure you do! The Resistance is dead! The war is over! And when I kill Luke, I will have killed the Last Jedi!

Me: You are completely delusional. You don't have any idea how wrong you are. The war is just beginning. Luke is no longer gonna be the last Jedi.

Kylo Ren knew I was right. He saw into my eyes blazing with fury.

Kylo Ren: I'll destroy her, and you, and all of it.

Me: No. Not if I kill you first. Strike me down in anger and I will always be with you more powerful than you can ever imagine. Just like your father when you killed him.

Kylo Ren then came at me with incredible rage and I teleported into the air.

Me: NOW!

The AT-AT's and ships all exploded in massive fiery explosions as energy blasts and elemental blasts hit them and destroyed them.

Lincoln: LIGHT STYLE NINJA ART: STORMTROOPERS!

They fired blasts that turned into said armies and they overpowered and destroyed all of the ships and AT-AT's in an instant!

I went at Kylo Ren and slashed his stomach and cut him open.

Me: I've had it with this guy.

I summoned Phoenix Rebirth Dragon.

Ludwig Von Koopa: Lets get him.

I fired blasts of fire and Phoenix Rebirth Dragon fired a massive blast of fire and Ludwig Von Koopa fired blasts of energy.

Ranamon (to Stacy): Anakin's Akuma is a demon winged version of Darth Vader. Scary, huh?!

Stacy Bolton: You're not kidding there! His name is Demon Vader and he was made because of Palpatine's crimes and turning him to the Dark Side of the Force and making him kill all those innocent people! He was essentially turned into a Monster with regret.

Amira: Yeah that was horrible all that happened to him. Not only that but we battled him on the planet Hoth which was REALLY Cold!

Aria Blaze: Yeah but it was awesome. Also he showed his face and MAN WAS HE burned bad! He had burns over all of his body after showing his body.

Ranamon: My word! That is terrible!

Aria Blaze: Well if you remember, he got severely burned by the lava on Mustafar and had sustained burns over all of his body! And he lost both of his legs and his left arm!

Mz. Ruby: GEEZ! He went through hell!

Rundas: That is an absolute understatement!

Pinkie Pie: I feel sorry for this version of Anakin though. Padme did too.

Maud Pie: (Monotonously) He lost all his hair and was burned very badly.

Citrine Pie: He even had most of his body replaced by machinery. J.D.s data eyes scanned his machinery and it was amazing.

Pinkie Pie (G5): Yeah that was awful that happened to him. Palpatine is a BIG TIME PARTY POOPER!

Nico: How many left?

Me: Now it's time for Palpatine.

Nico: About fucking damn time!

Qin: I know.

Me: Well the wait was worth it. We're heading to Exegol.

Nico: It's time to get after Palpatine and end him for good.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Palpatine is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Palpatine saw it, and he let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bastard.

Nico: Okay, now we can get after Palpatine without any other nasty surprises from those pack of snakes.

We took off.

PLANET EXEGOL!

We arrived and it was a scary planet.

Me: Exegol.

We got there in time to see Palpatine raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from his toxic hate.

Lincoln: That's right, keep at it, either way, you're done for good, Palpatine.

Suddenly, the spirits of the Jedi appeared and they attacked Palpatine and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Palpatine even more pissed off than ever.

Me: Hello Palpatine! Miss us?

Nico: You got some nerve coming back again, Palpatine.

Me: But, either way, you're finished. You're going to pay for everything you've done, Palpatine!

Lincoln: We already took care of Jabba The Hutt, Tarkin, and Jango Fett and threw them in prison and we got rid of Snoke along with the clones of Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2 to The Black Abyss. Now, all that's left is to kill you, Palpatine.

Palpatine: YOU! YOU! I WILL KILL ALL OF YOU!

Palpatine fired Force Lightning, but Lincoln deflected it and fired his own Force Lightning at Palpatine, and it hit Palpatine and he suffered a lot of pain.

Eli: After everything you've done, you're gonna suffer dearly for all of your crimes, you traitor to The Galactic Republic.

Anakin: You're going to pay for what you've done, Palpatine.

All of the other Jedi lit up their lightsabers.

Eli: Palpatine, in the name of The Galactic Republic, you are under arrest!

Caleb Maxwell: And I'll skip the trial and declare you guilty of all your crimes, and you are hereby sentenced to death. And don't even think of lying saying you were doing this for the good of the galaxy, your heart is as rotten and black as the darkest of souls, and I've killed a lot of them in the past.

Jack Howard: You can't worm your way out of this one.

Cage Blunt: Now, we're gonna make sure you die a slow and painful death for your crimes.

Me: We are going to unleash the powers of all the planets of the Universe on you!

Palpatine: Anakin, you were like a son to me. If you rejoin me, there still might be room for you in our happy family.

Anakin: Padme was my family. And you manipulated my feelings for her!

Me: And you made Anakin kill THOUSANDS of innocent people!

Anakin: You were wrong about everything! The Jedi weren't evil! YOU ARE!

Me: And you made him kill all of the Jedi over a lie!

Nico: YEAH!

Me: Also don't even bother summoning your clones! We removed those chips from them and made sure you can't do another Order 66!

Palpatine: Ah, speaking of clones, Captain Rex, how is CT-5555?

Captain Rex: If you're talking about Fives, he's been better. Now that he's about to be avenged!

Palpatine: You will be joining your pathetic fellow clone soon enough!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF PALPATINE TO NO END! NOW, THE BATTLE FOR THE FATE OF THE GALAXY WAS ON!

Lincoln, The Star Wars Keyblade Knights, Anakin, The Jedi, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Palpatine, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Palpatine and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, The Star Wars Keyblade Knights, Anakin, The Jedi, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Palpatine even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Palpatine and he got hit hard and one of the blasts hit the Monitor Orb embedded in his forehead and shattered and not only did we gain a massive power boost, but Palpatine screamed in agony as he clutched his head in pain.

Caleb Maxwell: I can do a lot worse.

Timothy Maddock: Here you go, Caleb. Try this.

Timothy Maddock handed him a black bull whip made of strong durable leather.

Caleb Maxwell: Ah, perfect. Time to clean this mess up.

Caleb Maxwell grabbed the whip, and...!

Caleb Maxwell: HAH!

WHOOSH!

Palpatine: (SCREAM OF TERROR)

WHIP CRACK! SLASH!

Palpatine: (SCREAM OF PAIN)

Caleb Maxwell started slashing him on the back with the whip, and blood came out of his wound.

Racheal: Oh, not again.

Alex Maddock: (British Accent) And we're not in a freezer room, so this is really going to make it bad for him.

We saw Caleb continue to lash at him with the whip.

Caleb Maxwell: BLEED FOR ME!

SLASH!

Palpatine: (SCREAM OF PAIN)

Me: DAMN!

A few minutes later, he started begging for mercy.

Palpatine: Please, stop! I'll turn myself in! Please!

SLASH!

Caleb's response: he kept slashing at him!

Caleb Maxwell: I don't care, you're still gonna pay.

There was nothing he could do to stop Caleb.

Caleb Maxwell: You don't deserve to live at all!

SLASH!

Palpatine: Please, I will turn myself in, I will! Please, just spare me!

They begged him, but Caleb Maxwell approached them, and he had an insane look in his eyes and an even more insane bloodthirsty grin on his face.

Caleb Maxwell: Sorry, but to me, you're a loose end that need to be tied up, so I can't let you go, you understand, right?! (LAUGHING MALEVOLENTLY)

Palpatine: (BLOODCURDLING SCREAM OF TERROR!)

Caleb Maxwell continued slashing him with the whip, and forty-five hits later, Palpatine was really, and I MEAN, COVERED IN WHIP LASHES AND BLOOD WAS RUNNING DOWN FROM THE WOUNDS!

This is for all the lives lost thanks to you!

Jenna was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Kelly Krupp!

Kelly Krupp: NO! We control the power. It doesn't!

They concentrated and reigned in the powers of Lickitung and Hypno and transformed and blasted Palpatine all over.

Me: Take that!

We fired waves of energy and blasted Palpatine all over.

Palpatine: Your feeble skills and powers are no match for the power of the Dark Side!

Palpatine tried shooting Force Lightning at us.

Lincoln deflected it back and blasted him down.

Me and Eli fired massive blasts of lightning and electrocuted him.

Nico: Feeble nothing!

Me: We're more powerful than you EVER WILL BE! We are the light in the darkness and also the most powerful force of good! NIGHTMARE TO YOU!

Nico punched him!

POW!

Nico: YOU MAKE ME SICK!

Nico fired a massive blast of energy and blasted him.

We fired a massive blast of energy and blasted him all over.

Me: Lets finish this! First the rest of the battles.

Davis: Okay!

Davis Motomiya, Krypt King, Eria the Water Charmer, Kamen Rider Kenzan, Kamen Rider Slash, Kamen Rider Saber, Kamen Rider Blades, Princess Celestia, Dawn Eclipse, Princess Celestia (G5),

Mercurymon was next.

Mercurymon (to Davis): Palpatine is the ultimate monster! He should've been killed before he rose to power.

Davis: That is for sure there! Palpatine was a monster from minute one of his birth and there was intense evil inside him.

Krypt King: That is for sure! What he did was horrible and awful times a million!

Eria: Yeah I agree there! Hard to believe a man from Naboo can cause so much damage to countless planets all over the galaxy! The only planet he didn't affect thank goodness was Earth.

Princess Celestia: Yeah we dodged a HUGE Bullet on that. Also we found out that the Star Wars timeline is set during the year 1812.

Jamesdean5842: Well it doesn't say what time it takes place in specifically but we'll say it takes place in that.

Dawn Eclipse: Good idea. But that would mean it takes place during the War of 1812.

Princess Celestia (G5): So while America was having its forgotten war with France, the war in the Galaxy was raging on brutally.

King Solar: That is for sure and it was intense.

Solar Eclipsa: Yeah no kidding.

Amber Morning: I agree too.

Spotlight: Yeah. But Earth became involved when J.D. became a

Jedi.

Mercurymon: That is true. Lets do it!

Davis used the Core Medals for Mercurymon, Sakkakumon and MetalTyrannomon and got a metal sword!

Palpatine electrocuted us with Sith Lightning, seemingly killing us.

Palpatine: I...I did it! YES! I HAVE KILLED TEAM LOUD PHOENIX STORM AND THE JEDI!

?: No, you haven't.

We suddenly got up, looking like zombies and approached him.

It was an illusion of us as ZOMBIES! WE THEN PILED ON HIM AND MAULED HIM INTO PIECES!

Lincoln and his harem: Now, for the grand finale, we've had it up to hear with you, Palpatine, now pay for the crimes you've committed against the galaxy! JEDI FINAL SMASH: JEDI EXPLOSION!

Lincoln and his harem fired a massive green-blue Jedi powered Ki blast at Darth Sidious which explodes on contact as it hit him, and he was torn apart and his evil spirit was sent to The Black Abyss.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind her head, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized black and dark blue planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Gallie Geonosis, Talia Tatooine, Connie Crait, Sena Scarif, Eowyn Endor, Jenna Jakku, Brianna Byss, Brie Bespin, Maridia Amidala, Kammie Amii, and Elrena Exegol are permanent.

Me: We did it, it's finally over!

Nico: Palpatine is finally gone forever, and he's never coming back.

Lincoln: That's for sure, and now, the galaxy is finally safe once and for all from Palpatine. Now, there's one last thing to do and one last loose end to tie up: Mozenrath.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of magic and the magic blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Mozenrath.

A figure came out, and it was none other than Mozenrath.

Lincoln: I knew you'd also show up here again, Mozenrath, and if you're back, that also means the other old enemies of Agrabah are also back as well, and of course, I'm gonna enjoy giving them Hell when I see their ugly faces again. And you're next, Mozenrath.

Mozenrath: You will not live to confront the others, for you will all be destroyed!

Caleb Maxwell glared at Mozenrath with hatred.

Caleb Maxwell: SHUT YOUR MOUTH, BITCH!

SLASH! SCREAM!

Caleb Maxwell took out a dagger and slashed Mozenrath right in the mouth! OUCH!

Me: Dang!

Nico: Damn, that is brutal.

Acantha Nightshade: Okay, I think it's time we put you down for good.

Suddenly, Acantha Nightshade's red eyes turned neon red and she was surrounded by a black and red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, phoenixes, and angels, she unholstered her massive fire greatsword, and as she approached Mozenrath, she left black and red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, phoenixes, and angels with every step.

Acantha Nightshade: It's bad enough with our old enemies returning to show up to cause trouble, now you return to cause us even more grief. We already got enough of that with those walking piles of sludge, Dark Sebastian and his minions, now I think it's time we got rid of you for good, Mozenrath.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ACANTHA NIGHTSHADE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Mozenrath except for his clothes and Lincoln drained Mozenrath's soul completely dry of energy and power and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And this is goodbye and good riddance forever, Mozenrath.

We cheered wildly as we holstered our weapons and powered down and Acantha Nightshade's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black and red planets orbiting around her legs, thirty-five smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Acantha Nightshade: And this is goodbye and good riddance forever, Mozerath. Thank you for helping me destroy Mozenrath for good, Linky. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Acantha.

Me and Nico: Our pleasure, Acantha.

Suddenly, Acantha Nightshade wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Acantha Nightshade's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Acantha Nightshade sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Miozenrath.

Lincoln: Yep. Now, we're rid of him for good.

Nico: That second-rate Jafar got what he deserved.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw water forming and paintings form and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters along with water and paintings.

Selene Arcangela: There's only one person who has paintings and water as part of her specialty in The Witchcrafter Artisans Guild: Camille Swanson, Avatar and Gene-Slammer of Witchcrafter Pittore.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Camille Swanson, Avatar and Gene-Slammer of Witchcrafter Pittore, is Lincoln's Guardian Angel from Michigan and she's a powerful master of water, paints, and magic. She's the Painter of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Camille Swanson met Lincoln, and this one time, she and Lincoln created amazing paintings, and they also made amazing and beautiful paintings for art shows all over the United States. Plus, she really helped him with mastering the powers of water, paints, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a blazing passion because he tried to steal the paintings they've made not only to sell them for a quick buck, but he also did it out of spite to satisfy his need to cruelly humiliate and torture Lincoln, and the stupid mutant got his three butt-cheeks kicked and he got sent back to prison again, and she also sent a warning to his entire family: next time he did this, she was going to kill him and every last one of them and mount their heads on stakes and parade them all over the city!

Nico: What?! That goddamn...!

Me: This proves how greedy and stupid Flip is!

Lincoln: His greed and stupidity will always be his undoing, and it was also the downfall of his entire family, serves them right.

Eli: What an idiot.

Suddenly, we all felt a horrific darkness, then, the skies turned blood red and demonic, and then, we saw the seal that God had placed appear in the skies, and then...!

A MASSIVE TORNADO OF BLACK DARKNESS ERUPTED AS THE SEAL BROKE!

Then, as the black tornado faded, what stood in the dark tornado's place were none other than Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, they were freed from Hell and they were now out for blood!

Me: Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Nico: So, you fucking snakes have decided to return from Hell, huh?!

Aragon Necroshade: SHUT THE FUCK UP, YOU PIECE OF SHIT! NOW, DIE!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, but then...!

A MASSIVE BLAST OF ENERGY CAME CRASHING DOWN ON THOSE SNAKES AND THEY STOPPED DEAD IN THEIR TRACKS!

King Kai: (Telepathically) You and your minions better leave right now, Dark Sebastian, or you're going to be in worse trouble than getting trapped in Hell.

Dark Sebastian let out a demonic shriek from Hell, as he, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra ran away and flew off!

Nico: Thanks for that, King Kai.

King Kai: (Telepathically) No problem. But, I've got to talk to you: when tomorrow comes, you're gonna need to watch out for those snakes, they'll probably take the battle to Hell which of course also has more of Dark Sebastian's traps as he'll summon demons and monsters to help, and they're also not gonna accept defeat, in fact, they'll transform into demons and try again.

Lincoln: Sore losers, but I've got a surprise for them, but that's where the powerful abilities and powers of The Shining Rainbow Master Sword come in: after The Shining Rainbow Master Sword received its upgrade and got The Elements of Harmony embedded in the blade along with The Unity Stones and merged with my greatsword transforming it into Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel

Me: Wow!

Selena Mendez: But, for Dark Sebastian, when a rainbow light helix blast hits him, it'll cause him to transform into an extremely horrific and horrendous demon when The Black Ooze of The Eldritch is exposed to something that pure and powerful.

Nico: We'd seen him lose control and The Black Ooze of The Eldritch had shown itself many times in its true form.

Vegeta: Yes, however, you're gonna need to drive him that completely mad to make him finally lose control, Selena.

Selena Mendez: That you can count on, Master Vegeta. But, now, tomorrow, The War Against The Forces of Darkness is on.

Me: It sure is.

Heatwave: Nice job with the zombies, Dr. Destiny!

Dr. Destiny: Thank you.

Ranamon: That was very clever.

Dai Gui: It sure was.

Me: Boy no kidding! Very well made!

Arbormon: Let's celebrate the defeat of the Sith!

Mercurymon: Anyone know good restaurants around here?

Me: Well on Exegol there were none. But we're back on Earth thank goodness.

Camie: Yeah.

Nico: Plenty here. Lets head to the Chili Dog restaurant.

Sonic: Good idea!

Nico: Great job today everyone!

Anakin: (To the viewers) The Sith are gone forever and Star Wars day was the funnest we've ever had.

Me: Yeah it was!

We went to the chili dog restaurant and had awesome chili dogs.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down Palpatine and sent him and Snoke along with the clones of Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2 to The Black Abyss, sent Jabba the Hutt, Tarkin and Jango Fett to The M.O.E., destroyed Evil Anakin for good, helped Lau Wong and freed Rei Jenron from the evil spirit and freed the souls of Yohfa and Naguri Tensai, and pissed off Dark Sebastian and those pathetic snakes again. But, now those snakes are out, and the war is going to begin tomorrow, but we're ready for them now.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others joined in.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his fifty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END!

Another awesome fanfic done.

Star Wars Day is awesome and fun! Also this was to honor James Earl Jones who passed away earlier.

May he rest in peace.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Japan, but we got bad news: a guy from Caleb Maxwell's past has called us for help, his name is Haruki Takahashi, he was a young man Caleb had known in the past when he was in high school: Haruki was one tough badass man and none of the students in Caleb's high school were able to fight back, he had incredible superhuman strength and he never lost a fight. Caleb knew of that reputation from some kids who lived in Japan, but when Caleb talked with Haruki's parents, they showed him another side to Haruki: Haruki's actually a nice guy, and this one time, Haruki saved Caleb when he saw him being brutally attacked by Caleb's evil ex-younger brother, Drake Maxwell, and he drove Drake away.

They became good friends even all the way to graduating from high school and getting into college, plus, he knew of all the times Caleb had been betrayed by those he once considered his friends and lost a lot of friends thanks to tragic incidents, and he also knew of Caleb's secret: that Caleb, Allie, his mom, and their mom's relatives are connected to the vampires in New York. But, Haruki stood with Caleb as a true friend despite all those dark incidents, but in 1985, he got the word of Caleb's murder at Drake's hands, and he wanted to avenge Caleb, but he couldn't since he was under the protection of The Syndicate, and he had no choice but to return home to Japan. But, he hadn't forgotten about his friend, and in 1993 when Caleb returned, the two of them met again, but he saw that Caleb had undergone a dark transformation and became a dark immortal angel of vengeance, but he did see the traces of the Caleb he knew from long ago.

Now, we got word from Haruki that a nihilistic asshole and his entire family are going around killing people, and Lincoln's going to find out that this nihilistic asshole is none other than his old enemy, Dustin Keystone, and he and his entire family of nihilistic murderous assholes are back from The Black Gates, and they are going around killing anyone who got in their way. This is the last straw, and we're going to hunt them all down and kill them, but as for Dustin Keystone, Lincoln's going to use a special curse on this nasty asshole: it's called THE CURSE OF THE VENGEANCE OF THE HUNDRED QUINTILLION SOULS OF THE INNOCENT! It's a very deadly and powerful curse that Lincoln created for that miserable bitter old vulture, Charles Montgomery Burns, and his old enemy, Dustin Keystone, and his entire family of nihilistic murderous assholes, and Dustin Keystone will not only be sent to The Black Abyss, but that also includes his entire family of nihilistic murderous assholes, and we'll make absolutely sure they're never ever coming back.

And we're going to meet Camille Swanson, Avatar and Gene-Slammer of Witchcrafter Pittore, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of water, paints, and magic. She's the Painter of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a blazing passion because he tried to steal the paintings they've made not only to sell them for a quick buck, but he also did it out of spite to satisfy his need to cruelly humiliate and torture Lincoln, and the stupid mutant got his three butt-cheeks kicked and he got sent back to prison again, and she also sent a warning to his entire family: next time he did this, she was going to kill him and every last one of them and mount their heads on stakes and parade them all over the city!

Next up is a battle of the Mexico Gods as we go to Mexico and battle Dark Punguari and Ucumu and it's gonna be so awesome as we find out that Ronnie Anne knows Punguari the Mexican Goddess of the Moon and we're going to battle Ucumu the Mexican God of the Underworld!

See you next time.

CINCO DE MAYO 2024 BATTLE OF THE GODS

This is for The Casagrandes Movie!

HAPPY CINCO DE MAYO 2024 EVERYONE!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Mexico, but as he was flying, he saw the skies turn black and he also saw the symbol of Apophis and The Dark Church of Malphas in the skies. Suddenly, he saw a girl fighting them: it was Punguari, The 12,800 Year Old Goddess of The Moon and a friend of Ronnie Anne and her family, along with her parents, Sisiki, The Immortal Goddess of Earth, and Chipiri, The God of The Sun. But, then, Dark Sebastian fired a blast of poisonous darkness at Punguari, and she got hit: he was trying to bring back the evil within her, and she's trying to fight back.

Lincoln: You goddamn...!

Suddenly, heavenly lights shined down, and the Heavens fired a beam of light that hit Punguari and it not only removed the poisonous darkness that snake infected her with, but she suddenly ascended to become a full Goddess of The Moon. But, the poisonous darkness she was hit with had transformed into Dark Punguari, and this pissed off Dark Sebastian and his cronies, who then ran to a location not far from here, as Dark Punguari plotted to get The Mask of Many Faces to awaken a dangerous god: Ucumu, The God of The Underworld. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified including Ronnie Anne.

Ronnie Anne: This is not good. Punguari, Sisiki, and Chipiri are lucky to have survived, and I'm so glad you freed Punguari from the darkness, but now, we got trouble: Dark Punguari is now loose and she's going to free Ucumu from his prison.

Selena Mendez: This time, that snake has gone too far. He tried to attack The Aztec God of The Sun, The Aztec Goddess of The Earth, and The Aztec Goddess of The Moon.

Camie Elextor: Now, he's starting to piss us off like Dark Chase Young is doing already. But, thanks to the sudden divine intervention, Punguari has suddenly ascended to become a full Goddess of The Moon.

Lincoln: We're gonna need all the help we can get in order to stop Ucumu. But, this means...!

Ronnie Anne: Yep, I'm telling Mom and the rest of my family about this. They're gonna be really mad at those snakes for what they did.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Syd Woke up to see Galarian Rapidash staring at her.

ROOSTER CROW!

Syd: WHOA! Morning Galarian Rapidash and morning Cleo.

Cleo the Jungle Fowl nodded.

Galarian Rapidash: Morning Syd. Time for breakfast.

Syd: Oh boy!

ZOOM!

She went and got dressed and went to the table.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Mexico.

Then, Lincoln explained everything, but once he was done, Ronnie Anne's family were really mad at what happened.

Maria Santiago: Why, that rotten blackhearted snake!

Rosa Casagrande: (Spanish Accent) What he did was unforgiveable!

Mama Lupe: (Spanish Accent) But, this is beyond bad. Now that Dark Punguari is out, she's going to get The Mask of Many Faces and awaken Ucumu.

Me: The Aztec God of the Underworld!?

Nico: And Punguari the Goddess of the Moon?! That is cool!

Ronnie Anne: That's right.

Carlos Casagrande: If that happens, he'll unleash his armies of The Underworld on the entire world.

Frida Casagrande: We've got to stop them both.

Carl Casagrande: But, how can we do that especially with those snakes running loose?

Carlota Casagrande: And I don't think the foiling of their traps will help this time.

CJ Casagrande: Whatever the case, we got to stop them.

Carlitos Casagrande: That'll be for much later.

Bobby: He's gonna pay for this big time.

Mariposa Santiago: That's for sure, and I thought Sergio was a big pain in the pompies, but that evil snake and his cronies are the worst.

Suddenly, we saw tornadoes of fire, earth, and stars appear, and as they faded, there stood three figures familiar to Ronnie Anne and her family.

Ronnie Anne: (GASPS) Punguari, and Lady Sisiki and Lord Chipiri.

Ronnie Anne and Punguari hugged.

Me: The Aztec Goddess of The Moon, The Aztec Goddess of The Earth, and The Aztec God of The Sun?! Wait, you know them!?

Maria Santiago: Uh oh. I guess the jig's up. Yes, we know them when we went to Mexico years ago before you moved in, and Punguari took on the name of Shara and she manipulated Ronnie Anne into getting The Mask of Many Faces, but unlike with Morag, Punguari saw the error of her ways and she redeemed herself. (To Punguari) Plus, we know of what happened thanks to Lincoln.

Chipiri: (Spanish Accent) We know, we felt his presence when we were fighting those diablos.

Sisiki: (Spanish Accent) And he freed our daughter from being turned back into what she was before being redeemed.

Me: It's an honor to meet you.

Punguari: Pleasure too J.D.

Nico: You really are a noble knight, Lincoln, especially to the children of The Gods and Goddesses.

Punguari: That he is. (Sees that someone is missing) Hey, where's Sergio?

Lincoln: Uh, about that.

Lincoln explained to Punguari, Sisiki, and Chipiri about the whole situation with Sergio and about the revelations that his Guardian

Angels have told about that repulsive rat with wings.

Punguari: Wait, he did all that?! I can't believe him, so all that heroism was just an act, he was really a repulsive rat with wings with a hideous heart of darkness.

Maria Garcia: (Spanish Accent) That's correct, and he and Kurata were sent to The Black Abyss, Sergio is now a forgotten memory forever.

Paco: (Spanish Accent) Si, that's for sure.

Me: Lincoln told us all of the situation, and we're gonna need all the help that we can get to fight Ucumu and Dark Punguari, and we've killed evil gods before, Ucumu will be no exception.

Chipiri: (Spanish Accent) Gracias, J.D.

Sisiki: (Spanish Accent) We've heard of all of your deeds from the others, and we know you will all put an end to Ucumu and the dark side of Punguari forever.

Nico: So, we got a huge battle today: putting an end to Dark Punguari and Ucumu.

Lincoln: And I got the list of which members of The Order of The Dark Universe and The Dark Church of Malphas we're facing.

Lincoln got out the list.

Ronnie Anne: That'll be for after we get rid of Dark Punguari and Ucumu.

Punguari: That's for sure.

Suddenly, Punguari walked up to Lincoln.

Punguari: And I want to thank you for saving me from what I almost became before Ronnie Anne and her family made me reflect on the error of my ways, Lincoln.

Lincoln: You're welcome, because unlike with Morag, you saw the error of your ways thanks to Ronnie Anne and her family who got through to you, and you redeemed yourself to stop Ucumu long ago.

Suddenly, Lincoln wrapped his massive muscular arms around Punguari's waist and they kissed, and then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Punguari with indigo gems on the gold lightning bolts and indigo crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Punguari saw it and she had tears of joy as she and Lincoln kissed again.

Ronnie Anne: That really is sweet Punguari's now joined Lincoln as one of his future wives.

Lincoln: She needed help along with her parents, and that came true both in the dream and in real life. Alright, now let's finish breakfast, we got a full day of fun ahead of us.

Nico: Along with a battle against an evil God of The Underworld and the dark side of The Goddess of the Moon.

We finished our breakfast, and we headed out to take down the next villain for Nico's rescue, and we also welcomed Punguari, Sisiki, and Chipiri into Team Loud Phoenix Storm, and as we saw, Punguari is now part of Lincoln's harem and one of his many future wives.

BASH! SMASH!

Everyone cheered!

Ymir: TAKE THAT!

Me: Nice shot Ymir!

Ymir: Yeah! Ooh multi-flavor tootsie rolls!

Me: Those are my favorites.

Tara Duncan: YEAH!

Hudson: Boy you guys sure like having fun!

BASH! SMASH!

Tara Duncan: I love smashing piñatas especially these sour jerks!

Nico: YEAH!

Tara Duncan: Oh boy Gummy Krabby Patties!

SpongeBob: Those are my favorites.

Punguari formed a moon stick and bashed a big Sour!

KRASMASH!

Me: YEAH!

Nico: WOW! Nice one Punguari!

Ronnie Anne: That was awesome!

Nico: I'll say!

Blast Hornet: Boy I haven't had this much fun in a while!

Les Galagoogoo: Yeah!

Nico: Blast Hornet, I want to thank you, Killer Needle, and your teams for coming.

Blast Hornet: No problem Nico. This is fun!

I smashed a Sour!

KRASMASH!

Out came lots of bags full of jellybeans!

Me: Ooh Jelly Belly beans my favorite!

Nico: Mine too!

Nico: So, Killer Bees, tell me all about how you like causing trouble in the valley?

Bees: Well we just like doing pranks. Not causing trouble directly.

Me: That's okay. As long as you sting the crap out of Ninja Monkeys.

Ymir: Yeah.

Bees: Yeah we have fun.

Nico: Good enough.

Camie: Yeah.

KRASMASH!

Camie bashed a Sour and out came a bunch of gold coins.

Camie: Ooh gold coins?

Ella Elephanilla: Look closer.

She took off a wrapper and it was a chocolate coin.

Camie: Ooh Chocolate Coins my favorite.

Me: Cool!

Rabbit: It's true. The bees are annoying. But they're not that bad.

Bees: Yeah we get the job done.

Me: Cool.

Nico smashed open a Sour!

KRASMASH!

Out came NUMEROUS Cookies and cream candy bars!

Nico: COOKIES AND CREAM CANDY!

Me: YEAH!

Langston: Stuffed that one special just for you Nico.

Nico: Thanks!

Me: YEAH!

Lincoln: Boy the Sours are coming at us a lot!

Me: All the more reason to bash them into dust for candy on Cinco De Mayo!

A Sour Mallowolf tried to bite Nico on the butt!]

But Punguari fired a blast of energy and blasted it apart and out came Butterfinger Bars!

Me: Ooh Butterfinger Bars! Homer and Bart love these.

Punguari: I can see that.

Nico: Thanks Punguari.

Punguari: You're welcome.

Me: Nico look out!

He saw a Sour Bonboon coming and Pain-Yatta smashed it and out came Mambo Fruit Snacks.

Eli: Ooh Mamba Fruit Snacks! My favorites!

Nico: Whew! Thanks J.D. and Pain-Yatta.

Me: No problem!

A Sour Macaraccoon tried to bite Nico on the hand

But Eddy smashed it!

KRASMASH!

Out came JAWBREAKERS!

Ed, Edd and Eddy: JAWBREAKERS!

Nico: Whew! Thanks Eddy!

Eddy: Anytime!

Me: Boy there's no end to them! But look at all this candy we're piling up!

Ronnie Anne: I know! So many awesome kinds!

Pretztail: Yeah no kidding there! It's fun though!

Me: It sure is! WHEW! Man what an awesome Star Wars Day!

Nico: We took down a lot of Anti Monitor's minions on the main mission

Me: You got that right!

I smashed a Sour!

KRASMASH!

Out came 3 Musketeers Chocolate Bars.

Me: Oh boy 3 Musketeers Chocolate Bars. My favorite!

Varie: Mine too.

Nico: Wow! That has to be a record!

Hudson: It sure is!

Maria: It was nothing but us fighting Star Wars villains.

Me: Yep.

Maria saw a Sour coming and then..

KRASMASH!

Out came Oompa Candy!

Maria: Oh boy! Oompa Candy!

Nico: Yummy!

Me: Boy we fought one villain after another leading up to Palpatine.

Tsuyu: We sure did!

Tsuyu used her quirk and grabbed a Sour Sherbat with her tongue and smashed it and out came bags of gummy worms!

Tsuyu: Oh boy Gummy Worms!

Nico: And we put an end to Palpatine's reign of terror.

Me: We sure did! Now the terror of Palpatine is nothing but a forgotten memory along with all the Sith.

Lincoln: That is for sure!

Ymir: I still haven't gotten over the shock about what happened to Anakin's Akuma when he became Demon Vader. He was badly burned!

Me: No kidding!

A Sour Shellybean was behind Manaphy but she farted skittles and shredded it and out came Ring Pop candy.

Manaphy: Oh boy! Ring Pop Candy.

Lana: I haven't had those in forever.

Me: All in all, it was a really eventful Star Wars Day.

Varie: It sure was.

Nico: Hey You know what would be the stupidest costume for me to dress up as?

Me: What? A Condom?

WE LAUGHED HYSTERICALLY!

Nico: (LAUGHS) No but that is my second option. I would not want to dress up like a piñata.

Me: No because everyone would bash you all over the place.

A Sour Sherbat tried biting Poromon

But Poromon sensed it and pecked it and out came Mr. Mind!?

Me: Mr. Mind!?

Poromon: OH BOY! The Main Course!

NIco: We have something special planned for your defeat. So for now, you get to go somewhere far away!

Mr. Mind: Oh really!?

CHOMP!

Poromon ate him like he did before!

Poromon: (BELCH)

His spirit came out and we sent him to the Book of Vile Darkness Dimension.

Me: That always is funny!

Gira: It sure is!

Poromon: Yeah!

Hudson: We found him and put him in a sour.

Me: Looks like Poromon got another helping of Mr. Mind Stew.

We laughed!

The Sour Sherbat tried to bite Poromon again But he farted and shredded it and out came a bunch of Shock Tarts candies.

Me: Ooh Shock Tarts! Sour but awesome.

Lincoln: Haven't had those in a long time.

Me: Yep.

Horsea: I'll say!

A Sour Crowla tried pecking Tentacool. But her gelatinous body was not affecting her.

Tentacool: That tickles.

She fired a laser blast and blasted it and out came Trolli Melon O's.

Qin: Oh boy! I haven't had these candies in forever.

Nico: Boy so many candies we missed out on.

Ymir: No kidding

Punguari: How did the mascots learn how to fart skittles?

Jirachi: You have my Akuma to thank for that.

A Sour Profitamole tried biting Poliwag but his tail slapped it and bashed it into pulp. Out came a bunch of gumballs.

Me: Ooh gumballs!

Lola: Yummy!

She chewed one and blew a bubble.

POP!

We laughed!

A big crocodile Sour came at me and I bashed it and out came a bunch of boxes of twinkies!

Me: Oh boy Twinkies!

Hudson: We found those and figured you would like them.

Me: Thanks Hudson.

Megan Blickensderfer: Maybe I can cheer up Becky with these. She and I loved these.

Me: Who DOESN'T like Twinkies.

Hudson: That was also a Sour Cocoadile.

Me: He sure was a big one.

Camie: Yeah.

Xenia: I'll say.

Then 6 more Sour Cocoadiles came.

Me: Watch this!

LOUD CRUNCH!

I cracked my knuckles loud!

Ed: WHAT A PEST!

Edd: That's disgusting.

Ed: MAKE HIM STOP!

The Sours exploded and out came boxes of different flavors of Twinkies including GHOST PEPPER HOT TWINKIES!

Me: Ghost Pepper Twinkies!? That is crazy!

Nico: HOT!

Me: I'll eat these.

Nico: Okay.

Eli: I think that's the last of the Sours.

Me: Yep.

Lincoln: Okay, guys, we're here for one awesome battle, we're here on Piñata Island, but here's the bad news: it appears Professor Pester has returned from the dead, and there's also a clone of the Monster from Mexico here.

WE GASPED!

The rest of the team's with us.

Nico: It's been years since Pester's returned, and that clone of The Monster from Mexico's here too? Well, they're both in trouble.

Me: We're sending them to The Masters of Evil to teach them a lesson.

Lincoln: That's for sure.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his fifty massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Professor Pester and the clone of the Monster from Mexico) Aha! Gotcha! I just spotted Professor Pester and the clone of the Monster from Mexico, they're 20 yards away, but they're coming after us, and I also sensed some of Ucumu's demons.

Chipiri: (Spanish Accent) Ucumu's about to return soon.

Punguari: He's already sending his army of demons after us.

Nico: Let's get them.

Ingrid heard a Pokemon cry

Ingrid: Look guys!

We saw a Houndour!

Me: Cool a Houndour!

Nico: Aww.

Ingrid: Poor little thing is hungry.

Houndour: Yeah got any food?

We gave it apples.

Houndour: Thanks.

She ate them.

Ingrid: You're welcome. Wanna come with us?

Houndour: I would like that.

Me: Cool.

But then an ice beam hit May and entombed her in a HUGE BLOCK OF ICE!

Me: WHOA!

Manaphy: Mama!

Me: Stand back!

I fired a massive blast of fire and thawed her out!

May: WHEW! Ahh that felt good.

Me: You're welcome May.

Nico: OKAY WHO'S THE WISEASS!?

Me: Look!

We saw a GIGANTAMAX LAPRAS!

Me: Whoa! Gigantamax Lapras!

Nico: How'd that get here?

Me: I think I know.

Syd Chang: Let me see.

She used Telepathy and gasped!

Syd Chang: It's my sister Stella!

Me: Wait you mean THE Queen of Steampunk!? The most amazing Steampunk Mechanic ever?

Syd Chang: That's right and she even built awesome steampunk ship cities.

Me: WHOA!

Nico: That is so cool!

Me: Yep.

Syd: Lets go help her.

We went to face her.

Syd: Stella it's me Syd!

All she did was use Ice Beam and I fired a blast of fire and the blasts collided and exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

Me: WHOA!

Then she used Scald and fired SCALDING HOT WATER! It went at Horsea but Maria protected her and it hit her in the back and she screamed in pain!

Maria: (SCREAMS OF AGONY)

Me: YIKES!

William: Maria!

Horsea: Maria!

Nico: YIKES! That had to hurt!

Me: Okay then!

Me and Syd fired waves of lightning and leaves and blasted her and then I snapped my fingers and she reverted back and was a girl with dark blue hair and yellow eyes and had Gigantamax Lapras on her forehead and a cutie mark for a steampunk fortress on her arm and she grew mechanical angel wings.

Me: Cool wings.

We wrapped her in a blanket and brought her over.

She woke up. And saw Horsea sternly glaring at her.

Stella Chang: (Groans) A Horsea?

Horsea: You hit Maria!

Stella Chang: Sorry but what happened? Syd? Adelaide? It is you!

She hugged them.

Stella Chang: Oh man Adelaide you grew so fast. Last I saw you, you were just a baby and Syd you still helping out mom?

Syd: I sure am.

Adelaide: It's awesome to have you back sis.

Me: And also Stella you were turned into a Gigantamax Lapras by Dark Gale.

Stella Chang: (GASP) I remember!

She was in a blue suit and injected and she turned into GIGANTAMAX LAPRAS! She busted out of the lair.

FLASHBACK ENDS

Stella Chang: It was awful.

Me: I know. But Dark Gale was destroyed.

Stella Chang: Good.

Nico: Those Mechanical wings are awesome.

Stella Chang: Oh thanks. My real angel wings got burned off when I saved someone from a building that exploded and I had these put in.

Me: These are awesome.

I touched them.

Me: Whoa! Adamantium Neutronium Alloy. Very complexly well made.

Stella Chang: Thanks. How did you know that?

Me: We made armor and weapons out of it and it's amazing.

Stella Chang: That is cool!

Me: Yep.

Nico: Just in time for your big day

Syd: It sure is!

Me: Yep.

Nico: Oh what do you do on Sonya's Team?

Stella Chang: I am the Steampunk Mechanic of the team and I make Mobile fortresses for our bases of operations.

Syd: Look.

She showed photos and we saw that she made amazing Steampunk fortress ships that even Steam Smythe would be proud of.

Me: Whoa! Those are amazing!

Sakura Haruno: Steam Smythe would be proud of you for doing all that.

Stella Chang: I know. Also outside the team I am a Steampunk Mechanic and make steampunk machines.

Me: Wow! That is so awesome.

Syd: Also she is an amazing fan of 12 is Midnight!

Me: I remember hearing about how much you guys love that band.

Laney: Yeah!

Horsea: Are you okay, Maria?

Maria: I'll be fine.

Me: Good.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her dark blue clothes and a steampunk sword.

Stella Chang: I look great!

Me: You sure do.

Nico: Now for Pester.

Me: And don't forget the Monster of Mexico.

Nico: Right,

We then took off into the air to take down Professor Pester and the clone of The Monster from Mexico to The Masters of Evil and send the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We were flying in the air, and we saw our targets: Professor Pester and the clone of The Monster from Mexico.

Me: There they are.

Suddenly, we saw winged demons heading for us: the armies of Ucumu.

Lincoln: And there's some of Ucumu's demons. I got them.

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS PROFESSOR PESTER AND THE CLONE OF THE MONSTER OF MEXICO AS HE WAS SENT INTO THE AIR AND HE ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover quick and they were super pissed off and we landed.

Me: Long time no punch, Pester.

Ronnie Anne: You got some nerve coming back from The Warp, I'll give you that.

Professor Pester: And now, I will have my revenge on all of you for ruining my plans to take over this island!

Lincoln: Ain't happening, cretin.

Lincoln got out a massive jar of hot sauce, and he opened it up and red steam came out. Then...!

LINCOLN DRANK THE WHOLE JAR OF HOT SAUCE!

Me: WHAT THE?! THAT WAS A JAR OF MY HOTTEST HOT SAUCE AND HE DRANK ALL OF IT!

Nico: UH OH, THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost and we saw neon red blood coming out of his pepper tattoo.

Lincoln: Okay, time to heat things up.

Lincoln swung his massive greatsword and fired massive blasts of neon rainbow, white, golden yellow, and blue superhot fire at Professor Pester and the clone of The Monster of Mexico, and they really got burned badly!

Professor Pester: AGH! HOT! HOT!

Ronnie Anne: Ouch, that's gonna leave some burn marks on him.

Peppermint Bladefighter: Being born with the powers of the sun, light, life, energy, life nourishment, immortality, and invincibility along with the power to purify those who've been corrupted by darkness, along with being born with Amaterasu's very powers as well allowed him to also gain the powers of fire.

Me: Wow.

Nico: And he'd also gained powers over the other elemental forces of nature as well as omnipotent power, that's really incredible.

Eli: Dark Sebastian's trying to stop the prophecy from coming true, but he's going to be too late.

Lincoln: He won't stop me and all of us from fulfilling the prophecy, he's just a monster same with the minions who follow him.

Me: YEAH! And we're going to make sure the Prophecy comes true!

Punguari: That's right!

Pester: I don't appreciate you messing with my Sours!

Me: What you gonna do about it peabrain!?

Nico: Yeah!

Pester: I'm gonna smash you!

Me: Oh yeah?

Ronnie Anne: To quote our favorite Luchador hero La Tormenta, Today's forecast calls for...

She did a luchador move on him and pinned and punched him all over and mangled him!

Ronnie Anne: PAIN!

Rikochet: Great move Ronnie Anne!

Nico: Plus, they tried attacking us. Which is seriously not cool!

Me: But we did get great candy out of them. Also Ronnie Anne you'll like this one. PUTRID CHEESE BLOCK OF STINK!

I jumped and turned into a block of PUTRID STINKY CHEESE! I smashed into Pester and he smelled like puke!

Nico: OH GOOD GOD!

Qin: WHEW! That is rank!

Me: EL QUESO MAGNIFICO!

Rikochet: You learned that one from El Evil Cheese Grande?

Me: Yeah I thought it was cool!

Killer Needle: El Evil Cheese Grande just joined the M.O.E. So I thought it was cool.

Nico: COOL!

I jumped off!

Pester: Victory shall be mine!

Me: Not this time and not ever!

Rikochet: PULVERIZING PINBALL!

He turned into a ball and flew at Pester and bashed him down.

Rikochet: Kick me J.D.

Me: You got it!

I kicked Rikochet and he went flying faster than a bullet and smashed into the Monster of Mexico's face!

KRABLANG!

He got smashed hard! OUCH!

Pester: But victory was mine!

Me: When are you gonna learn Pester? Bad guys ALWAYS Lose.

Nico: That is right!

Me: Also Rikochet, you and your friends will love this one!

Rikochet: Lay it on us!

I jumped into the air!

Me: INFERNO PHOENIX OF BENEVOLENCE!

In a swirl of fire I turned into a Phoenix of pure fire and it screeched and I flew at Pester and I slammed into Pester and exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF INTENSE POWER!

He was smashed and burned all over!

Me: YEAH!

Rikochet, Buena Girl, Flea and friends were GOBSMACKED! They were in awe!

Rikochet: That... WAS! EL MAGNIFICO!

Buena Girl: MUY BUENA AWESOME!

Me: YEAH! EL FUEGO!

Pester: I have no regrets!

Me: I'm gonna make you eat those words!

Lola: Me too!

Me: Also I've been learning a lot about Luchador moves from Lynn and Rikochet.

Nico: Cool!

Poromon: We killed the real things on Chikyu a few weeks ago.

Nico: Yep.

Fergy Fudgehog farted out all his candy!

Fergy Fudgehug: Aw fudge!

Poromon ate the candy.

Hudson: Why haven't you given those guys that made the movie the Black Gates?

Me: We get asked that very same question every time and I always tell them that they are innocent people and our code strictly prohibits us from killing the innocent.

Blu: So they used my idea and that is a lawsuit.

Hudson: Oh right.

Me: Yeah.

Horsea squirted ink and blinded Pester.

Hudson: When did that movie come out?

Me: February 15th, 2023.

Hudson: Oh right! And I think you guys met us back in 2022 I think.

Ed: Wasn't me!

Me: Well whatever it is that is nasty!

Qin: No kidding!

Houndour charged at him and blasted Pester with darkness blasts.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN MEXICO, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Professor Pester: AGH! YOU LITTLE...!

Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of massive white angel wings underneath his massive white angel wings and they hit Professor Pester and the clone of The Monster of Mexico and they got pulverized.

Lincoln: And two sisters no one should mess with, they protected me from Lori at the worst of her wrath.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Ronnie Anne and Syd Chang. (GASPS) Oh crud, I also found some Foot Soldier Anothers, and they're hostile. Mr. Blunt, are you familiar with someone by the name of Mitchell Anderson.

Caleb Maxwell: Mitchell Anderson?! Oh crud. I remember him, it was back when I was staying with Mr. Blunt two years before Cage and Travis came back.

James Blunt: I still remember him all too well, in fact, he was one of the thugs Drake sent to kill you the night you saw my savage side, Caleb. So, he's come back from Hell to get revenge, huh? Well, I'm going to enjoy draining him completely dry of blood.

Lincoln: He's also got the other thugs with him as well. So, Caleb...!

Caleb Maxwell: Already on it.

Then, the Footsoldier Anothers arrived.

James Blunt: Alright, Mitchell, get out of that cheap suit at once.

Then, one of the Footsoldier Anothers changed, and what stood in its place was Mitchell Anderson, he was a really massive 6'11" hulking brute male brown-furred cat with black hair, and he only had on a pair of blue jeans.

Mitchell Anderson: You're gonna pay for killing me, you damn vampire!

James Blunt: (Smirks) Still sore I kicked your ass? Well, you deserved it. You tried to kill Caleb again on the orders of that bastard ex-younger brother of his, the very one who made his life Hell to begin with, same with your men. Now, I'm going to enjoy killing you again.

Mitchell Anderson fired at James Blunt, but the bullets did nothing as the bullets fell to the ground all dented.

James Blunt: (Smirks) Nice try.

James Blunt went at Mitchell Anderson and he leapt up and avoided his punch, grabbed his arms and pinned them behind his back, and then...!

CHOMP! SCREAM!

James Blunt bit him hard on the neck and began sucking him dry of blood, and at the same time, we also saw him draining Mitchell dry of muscle mass as his muscles and muscle mass was being drained and sucked out of him and into James Blunt. Then, as soon as he was done, he dropped Mitchell to the ground who was now drained dry of blood and muscle mass and was left as a desiccated corpse.

The other Footsoldier Anothers changed into the thugs James Blunt killed.

Thug: YOU'RE GONNA DIE FOR THIS, ASSHOLE!

James Blunt went after the armies of resurrected thugs, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the vampires even angrier than ever.

Then, James Blunt fired blasts of light that hurt the thugs. Then...!

Caleb shot them dead.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nice shot, Caleb.

James Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifty black and red planets orbiting around his legs and fifty black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer dark brown tail, and his massive dark brown angel wings and forty-nine sets of large dark brown angel wings underneath his massive dark brown angel wings are permanent.

Me: Wow. Okay, I didn't see that coming.

Nico: Same here, but that was awesome.

Caleb Maxwell: Still, it only proved the majority of the Footsoldier Anothers are old enemies of mine from the past. Oh God, I hoped not to...! I thought I was...!

Suddenly, James Blunt and Cage Blunt went up to Caleb and hugged him tight and he hugged them back.

Me: What happened? Was he about to?

Cage Blunt: He was about to break down again, just as you'd seen in the past.

Nico: So, now it makes sense: the majority of those Footsoldier Anothers, they're more of the bastards and bitches from Caleb's past. Damn that Swartz!

Suddenly, Cage Blunt, Travis Tackett, Cronus Chase, Captain Whitten, Jack Howard, Carter Kenrick, and Casey Antonio grew from 10'6" to 11'6", their abnormally massive and powerful upper and lower body muscles grew much larger for their new bodies and they still have twelve-pack abs and Cage Blunt, Travis Tackett, and

Cronus Chase now have fifty large black and crimson red planets orbiting around their legs and fifty smaller black and crimson red planets orbiting around their waists and Captain Whitten, Jack Howard, Carter Kenrick, and Casey Antonio now have fifty large black and blue planets orbiting around their legs and fifty smaller black and blue planets orbiting around their waists.

Suddenly, Cage Blunt, Travis Tackett, Cronus Chase, Captain Whitten, Jack Howard, Carter Kenrick, and Casey Antonio felt a sharp pain on their wider and muscular backs, and then, their massive colored angel wings grew much larger for their new bodies with a wingspan of 64,999'0" and forty-nine sets of large colored angel wings grew and sprouted out underneath their massive colored angel wings with wingspans of 62,999'0", 60,999'0", 58,999'0", 56,999'0", 54,999'0", 52,999'0", 50,999'0", 48,999'0", 46,999'0", 44,999'0", 42,999'0", 40,999'0", 38,999'0", 36,999'0", 34,999'0", 32,999'0", 30,999'0", 28,999'0", 26,999'0", 24,999'0", 20,999'0", 18,999'0", 16,999'0", 14,999'0", 12,999'0", 10,999'0", 8,999'0", 6,999'0", 4,999'0", 2,999'0", 1,899'0", 1,699'0", 1,499'0", 1,299'0", 1,099'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 89'0", 69'0", 49'0", and 29'0" and the shoulder blades of their massive colored angel wings and forty-nine sets of large colored angel wings underneath their massive colored angel wings have eyes with crimson red and blue irises, and their long colored tails grew larger and longer.

Jack Howard: Well, well, this is quite an upgrade.

Cage Blunt: Dad's transformation also affected us too. (Smirks) I could get used to this.

Caleb Maxwell: You realize the thugs will just off themselves before they confront you and the other officers of the law, right?

James Blunt: I'd prefer they did, or rather, they'd beg to be put in prison.

Lincoln: That's not much fun though, I enjoy the thrill of the hunt against the irredeemable.

Caleb Maxwell: Please, tell me you're joking.

Luna: He ain't, besides, he's got a reputation to uphold.

Nico: That's for sure: hunting down the irredeemable and killing them by absorbing them.

Me: Now for the rest of the Anothers.

Nico: Yep. So we got Another Killer Needle, Armored Bee, Wind Up Hornet, Captain Memo, Clancy and Battlewasp - Arbalest the Rapidfire

Me: Yep. And Blast Hornet, Killer Bees (Skunk Fu) Buzzsaw, (Beast Wars), Aligned Bumblebee, Yost Wasp and Disk Wars Wasp are up.

Nico: Nice.

LOUD SUPER NASTY HORRIBLE LONG FART!

Me: AND WE'LL FIND OUT WHO IS MAKING THAT NASTY FART!

Nico: There they are!

We saw Another Armored Bee, Wind Up Hornet, Captain Memo, Clancy and Battlewasp - Arbalest the Rapidfire!

Me: This will be fun!

Lola: Yeah!

Another Armored Bee: (LOUD SUPER NASTY HORRIBLE LONG FART!) (In a girls voice) Sorry! I can't help it.

Me: (GASP) (LAUGHS) I knew it was you Sally Stomach!

They merged and they reverted back and were the Embodiment of Stomach and the gene-slammer of Ponchomon.

Sally Stomach: Good to see you J.D.

Nico: And Estella Elmaria Poncho! Good to see you!

Estella Elmaria Poncho: (Spanish Accent) You too Señor Nico!

Sally Stomach: (LOUD NASTY SUPER LONG HORRIBLE FART!) Sorry!

Nico: Geez!

Sally Stomach: Sorry! I was born with 6 stomachs and it gives me REALLY NASTY and explosive flatulence and EXTREMELY explosive diarrhea.

Nico: Wait 6 stomachs!? Is that possible?

Me: I was thinking the exact same thing.

Sally Stomach: I know. But this gave me a REALLY FUNNY Idea. I used my powers of farts and diarrhea for pranks and I would go to a replica of the Mickey Mouse Clubhouse and do crazy pranks on them.

Nico: Another clubhouse for them?

Me: It's a crazy version of Mickey's clubhouse I call the Mickey Mouse Crackhouse. It's a goofy and crazy version of them and they do crazy fights and all that.

American Dad Roger Smith: Does it do cocaine!?

BASH!

I bashed him on his head.

Jamesdean5842: Okay you asked for it.

He was then melted into primordial slop!

American Dad Roger Smith: (Gurgling Voice) HEY! THIS IS SO NOT FUNNY!

Nico: Alright. Time to fix him. He's had enough.

Jamesdean5842: Okay okay sorry. Just giving him a fair warning.

He was reverted back.

American Dad Roger Smith: Thanks!

Me: This is what happens when you incur the wrath of the Great Cartoonist.

Jamesdean5842: (LAUGHS) That's right!

Me: By the way girls are the rest of the Anothers friendly or hostile?

Sally Stomach: Friendly and they are awesome.

Me: Cool.

LOUD NASTY SUPER HORRIBLE LONG FART!

Me: OH MAN!

Sally Stomach: Sorry.

Me: But that explains where those horrible farts came from.

Nico: Yep.

Eli: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep
Fast to sleep
Dark holoré in the Deep
Rise again holoré now
Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Raise the rock
Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

We then smelled something REALLY Chocolatey.

Me: (Sniffs) Mmm! What is that delicious smell?

Nico: (Drools)

Then a beautiful cake with chocolate and white chocolate frosting came on a cart and it rolled in front of Nico.

Me: What a beautiful and delicious cake!

Nico: Oh boy!

Me: (Sniffs) Mmm! Chocolate and White Chocolate molten chocolate lava cake! My favorite!

Nico was about to eat it but I stopped him.

Me: Nico lets all have some.

Nico: Ah you're right.

I took a knife and cut it and it was full of white and milk melted chocolate.

We ate the whole thing!

Me: MMM! (Eating) MMM! Chocolatey!

Nico: (EATING) YUMMY!

Lola: Just be glad Tom the Crazy Chocolate Fish isn't here.

Tom the Chocolate Fish: (CRAZY SCREAMING) CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

SpongeBob: I spoke too soon!

Tom went at her!

Callie fired a stream of chocolate and it went into Tom and he inflated and was bloated and stuffed FULL OF CHOCOLATE!

Me: That oughta keep him full for a while.

Callie Cacao: Yeah I have chocolate powers. But also.

She fired a stream of honey and it hit me and Pooh.

Me: (SLURPS) Yummy! Honey!

Pooh: Honey! Yummy!

Callie Cacao: It comes with my powers for Killer Needle.

Killer Needle: I am a bee and that is fitting.

Nico: And your friends?

Another Syd: Someone proud of her sister.

Another Ronnie Anne: Me too.

They reverted back and were mini versions of Ronnie Anne and Syd.

Syd: (GASP) Sheila!

Ronnie Anne: Roselda!

They went and hugged them.

Syd: Sister it's good to see you!

Ronnie Anne: Same here!

Roselda: Yeah!

Me: Sisters no doubt.

Xenia: Yep.

Kaito (gets out Denziman gear): Did Swartz promise you anything?

Zocks (Gets out Battle Fever gear): Because we can grant it instead.

They got weapons from said teams.

Callie Cacao: No he didn't because I trapped him in a huge chocolate bar and we ran.

Sakura Knudson: That explains why I found him in a giant chocolate bar. I had to eat him out of it!

Me: Like I said, you would have to be a complete lunatic to not like chocolate!

Sougo (gets out Denziman Ridewatch): You should be proud of Syd

Geiz (Gets out Battle Fever Ridewatch): And Happy Cinco De Mayo!

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Sheila Chang: I am proud of her.

Roselda: Me too with Ronnie Anne.

Me: Yeah.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance.

Nico: (gets out Killer Needle's Ridewatch) This won't sting a bit!

May: (Gets out Wind Up Hornet's Ridewatch) I will sting you!

Maria: (Gets out Clancy's ridewatch) You will be stung by us!

Killer Bees: (Gets out Armored Bee's ridewatch) You will be stung by us!

They used the powers of Killer Needle, Armored Bee, Wind Up Hornet, Captain Memo, Clancy and Battlewasp - Arbalest the Rapidfire and blasted them!

Me: YEAH!

Then The Scarab, Garat Nago, Baron Samedi, Firefly Monster, Firefly Undead (Kamen Rider Blade), Firefly Malgam came.

Me: WHOA!

Nico: Nice team Scarab.

The Scarab: Thanks Nico.

Me: That means Shining Firefly and his team next.

Shining Firefly: That's right.

Me: Yep.

But then...

SLASH SLASH SLASH SLASH!

The Another Syd and Ronnie Anne were slashed into ribbons and I caught the ridewatches.

Me: Whoa!

Then Evil HERO Malicious Fiend landed.

Me: WHOA! Evil HERO Malicious Fiend!

Qin: Scary!

Evil HERO Malicious Fiend: (In a girls voice) That was just for starters.

Nico: Nicole Malicestar! Wow!

She reverted back and was a girl with black hair and red eyes and had a nasty scar over her right eye and had black clothes and had Black Angel wings and had Evil HERO Malicious Fiend on her forehead, shirt, skirt and arm and had a deadly katana.

Nicole Malicestar: Good to see you Nico. I got this. MALICEBLADE DARKSTORM!

She swung the Katana and fired blades of darkness and slashed Another Killer Needle and destroyed it and I caught the Ridewatch and purified it!

Me: YEAH!

Eli: WHOA!

Nico: NIce job!

Nicole Malicestar: Thanks Nico.

Me: Yeah!

Killer Bees: Do you have a good memory of Nico?

Nicole Malicestar: I sure do. When we went after a bunch of mad scientists in an insane asylum causing trouble and we killed them.

Me: WHOA! The great Mad Scientist Slaughterhouse.

Nico: Yep.

They hugged.

Nico: I've missed you.

Nicole Malicestar: Same here

We went back home.

Caleb knew of that reputation from some kids who lived in Japan, but when Caleb talked with Haruki's parents, they showed him another side to Haruki: Haruki's actually a nice guy, and this one time, Haruki saved Caleb when he saw him being brutally attacked by Caleb's evil ex-younger brother, Drake Maxwell, and he drove Drake away.

They became good friends even all the way to graduating from high school and getting into college, plus, he knew of all the times Caleb had been betrayed by those he once considered his friends and lost a lot of friends thanks to tragic incidents, and he also knew of Caleb's secret: that Caleb, Allie, his mom, and their mom's relatives are connected to the vampires in New York. But, Haruki stood with Caleb as a true friend despite all those dark incidents, but in 1985, he got the word of Caleb's murder at Drake's hands, and he wanted to avenge Caleb, but he couldn't since he was under the protection of The Syndicate, and he had no choice but to return home to Japan. But, he hadn't forgotten about his friend, and in 1993 when Caleb returned, the two of them met again, but he saw that Caleb had undergone a dark transformation and became a dark immortal angel of vengeance, but he did see the traces of the Caleb he knew from long ago.

Now, we got word from Haruki that a nihilistic asshole and his entire family are going around killing people, and Lincoln's going to find out that this nihilistic asshole is none other than his old enemy, Dustin Keystone, and he and his entire family of nihilistic murderous assholes are back from The Black Gates, and they are going around killing anyone who got in their way. This is the last straw, and we're going to hunt them all down and kill them, but as for Dustin Keystone, Lincoln's going to use a special curse on this nasty asshole: it's called THE CURSE OF THE VENGEANCE OF THE HUNDRED QUINTILLION SOULS OF THE INNOCENT! It's a very deadly and powerful curse that Lincoln created for that miserable bitter old vulture, Charles Montgomery Burns, and his old enemy, Dustin Keystone, and his entire family of nihilistic murderous assholes, and Dustin Keystone will not only be sent to The Black Abyss, but that also includes his entire family of nihilistic murderous assholes, and we'll make absolutely sure they're never ever coming back.

And we got all of TLPS and The M.O.E. here.

Lincoln: Ah, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the twenty-one girls here, but we got an emergency.

Caleb Maxwell got out the picture, the person in this photo is a 6'11" imposing male in his early 20s with long black hair, tanned skin, and from the looks of him, he was extremely muscular and he was really strong.

Me: Whoa, this guy looks like one strong man, who is he?

Caleb Maxwell: This is the person who called me about an emergency here, his name is Haruki Takahashi, he was a young man from Japan I'd known in the past when I was in high school: Haruki's one tough badass man and none of the students in my high school were able to fight back, he had incredible superhuman strength and he never lost a fight. I knew of that reputation from some kids who lived in Japan, but when I talked with Haruki's parents, they showed me another side to Haruki: Haruki's actually a nice guy, and I saw it this one time when he saw me being brutally attacked by my evil ex-younger brother, Drake Maxwell. He drove Drake away because he was bigger, stronger, and more skilled in a fight than that asshole.

Nico: I can bet from the look of this guy, and he's got a strong aura from the look of it.

Allie Maxwell: That's for sure, and after he drove that psycho away, Haruki and Caleb became good friends even all the way to graduating from high school and getting into college, plus, he knew of all the times Caleb had been betrayed by those he once considered his friends and lost a lot of friends thanks to tragic incidents, and he also knew of Caleb's secret: that Caleb, Mom, and I and Mom's relatives are part of the world of the vampires in New York since 1940. But, Haruki stood with Caleb as a true friend despite all those dark incidents, but in 1985, he'd got the word of Caleb's murder at Drake's hands, and he wanted to avenge Caleb, but he couldn't since he was under the protection of The Syndicate, and he had no choice but to return home to Japan. But, he hadn't forgotten about his friend, and in 1993 when Caleb returned, they met again, but he saw that Caleb had undergone a dark transformation and became a dark immortal angel of vengeance, but he did see the traces of the Caleb he knew from long ago.

Blast Hornet: At least, you had one good friend who stood with you despite the living Hell you were put through.

Caleb Maxwell: There was also Sharon Daniels, but she didn't know about the secret I had until a few years later. Anyways, we'd better get to Haruki and fast. I'll lead the way.

We got a move on.

We followed Caleb to Osaka, and there we saw who we're going to meet: Haruki Takahashi, he matched the photo all too well, a 6'11" imposing male in his early 20s with long black hair, tanned skin, and from the looks of him, he's extremely muscular and he's really strong not only because of his incredible superhuman strength, but he had a strong aura around him: this was a natural born fighter and warrior.

Allie Maxwell: There's Haruki. Oh great, and we got Yakuza running loose.

Caleb Maxwell: Not for long. HEY, YOU BASTARDS!

Caleb Maxwell had his guns raised.

Yakuza: Team Loud Phoenix Storm?! And is that...! OH SHIT, IT'S CALEB MAXWELL, NEW YORK'S DARK ANGEL OF VENGEANCE!

They ran off, and Haruki turned to us.

Haruki Takahashi: Oh man, I knew there was no mistaking that threatening presence! Caleb, nice to see you again, and you brought all of Team Loud Phoenix Storm with you.

Cage Blunt: Along with The Masters of Evil.

Me: So, you're Haruki Takahashi. Caleb told us about you.

Haruki Takahashi: Yep, that's me.

Suddenly, he felt the auras around us.

Haruki Takahashi: (Thinking) Whoa, everyone in town wasn't kidding. Team Loud Phoenix Storm's full with tons of really strong and powerful warriors, and the auras around them are further proof of that.

We heard his thoughts, and we were impressed: he can also sense the strong auras of warriors like us.

Caleb Maxwell: Haruki, you said you had some bad news, correct?

Haruki Takahashi: Afraid so. I got word from some guys I knew on the streets that a nihilistic asshole and his entire family are going around killing people.

Suddenly, Lincoln's deep sapphire eyes turned red, he knew of one nihilistic asshole and one family of nihilistic assholes who could do something like this: HIS OLD ENEMY, DUSTIN KEYSTONE, AND HIS ENTIRE FAMILY OF NIHILISTIC MURDEROUS ASSHOLES!

Lincoln: There's only one nihilistic asshole and one family of nihilistic assholes who's capable of doing something like this: my old enemy, Dustin Keystone, and his entire family of bloodthirsty nihilistic murderous assholes.

Me: What the Hell?! That fuckweed and his family are back are back from The Black Gates!

Haruki Takahashi: And according to my friends, they're going around killing anyone who got in their way.

We were pissed off.

Lincoln: This is the last straw. Come on, guys, we're going to hunt them all down and kill them, but as for Dustin Keystone, I'm going to use a special curse on that asshole.

Nico: W-what kind of curse is it?

Lincoln: I call it THE CURSE OF THE VENGEANCE OF THE HUNDRED QUINTILLION SOULS OF THE INNOCENT!

LIGHTNING CRASH! HORRIFIC BLOODCURDLING SCREAMS!

Me: That sounds scary.

Nicholette Torrington: It is, in fact, it's a very deadly and powerful curse that Lincoln created for that miserable bitter old vulture, Charles Montgomery Burns, and his old enemy, Dustin Keystone, and his entire family of nihilistic murderous assholes, and Dustin Keystone will not only be sent to The Black Abyss, but that also includes his entire family of nihilistic murderous assholes, and we'll make absolutely sure they're never ever coming back.

Eli: That's really terrifying.

Jackie Wren: If you think hearing the name is bad enough, here's how the curse works. Lincoln forms and fires extremely powerful blasts of darkness, dark fire, and angry souls from his massive white angel wings and other sets of white angel wings underneath his massive white angel wings, and the blasts hit people like Burns who are known as the worst of the worst kinds of traitors in the world who committed the worst crimes throughout their lives and all for their own greed or for their own twisted amusement of seeing people die or killing them themselves, and when they get hit by this curse, they first hear the screams and wails of 100,000,000,000,000,000 legions of angry souls screaming for vengeance. Then, they suddenly feel like they're being ripped apart from the inside out as the legions of angry souls attack the cursed victim with incredible fury, and then, we see their veins in their body turn black with darkness coursing through their body, and the final stage of the curse hits when the darkness spills into their eyes as the sclera of their eyes turn black, and then, their eyeballs are suddenly pushed out as darkness spills out of his eye sockets, and we see the darkness turn into the souls of their victims, and they proceed to rip him apart limb from limb, and once their soul comes out, the angry souls of their victims grab the cursed victim's soul, and then, the kanji Black Abyss appears on their chest and forehead, and then, they are consumed by the black fires of The Black Abyss, and they are forever erased from existence never to be reborn ever again, and it also affects their family members who are just as evil as they are.

WE SCREAMED IN BLOODCURDLING FRIGHT!

Me: That's what you have in store for that bitter old vulture!

Lincoln: Yep, it's a curse where he'll endure all the 9 circles of Hell times 100,000,000,000,000,000 after we broadcast to the world all the horrible crimes he did, and I also intend to use it on Dustin Keystone, and it'll also affect his entire family too. (CRACKS KNUCKLES) Now, let's get going so I can mop the floor with that piece of shit.

Haruki Takahashi: Now, you're speaking my language.

Nico: We're gonna make that piece of shit regret ever coming back from The Black Gates.

Me: Same with his entire family. We're coming for you, Dustin

Keystone! You're dead.

We then took off to confront our target! DUSTIN KEYSTONE, YOUR TIME'S UP, YOU PIECE OF SHIT! YOU AND YOUR FAMILY ARE GOING TO PAY!

We flew in the air, and then, we saw our targets: DUSTIN KEYSTONE, THE NIHILISTIC MURDEROUS ASSHOLE AND LINCOLN'S OLD ENEMY ALONG WITH HIS ENTIRE NIHILISTIC MURDEROUS ASSHOLE FAMILY!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy blasts that hit Dustin Keystone and his asshole family, and that really pissed them off.

Lincoln: You've got some nerve coming back again, Dustin. I thought I was finally rid of you for good along with your entire family. But, as always, you just don't know when to quit. This time, I'm going to get rid of you and your family once and for all, and this time, you're never coming back.

Dustin Keystone: FUCK YOU! FUCK YOU, YOU HAIRY FLEABAG ASSHOLE! I'M GONNA KILL YOU ALL AND DRINK YOUR BLOOD!

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Dustin Keystone and his family, and then, we joined in.

But, before we could attack him again, Dustin Keystone and his family were hit by blasts of water and paint, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair and green hair band, green eyes, massive green angel wings, she has Witchcrafter Pittore on her forehead and right arm, white short-sleeved blouse, green sleeveless strapless dress top, white gloves, green skirt with Witchcrafter Madame Pittore on it, green knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, water, paint, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Madame Pittore, she has a light greatsword in her right hand, and with her are the twenty-one girls.

Lincoln: (GASPS) Camille Swanson, Avatar and Gene-Slammer of Witchcrafter Pittore.

Camille Swanson: That's right, and I got the girls away from that piece of shit and his family. Now, let's finish them off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Dustin Keystone and his family, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DUSTIN KEYSTONE AND HIS FAMILY! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen to you when we kill you.

Then, Andre Lupeau went after Dustin Keystone and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln formed and fired extremely powerful blasts of darkness, dark fire, and angry souls from his massive white angel wings and forty-nine sets of lasts white angel wings underneath his massive white angel wings, and the blasts hit Dustin Keystone. Suddenly, he began hearing the screams and wails of 100,000,000,000,000,000 legions of angry souls screaming for vengeance. Then, he felt like he was being ripped apart from the inside out as the legions of the angry souls attacked him with incredible fury, and then, we saw his veins in his body turn black with darkness coursing through his body, and the final stage of the curse hit when the darkness spilled into his eyes as the sclera of their eyes turn black, and then, his eyeballs were suddenly pushed out as darkness spills out of his eye sockets.

Suddenly, we saw the darkness turn into the souls of all of Dustin's victims, and they proceeded to rip him apart limb from limb, and then, as his soul comes out, the angry souls of his victims grabbed him, and then, the kanji Black Abyss appeared on his chest and forehead, and then, he was forever consumed by the black fires of The Black Abyss, and he forever erased from existence never to be reborn ever again, and we saw it also affected his family members who are just as evil as he is and they too were ripped apart by the souls of their victims and were also sentenced to The Black Abyss for all eternity. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: Rot in The Black Abyss, Dustin Keystone. You and your family are done here forever.

Haruki Takahashi: Wow, that curse you created was pretty dark.

Caleb Maxwell: All of his curses are really dark and horrific. But, one that also helps the souls of the innocent exact their revenge, that's one curse I hope never to use. I may be a dark angel of revenge, but even I wouldn't resort to that.

Lincoln: True, but you forget, you can also use curses of vengeance since you also have supernatural dark powers as well.

James Blunt: He's got a point, Caleb.

Caleb Maxwell: I forgot about that part as well. But, that aside, Dustin's gone forever along with his family.

Lincoln: Yep. Plus, there's also another good thing: the curse also resurrected all of Dustin's victims, which means, Mia Addison's in for a big reunion with them later today. (To Camille Swanson) And it's so good to see you again, Camille.

Camille Swanson: You too, Lincoln, it's been eight years since we last met.

Suddenly, Camille Swanson had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Camille Swanson was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Camille Swanson: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Camille Swanson and hugged her, and Camille Swanson is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and forty-nine other sets of large angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, fifty massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Camille Swanson: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 11'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and forty-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and fifty massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Camille Swanson, Avatar and Gene-Slammer of Witchcrafter Pittore, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of water, paints, and magic. She's the Painter of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Camille Swanson met Lincoln, and this one time, she and Lincoln created amazing paintings, and they also made amazing and beautiful paintings for art shows all over the United States. Plus, she really helped him with mastering the powers of water, paints, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a blazing passion because he tried to steal the paintings they've made not only to sell them for a quick buck, but he also did it out of spite to satisfy his need to cruelly humiliate and torture Lincoln, and the stupid mutant got his three butt-cheeks kicked and he got sent back to prison again, and she also sent a warning to his entire family: next time he did this, she was going to kill him and every last one of them and mount their heads on stakes and parade them all over the city!

Nico: We heard about that yesterday, and Flip and his family got what they deserved: they're now in The Black Abyss forever.

Camille Swanson: Serves them right.

Me: Can we see one of your paintings?

Camille Swanson: Sure.

Camille Swanson got out one of her paintings, this was one she made recently, but we were surprised at what she painted: it was Caleb Maxwell, but this one was a duality: the Caleb Maxwell on the right is the one that we all know and the Caleb Maxwell on the left is from the past and he was dressed in the clothes he was wearing before and after he died and it was nighttime in New York but in different time periods: Caleb Maxwell on the right in 1997 and Caleb Maxwell on the left in 1984 to 1985.

Travis Tackett: That's Caleb, but there's two of them: the one on the right is the one we all know now, but the one on the left, that's the one Cage and I remember all too well.

Cage Blunt: The one who'd been broken badly by Drake and discovered the truth about his family and their connection to us vampires, and we both know they're both one and the same: New York's Dark Angel of Vengeance.

Haruki Takahashi: And the young man broken by the ruthless heartless actions of Drake Maxwell, the tragic losses of his friends who stayed with him, and the heartless betrayals of those that he'd once considered his friends.

Laney: Wow, it's really accurate.

Caleb Maxwell: Eerily accurate. You got every last detail of what I was like back in 1984 and in 1985, in other words: back when I was alive and right before I died, and what I now look like in 1997 in the world we lived in before it merged with your world.

James Blunt: I was about to say. Now, I can truly see what you were like when you were alive before you came back in 1993.

Me: To paint something like this, that takes skill and talent.

Nico: Not to mention, you must've had a vision of what Caleb looked liked back when he was alive and right before he died.

Camille Swanson: Well, you were right about that. Somehow, the visions of Caleb's memories of the past came to me, and I was able to paint the picture of what he was like back in the past.

Caleb Maxwell: The memories of my past left a residual energy in my world's New York, and since my world's New York merged with Gotham Royal York, now the residual energy of the memories of my past is even stronger than ever.

Lincoln: I felt it as well, and your memories in New York both good and bad were that strong that it left an imprint on the city, that must've been the reason for Camille's visions, and now that you're here, Camille.

Lincoln with his massive muscular arms still wrapped around Camille Swanson's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Camille Swanson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Camille Swanson with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Camille Swanson: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Camille Swanson.

Camille Swanson had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Camille Swanson's waist, and he leaned down to her face and kissed her on the lips, and with Camille Swanson's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Camille Swanson had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Camille Swanson: (In Heaven) My God. Oh, Lincoln, you better tell the guys to hide in their rooms! The twenty-one girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and we fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twenty-one girls, he had an atomic red blush on his cheeks and muzzle, and he had a nosebleed. The twenty-one girls are Misora Souma, Miyako Kagura, Patricia Strawfield, and Tamaki Agatsuma from Eternal Night, Emiri Igarashi, Patricia Wolfe, Yui Oshimoto, Kotomi Shida, Kozue Kaji, Erika Honjou, Tsukasa Sakagaki, Machiko Yufu, Mika Akizora, Miu Inada, Riko Kudou, Tsugumi Fujii, Marika Shibakusa, Akiko Iwamoto, and Nanami Kaneishi from Nanpa Sei Hame Nakadeshi Banzai, Sara from Mizugi no Kinpatsu Bakunyuu JD o bich De Dekachinanpa ~ Shorai Yubona Ojou-sama Ranshi o Dainashi ni Hame Ana to Ahite Ikiru Shiawase o Oshie Komu Natsu, and Kasumi Hayami from Bakunyuu Mizugi Hitozuma o Beach de Dekachin Nanpa.

Lincoln: Oh whoa, it's Misora Souma, Miyako Kagura, Patricia Strawfield, and Tamaki Agatsuma from Eternal Night, Emiri Igarashi, Patricia Wolfe, Yui Oshimoto, Kotomi Shida, Kozue Kaji, Erika Honjou, Tsukasa Sakagaki, Machiko Yufu, Mika Akizora, Miu Inada, Riko Kudou, Tsugumi Fujii, Marika Shibakusa, Akiko Iwamoto, and Nanami Kaneishi from Nanpa Sei Hame Nakadeshi Banzai, Sara from Mizugi no Kinpatsu Bakunyuu JD o bich De Dekachinanpa ~ Shorai Yubona Ojou-sama Ranshi o Dainashi ni Hame Ana to Ahite Ikiru Shiawase o Oshie Komu Natsu, and Kasumi Hayami from Bakunyuu Mizugi Hitozuma o Beach de Dekachin Nanpa.

Nicole: So, those were the girls that we're in Japan. Thank God Camille got them away from Dustin Keystone and those assholes!

Caleb Maxwell: (In his room) And from those Yakuza as well!

Lincoln: That's true.

Nicole: Caleb was right about saying that.

Lincoln: They were lucky to have run away from Caleb, if it were up to me, I would've killed them. Are you girls okay?

Misora Souma: Yes' we're okay, thanks to you.

Then, when Misora Souma and the twenty other girls saw who it was that saved them from Dustin Keystone and his family, their faces turned atomic red upon seeing the 11'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and Misora Souma: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twenty clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Miyako Kagura: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Misora Souma, Miyako Kagura, Patricia Strawfield, Tamaki Agatsuma , Emiri Igarashi, Patricia Wolfe, Yui Oshimoto, Kotomi Shida, Kozue Kaji, Erika Honjou, Tsukasa Sakagaki, Machiko Yufu, Mika Akizora, Miu Inada, Riko Kudou, Tsugumi Fujii, Marika Shibakusa, Akiko Iwamoto, Nanami Kaneishi, Sara, and Kasumi Hayami with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's the last time that asshole, Dustin Keystone, plagues us.

May: He and his family are finally gone forever.

Lincoln: And all of the victims they've killed in the past and now have been avenged, and I used my new curse on them, and it also brought the victims back as well.

Nico: So, you also included a positive side effect to the curse, but it's only for the innocent.

Me: Yep, and I can't wait to see you use it on Burns.

Eli: That old vulture's lived for too long.

Lincoln: When the time comes, I'm gonna use the curse on him, and all of his victims are going to rip him apart.

After Lincoln and all of us met with Haruki Takahashi and sent Dustin Keystone and his entire family to The Black Abyss and this time forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Camille Swanson saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get fifty massive and long brown wolf tails even more stronger than ever and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Camille Swanson: My God, I was right that Lincoln's really grown into an 18-year-old 11'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Camille, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Camille Swanson: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Camille Swanson: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of

crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Cage Blunt got out a tape.

Cage Blunt: Now, this tape I got here, this was from after I returned home and reunited with Dad again along with Caleb, and I eventually found Caleb not being able to sleep at night and when I asked him why, I found out right then and there the reason why.

Cage Blunt put the tape in and it played on the big screen and it showed West Virginia at night in 1995. Cage Blunt was asleep in his room with the door open, but then, he heard the heartbeat of someone, he knew right then and there it was Caleb as he opened his eyes and saw him walk past the doorway clearly bothered.

Cage Blunt woke up and still had his jeans on and he walked to see Caleb who was standing in the kitchen watching the moon shine through the window, but despite he was watching the moon, Caleb in truth couldn't get any sleep, only his dad knew why Caleb wasn't able to get any sleep, and it had to do with the nightmares of the past. Even though he spilled everything, the nightmares continued to haunt him.

Past Cage Blunt: Caleb...?

Suddenly, that shocked Caleb out of it.

Past Caleb Maxwell: Cage..., w-what are you doing out of bed?

Past Cage Blunt: I should be asking you that question.

Past Caleb Maxwell: (Sighs) I was hoping you wouldn't find out.

Then, they went to Cage's room and they were sitting on the bed and Caleb finally spoke.

Past Caleb Maxwell: Lately, I haven't been able to get any sort of sleep at all for the past few nights two years ago. I only told your dad about it, but the reason why is because of the nightmares from the past. Even after I came back in 1993, the nightmares that haunted me back then when I was in high school and back in 1984 and 1985 stayed with me. When my memories came back, so did all of my nightmares of the past, and..., they still hurt me even now.

Cage Blunt saw and felt the pain in Caleb's eyes along with a whirlwind of emotions: devastation, pain, sadness, despair, but he also felt another emotion in Caleb: anger, and that anger was at the one person who made his life Hell: Drake Maxwell, his former younger brother.

Past Cage Blunt: And you told Dad all of it.

Past Caleb Maxwell: Yes, I did two years ago. But, no matter how much I'd told him, the nightmares just wouldn't stop, they kept coming back every night. I was tormented and broken by everything that happened, and there was nothing I could do back then.

Past Cage Blunt: Damn.

Suddenly, the anger took hold of him as Cage saw Caleb lift his head and his brown eyes turn crimson red with hatred and rage: he looked like an angry demon from Hell.

Past Caleb Maxwell: This was all Drake's fault that everything happened to me: his ruthless abuse and constant physical attacks, his damn condescending attitude, the betrayal of those I once called my friends, and the tragic losses of those who at least stood by me! I swore back then I was never going to forgive him and that he was dead to me symbolically, but now...! (SNARLS) NOW! I want nothing more than to kill him with my own hands! I want to see his blood run right though my hands as I slaughter him like the filthy pig that he is! I want him dead!

Cage Blunt was shocked and impressed, but he and Travis knew back then that Caleb harbored a dark and violent desire for revenge against his ex-younger brother. Yet, he knew Caleb had been through a living Hell and he closed out his heart and didn't want to drag anyone down with him. But, when he'd opened his heart again to his dad and to him, he let everything out.

Suddenly, blood tears began to fall from Caleb's eyes as the sadness took hold of him.

Past Caleb Maxwell: But..., it doesn't change anything. I can't rebuild my ruined life from long ago and I put my mom and Allie in danger, I shut out my own emotions and my heart and it caused such a pile up of anger and rage, and I...(Voice Breaking) I...! But, I don't harbor any hatred towards you or Travis for any of it. Yes, it's true you both chased me down while drunk on Demon Blood, but yet, I...I harbored no hate in you two...I never did...!

Suddenly, Cage Blunt turned to face Caleb Maxwell and wrapped his right arm and left arm around the tragic young man, and he pulled him into a strong hug. This caught Caleb off guard.

Past Cage Blunt: You went through a living Hell long before Travis and I came to New York long ago, and to that end, you hated your brother for that, all the love you had for him was gone forever and in your heart you wanted him dead. But, I'm glad you didn't harbor any hatred towards me and Travis. But, you know it's not healthy for you to keep everything bottled in, it was also going to kill you. So, you can go ahead and let out whatever sadness you have in you.

Suddenly, as if on response, Caleb wrapped his arms around Cage's back and he cried hard into his chest as tears of blood fell on the vampire, but Cage kept holding on to the broken young man. But, unknown to them, James Blunt came into the room and saw the whole thing, but he smiled.

Past James Blunt: You've finally broken down the last barricade in your heart, Caleb, and all it took was a conversation with Cage.

Then, he went up to Cage and Caleb, and he put his right hand on top of Caleb's head.

Past James Blunt: Looks like you can finally heal at long last.

Past Cage Blunt: It might take some time for him, but you helped him in the right direction two years ago, Dad.

The video ends, but we had tears of happiness.

Me: That was really deep.

Nico: But, what we saw, that was...!

Caleb Maxwell: I broke down the last barricade I had in my heart. Yes, it was true I broke down many of the barricades in my heart when I was with Mr. Blunt, but the last barricade in my heart, that took a conversation with Cage to do that.

Lincoln: And what Mr. Blunt said was true, you would eventually heal.

Allie Maxwell: Though it would take a lot of time, and the source of his pain: Drake Maxwell, was still alive, but he fell downhill. Without the backing of The Syndicate and his ties severed in 1985, he was living on the streets and became a lowlife robbing drug dealers of money and drugs.

Michael: Drake was getting karma for the pain and suffering he dealt unto his own older brother and unto you, Marlene, and the relatives on your mother's side. Serves him right, and in 1996, Caleb would return to New York, and he would make the threat he made come true. And it's not just Cage, Travis, Cronus, Leela, Peace, The NYPD Nightshift, and The Big Claw Gang who've had run-ins with Caleb when he was on the rampage.

Michael pointed to The Starfire Agency.

Eli: Wait, you mean...?

Denver: Yep, we also had run-ins with him, and he was a dark angel of vengeance killing gangsters and thugs left and right.

Tucker Williams: One of our cases in New York involved a dark winged figure, but that dark winged figure was of course Caleb, the young man who was murdered in 1985, but would rise from the dead eight years later 1993 and return to New York three years later to get revenge.

Alex Maddock: (British Accent) We did our research on him by asking the locals about him, and then, that's when we found out his whole story.

Racheal: And his story was really dark.

Victor Bristow: (German Accent) Which was why you all decided to go to New York to investigate.

Alex Maddock: (British Accent) A stupid move on our part.

Timothy Maddock: (British Accent) Though it may be true, at least, you saw more to the story about the child in the photo I had from many years ago.

Lincoln: But, as you saw, the story was really dark and it was full of blood.

We got a shower, and then, Lincoln, Slipstream (Transformers One), and Redwing (Transformers One) are heading to Sirena Beach.

Lincoln snapped his fingers, and the 11'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Slipstream (Transformers One) and Redwing (Transformers One) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Honey Slipstream (Transformers One) and Redwing (Transformers One) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Slipstream (Transformers One): Wow, we're here in Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Slipstream, and it's perfect for our first date, shall we?

Lincoln, Slipstream (Transformers One), and Redwing (Transformers One) dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Slipstream (Transformers One) and Redwing (Transformers One) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift fifty-two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Redwing (Transformers One): (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Slipstream (Transformers One) and Redwing (Transformers One) and hugged them in their abnormally massive and powerful muscular arms, and Slipstream (Transformers One), and Redwing (Transformers One) placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Slipstream (Transformers One) and Redwing (Transformers One) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Slipstream (Transformers One) and Redwing (Transformers One) with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Slipstream (Transformers One) and Redwing (Transformers One) are now in your harem, Linky.

Slipstream (Transformers One) and Redwing (Transformers One) showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Redwing (Transformers One): Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted fifty-two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and fifty massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later we were at Dante's Hellfire Hole.

Mascots: HAPPY CINCO DE MAYO EVERYONE!

Me: You too guys!

Qin: YEAH!

Punguari: So awesome!

Me: Can you tell us how you and Punguari met Ronnie Anne?

Ronnie Anne: I sure can. It was after my birthday and we went down to Mexico to learn all about my family's roots.

Punguari is the secondary antagonist of Nickelodeon's 50th full-length animated film, The Casagrandes Movie.

She is a 12,800 year-old demigoddess and a daughter of Sisiki and Chipiri who believes she's ready to become a full-fledged god. However, she's denied from being given such a title due to her lack of responsibility, being warned that there will be disastrous repercussions.

When she defied her parents' direct order, Punguari transformed into a god with the Mask of Many Faces, and her actions inadvertently caused the earth below her to start cracking, releasing Ucumu from his imprisonment, until Sisiki sacrificed her own daughter to be petrified as a mountain to protect her.

She was voiced by Paulina Chávez.

800 years ago, Punguari was born in Mexico to the two gods named Chipiri and Sisiki. During the time in her life, Punguari was originally assigned to take in charge on the moon to raise it every night when came of the age 12,000 (later 12,800 in the present). Unlike her parents who are benevolent and selfless, Punguari grew to become egotistical, mischievous, and secretly malevolent as she will be ready to be a full god when she's mature enough, if it means causing potential disasters. Even as she was desired for, Punguari was very impatient and jealous because the humans honor her parents in every festival more than herself, and she kept annoying her parents that she wants to be a full-fledged god immediately. However, she was denied from being given such a title due to her mischievous nature and lack of responsibility, and there will be

disastrous repercussions, foreshadowing the tragic mistake of her whole desire to being a full god.

One day, during the New Fire ceremony for the former, Punguari congratulated her father for the festival. Unbeknownst to her parents, Punguari had stolen her father's staff from behind his back while hugging him, and proceeded to use it to access a realm holding an artifact called the Mask of Many Faces, which has the power to transform demigods into gods. Upon putting on the mask on, Punguari used voodoo magic to command the mask that makes her a full-fledged god. However, this results in mass hysteria, as her actions inadvertently caused the earth below her to start cracking, putting the lives of the Mexican people in jeopardy.

As Chipiri went to protect the people, Sisiki pleaded with Punguari to stop, but Punguari refused to listen as she's laughing wickedly. To make matters worse, Ucumu, the God of the Underworld, emerged from the depths to the surface and prepared to attack the gods. To protect her daughter from Ucumu, Sisiki had no choice, but to petrify Punguari into a mountain, mourning the loss of her fallen daughter after trying to change Punguari's heart until it was too late. With Punguari safely imprisoned, Chipiri and Sisiki fought together to seal Ucumu back into the underworld, but at the cost of their godly lives in becoming gems under Ucumu's clutches. After the chaos, Mexico was saved from Ucumu's brief tyranny, and the mountain was officially named after the young, doomed demigoddess.

800 years later, the Casagrande family decided to spend Ronnie Anne's 12th birthday by taking a trip to Mexico. During their stay, Ronnie Anne, after defying her mother, Maria, decided to skateboard down the mountain Punguari transformed into. However, a necklace she bought earlier causes Punguari to wake up from her petrified state (as it contained a gem that was part of the Mask of Many Faces).

Now as the ghost without her physical form, Punguari disguises herself as a 12-year-old girl named Shara, and manages to convince Ronnie Anne to help her find the Mask of Many Faces. After finding the mask in a concealed artifact room at a museum, Punguari reveals her true form, and proceeds to trap, Ronnie Anne, heartbroken over the fact that her new best friend was a liar that just used her, in the artifact room.

With the Mask of Many Faces, Punguari transforms herself into a god, and uses her new powers to create her own palace so she can party, causing the ocean to recede and the Earth to start cracking. Meanwhile, after being freed by Maria, her grandmother Rosa, and great-grandmother Lupe, Ronnie Anne discovers a scroll that tells the story of Punguari, where she discovers that due to Punguari's reckless actions, she inadvertently unleashes Ucumu into the world, prompting her to state that they have to warn her.

Arriving to Punguari's palace, Ronnie Anne reveals to Punguari that her story is all wrong: at first, she thought her petrification by Sisiki was out of punishment, but in reality, it was to protect her, as her actions caused Ucumu to rise and start attacking everyone. Upon learning the truth, Punguari becomes filled with guilt, as her parents sacrificed themselves for her. At that moment, Ucumu rises from the cracks in the ground, ready to cause mayhem once more.

Banding together, Ronnie Anne, Punguari, and the Casagrandes work on trying to defeat Ucumu. Remembering that Ucumu was defeating with a giant flaming chancla, Maria, Rosa, and Lupe go and get the stone chancla at the top of the town, Ronnie Anne and Punguari work to keep Ucumu distracted, while the other try to find the sacred flame to light the chancla.

During their fight with Ucumu, Punguari discovers that the two gemstones on Ucumu's headpiece contain her parents. However, this revelation causes Punguari to become distracted, allowing Ucumu to strike her and Ronnie Anne. As Ucumu is about to suck up Punguari so he can trap her alongside her parents, the Casagrandes manage to launch the giant chancla at Ucumu's face, causing the skin on his body to burn off, revealing his skeletal structure in a weakened state. Ronnie Anne uses Punguari's magic staff to disintegrate Ucumu, reducing his body to ashes that fall into the very cracks he emerged from. Afterwards, Punguari proceeds to use her magic to destroy her temple, to which she uses the pieces to seal the cracks permanently, ensuring that Ucumu will never rise again.

Following the final battle, Chipiri and Sisiki are finally freed in their physical forms, and Punguari, with much genuine remorse, embraces her parents, apologizing them for her reckless actions with the mask and nearly getting innocent people in danger. With Mexico safe from Ucumu once again, Punguari has now become a better person when protecting the land alongside her parents and admires herself as a true friend to Ronnie Anne.

When it was done we were shocked and Amazed!

Me: WHOA! That is so incredible!

Lincoln: It sure is!

Ronnie Anne: I'll say!

Punguari: Yeah it is. We became good friends back then.

Me: And that is amazing how you and your family took on the evil God of the Underworld, Ucumu and lived to tell the tale and won. You are true heroes of a different kind.

Ronnie Anne: Yeah we sure are.

Clyde: Wow! We were never told about that in school Ronnie Anne!

Liam: That is really an amazing tale!

Stella Zhau: I'll say!

Nico: Yeah!

Me: Wow! You must be really proud of yourself Ronnie Anne.

Ronnie Anne: I sure am. But I didn't let it go to my head.

Syd: That's alright.

Homer: I really wanted to see beer robots.

Ronnie Anne: Homer, we will tell you if we get to making beer robots!

Me: We'll let you know if we do Homer. But Punguari there is one huge difference between you and Morag.

Punguari: What's that?

Me: You have redeeming qualities and that shows that you have good in your heart. You learned the errors of your ways and redeemed yourself by the end, making you more of an anti-villain than truly a villainous monster. And if you didn't possess remorse, you would've ended up like Morag.

Punguari: That is too true. I heard about everything Morag did and that was horrible.

Me: Well Lincoln is gonna get ULTIMATE JUSTICE in 2 days.

Nico: That's right! His big day is coming up the day after tomorrow!

Laney: YEAH!

Syd: It's true.

Me: Yeah. And we're with Lincoln all the way when that time comes.

Camie: Yeah!

Lincoln: Thanks guys.

Me: No problem.

Poliwag: Now I have something to say to Horsea.

Horsea stood by Poliwag.

Poliwag: Attention, attention, everyone. I'd like to make an announcement. Horsea, in full view of this restaurant, I ask you for your hand in holy matrimony. I have known you since as long as I can remember and I want to ask this.

Crowd: Aw!

Poliwag: Would you marry me? [a big diamond ring is shown up close]

Horsea: Oh Poliwag! YES YOU CUTE LUG!

She hugged and kissed him and we cheered wildly for them!

Crumplezone: Bout time!

Me: You said it!

Poromon: YEAH! Way to go!

Poliwag: We'll have the wedding at Hogwarts.

Poromon: With mine and Manaphy's? COOL!

Me: The Mascots Double Wedding.

Camie: Yep.

Lola: Awesome!

Ultra Magnus: We're very happy for you two

Poliwag: Thanks guys!

Qin: You're welcome.

May: Yeah!

Maria: We're not only siblings but in-laws too Nico.

Nico: (LAUGHS) Yep.

Maria: (To Horsea) I'm very happy for you Horsea.

Horsea: I am too.

A man came to us.

Man: Nico, J.D., something huge is going on down at the pizza restaurant down the street!

Me: Uh oh! Sounds like trouble. We're on our way.

We paid for the food and we were off.

We went down the street and we got to the pizza restaurant and saw LOTS OF PEOPLE HURLING THEIR GUTS OUT AND POLICE CARS AND AMBULANCES WERE THERE!

Me: WHOA!

Nico: I think Guy Grazer is behind this!

Lynn Sr: The best part about me having Chansey is that Nico gets to decide when Guy dies any day now!

Nico: That is true!

Chansey: It sure is!

We went into the restaurant and we were greeted by a HORRIFIC BLOODBATH! THERE WERE SHREDDED BODIES ALL OVER THE PLACE AND THEY WERE MUTILATED TO THE POINT OF BEING BLOODY SKELETONS! BLOOD, ORGANS AND LIMBS WERE SPLATTERED ALL OVER THE PLACE WITH EXTREME SAVAGERY!

Me: OH GOOD GOD!

Nico: WHO DID THIS?!

Me: What a bloodbath!

Xenia: OH MAN!

TWILIGHT AND FRIENDS HURLED THEIR GUTS OUT!

Camie: OH MAN!

Ymir: SO SICK!

THEY HURLED!

Me: OH MAN!

We heard a screech!

Then out came a FEAROW AND IT VICIOUSLY BUTCHERED AND DISMEMBERED A MAN AND RIPPED HIM TO PIECES AND ATE HIS INARDS!

Me: OH MAN! A FEAROW!

Nico: How did that get here?!

Me: This is one Fearow that has a RUTHLESS APPETITE FOR BLOOD!

Lucy Loud: GASP! These men were all men Guy Grazer hired to poison this restaurant with chum and destroy it.

We saw buckets of chum on the floor and the ground.

Me: There's chum buckets here so that confirms it.

Ronnie Anne: Lets see.

She used Telepathy and gasped!

Ronnie Anne: It's my sister Carla!

Me: Oh man!

Ronnie Anne: Lets go help her!

We went and faced her!

Horsea hid in Maria's shirt.

Ronnie Anne: Carla it's me Ronnie Anne!

All she did was fly up to Horsea and peck her

They dodged her and Laney used her vines and held it.

Me: Okay then.

Me and Ronnie Anne fired fireworks and energy and blasted her.

Then I snapped my fingers and she reverted back and was a girl with orange hair and blue eyes and had fire angel wings and Fearow on her forehead and had a cutie mark of the sun and moon with Sun Dragon Intl and Moon Dragon Quilla on it.

We wrapped her in a blanket and brought her to a table.

Me: What a brutal one. Lets get this place cleaned up.

Nico: Good idea.

We got to cleaning.

She woke up to see Horsea's stern gaze.

Carla Santiago: (Groans) Huh a Horsea?

Horsea: You almost pecked me!

Carla Santiago: Sorry. (GASP) WHAT HAPPENED HERE!?

Me: Well it's a horrible story.

Ronnie Anne: Carla?

Carla Santiago: (GASP) Ronnie Anne!

She hugged her.

Ronnie Anne: Thank goodness you're safe.

Carla Santiago: I am too.

Me: You were turned into a Fearow by Dark Gale.

Carla Santiago: (GASP) I remember!

She was in a brown suit and injected and she turned into a FEAROW! She butchered and dismembered all the men and killed them and flew out.

FLASHBACK ENDS

Carla Santiago: And I... (STOMACH GRUMBLES) UH OH!

PROJECTILE VOMIT ATTACKS!

SHE THREW UP MASSIVE AMOUNTS OF BLOOD AND GUTS!

Me: OH SICK!

Horsea: Fearow aren't usually this violent, are they?

Ash: Well they are very violent if provoked and I almost got killed by one.

Misty: He's right. I remember that.

Pikachu: Yeah me too. Ash got saved by his Pidgeot.

Me: Whoa!

Nico: Carla what is your role in Sonya's team?

MASSIVE VOMIT ATTACKS!

Luna: PUKE STORM! (FAINTS)

FWOMP!

Me: Nico you better let her regain her senses first.

Nico: Oh right.

Me: She just killed a lot of people as a Fearow.

Fearow: Take it from me.

Me: Yeah.

Hay Lin: Yeah that is true.

She threw up more and was done.

Me: Are you alright?

Carla Santiago: I think so. I can't believe I did all that!

Me: It's not your fault.

Carla Santiago: And to answer your question Nico, I am the brute force of the team. I use intense strength and speed and fire of the sun and darkness of the moon to kill our enemies.

Me: Wow! You have true warrior spirit.

Carla Santiago: I sure do. Also outside the team I like helping my family.

Me: Cool.

Carla then saw Lori.

Carla Santiago: (ENRAGED) YOU!

She jumped Lori and started punching and pulverizing her!

POW BIFF SMASH WHAM BIFF BASH WHOMP SMACK BAM!

Me: HOLY FUCK!

We grabbed her and pulled her off Lori!

Me: Carla what the fuck was that for!?

Poromon: Explain yourself!

Carla Santiago: I can't let this bitch marry my brother!

Bobby: Carla has been VERY Overprotective of me and she wanted to make sure I never married Lori!

Me: WHAT!? Why?

Bobby: Because she thought Lori was a demon and wanted me to marry the best.

Me: WHAT!? That preposterous!

Laney: Carla that was ages ago.

Me: Also she was like that because of Dark Chase Young.

Carla Santiago: Who is Dark Chase Young?

Lincoln: He's a monster that is out to destroy me and my entire family because of a prophecy that involves me. You see, I am the very key to his destruction.

Me: We found out that Lincoln is the Reincarnation of Amaterasu the Goddess of the Sun in Japanese Myth and he is the chosen one that will destroy Dark Chase Young and end his 1,500 year reign of terror. But Dark Chase Young is responsible for TERRIBLE ATROCITIES and he pissed us off to the Nth Degree. Many of them involving Lincoln's sisters Lori, Luan, Lynn, Lola and Lisa as well as Principal Huggins, Flip and many of our enemies. Dark Chase Young is doing everything he can to destroy Lincoln and his family to stop the Prophecy from coming true.

Carla Santiago: Oh man! So Lori was...

Me: Yeah she was poisoned by his evil and she did everything in her power to try and kill him and be with Bobby.

Anna Anyanova: Take it from me and all his guardian angels. We have records of all that.

Horsea: It's true.

Carla Santiago: Oh man! That's terrible! I'm sorry Lincoln had to go through all that! Also I had no idea Lori's little brother had so much importance. Man Lincoln you were just a little guy when I saw you last.

Lincoln: I've grown quite a bit haven't I?

Carla Santiago: I know. You've grown into quite an amazing young man. But Lori...

She went over to her face and glared ferociously!

Carla Santiago: I still don't trust you for everything you are! I am keeping a close eye on you.

Lori: I am married to your brother and we have seven kids. Continue watching me.

Carla Santiago: I will.

She made the finger jesture for I'M WATCHING YOU BITCH!

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her new orange clothes and a sun and moon sword.

Carla Santiago: Awesome!

Me: Yep.

Maria was crying tears of joy.

Nathalie: Are you okay, Maria?

Maria: Just so happy that Horsea is getting married!

Me: We all are.

Nico: Yeah.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Ucumu and Dark Punguari, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Punguari: Lincoln sure has come a long way!

Me: He sure has. Oh Megan can you come with me?

Megan Blickensderfer: Sure.

We went to Becky's room.

We heard her still crying and we went in and Becky was still crying hard.

Me: Becky?

Megan Blickensderfer: Oh sis.

We went and sat on her bed and she was really distraught and crying hard.

Me: Becky come on you gotta stop crying. It's only going to make you feel worse.

Horsea: We brought you candy.

Megan Blickensderfer: And twinkies remember?

Becky Blickensderfer: I don't deserve anything. Dark Chase Young took everything from me! I lost my home, my family, my friends, everything!

Poromon: (GASP) Even some of your sports portraits?

Becky Blickensderfer: Nobody would take them. So I had to eat them! [her stomach is shown to have a rectangular shape from her eaten poster. Becky starts to cry out a fountain of tears into SpongeBob. SpongeBob soaks it up and becomes bigger, but he squishes himself to let the water out]

SpongeBob: Poor girl.

Me: Oh there there Becky it's not the end of the world. You still have your mother and sister.

Megan Blickensderfer: Yeah Becky come on. I did everything I could to save you from Dark Chase Young and succeeded. My love for you never died even though Dark Chase Young stole that from you.

Me: Let me tell you something I once learned from when I was having problems understanding who I am. When Nico fell into that depression during the 20 Days of Darkness, I was so guilty over the fact that Nico had to be locked in his room forever and that the team was falling apart because of Oogie Boogie opening his big fat mouth. But I learned that the bonds of friendship are much stronger than you know. As long as you remember all the fun times you had with the ones you love and the friends that you cherish and hold close to your heart, you will never be lost in the darkness as long as you carry those feelings and their thoughts with you in your heart. There is always a light inside you that will never be extinguished. Your friends, your family, your love and all those you care about will only make you stronger and a better person.

Megan Blickensderfer: That's right Becky. As long as you have me and mom and the friends you have with you and here and beyond you will never be alone.

Becky knew we were right and then she smiled and was happy and she was better than ever!

Becky Blickensderfer: Thank you guys! Thank you!

Horsea: Now eat!

Me: Horsea!

Horsea: Sorry.

But then...

BAM!

Becky got hit on the head by Rafiki's stick!

Becky Blickensderfer: OW! GEEZ! What was that for!?

Rafiki: It doesn't matter! It's in the past!

Becky Blickensderfer: Yeah but that still hurt.

Rafiki: Oh yes the past can hurt. But the way I see it you can either run from it or learn from it.

He swung at her and we ducked.

Rafiki: Ha! You see? So what are you going to do?

Becky Blickensderfer: First I'm gonna take your stick!

She grabbed it and threw it.

Becky Blickensderfer: Now I'm going to redeem myself! And my first act is apologize to everyone I hurt!

Me: That a girl!

We followed her.

Rafiki: HAHAHAHAHAHAHAHAHA! WOOOOOOO! WOOOOOOOOOOO!

She went and apologized to Ronnie Anne and Syd and their friends and they forgave her.

Nico: Boy Becky sure is going to prove herself.

Me: Yep.

Horsea: Now eat the candy!

Becky Blickensderfer: Oh right.

They had some candy together and it was good.

Becky Blickensderfer: Oh right. J.D. you got a shaver?

Me: Sure.

I gave it to her and she shaved a gap in her unibrow in the middle and decided to get rid of the unibrow forever.

Becky Blickensderfer: I've always HATED that Unibrow!

Me: I don't blame you.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Ucumu and Dark Punguari, and they're causing havoc in Mexico. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Ucumu and Dark Punguari, and they're causing havoc in Mexico.

EVERYONE GASPED!

Ronnie Anne: It's time.

Punguari: That means those diablos have succeeded in helping my Dark Side awaken Ucumu.

Sisiki: (Spanish Accent) Now, the final battle has begun against him.

Chipiri: (Spanish Accent) Ucumu is going to be destroyed forever.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned orange and we felt another divine power coming from him.

Punguari: The other Aztec Gods and Goddesses.

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, that is correct, young Punguari.

Chipiri: (Spanish Accent) I'd heard the Gods and Goddesses of the pantheons have forged powerful bonds with all of you.

Me: Along with God, The Archangels, and Angels of Heaven in Christian religion, and they can also speak through Lincoln, that's how powerful those bonds are.

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) You are correct, James. Now, we knew of the situation with Ucumu and Dark Punguari, and this was one of the wicked schemes of Dark Sebastian and his minions. They have committed yet another blasphemy against the Gods and Goddesses, but there is a way to get rid of Ucumu and Dark Punguari.

Suddenly, Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Justice.

Then, the orange iris of his Third Eye fired an orange beam of energy, and it formed into a massive greatsword with embedded turquoise gems and the glyphs of The Aztec Gods and Goddesses etched on the 10'6" massive, wide, double-edged obsidian blade, large obsidian jaguar heads with turquoise gems for eyes for the crossguard and large white angel faces built into both sides of the crossguard, long 9'6 midnight black handle, four large obsidian jaguar heads with turquoise gems for eyes and on the bottom is a large obsidian jaguar head with turquoise gems for eyes and gem in its mouth for the pommel.

Mama Lupe: (Spanish Accent) I'd recognize that blade from anywhere. That's The Obsidian Greatsword of Huītzilōpōchtli. According to legend, it's a powerful greatsword that was imbued with the powers of all the Aztec Gods and Goddesses of Mexico, but there was a catch: only someone pure of heart can wield a powerful blade such as this.

Ronnie Anne: Whoa.

Nicole: I've heard the legends about it.

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) That is correct, and the one to wield it is you, Ronnie Anne Santiago.

WE GASPED!

Ronnie Anne: Me?! A-are you sure about this?

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, I am. Plus, I also had a second Obsidian Greatsword of Huītzilōpōchtli made which merged with Lincoln's greatsword after our meeting when Sebastian possessed by The Black Ooze of The Eldritch escaped.

Me: I remembered seeing a bunch of greatswords of godly power being merged with his greatsword.

Nico: So, you're giving that greatsword to Ronnie Anne to use to slay Ucumu and Dark Punguari since today is her day to shine.

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) That is correct, Nicholas. Now, I must take my leave, but we will be watching the battle.

Ronnie Anne took the greatsword in hand.

Ronnie Anne: Lord Huītzilōpōchtli, I will not let you down.

Huītzilōpōchtli: (Through Lincoln's body) (Divine Heavenly Godly Voice) (Smiles) Excellent. Now, I must take my leave, but we will be watching the battle. Good luck.

The Aztec God of War left as Lincoln's orange eyes changed back to deep sapphire blue and the orange iris of his Third Eye changed back to rainbow colors.

Me: Now, we're ready.

Nico: Oh yeah, this is going to be a battle of The Mexican Gods. Alright, team, let's head down to Mexico, we got an evil Mexican God of The Underworld and Dark Punguari to take down.

Lincoln: And vanquish forever. Ucumu, you will pay for everything you did, and Dark Punguari, you're gonna pay for the pain you caused to Punguari.

Me: YEAH!

The Previous Group came.

Dr. Viktor: Happy Cinco De Mayo everyone.

Me: Thanks.

Demyx: (Sniffs) Why do I smell blood on some of you?

Me: Don't fucking ask.

Ranamon: Can me, Dr. Viktor, Duskmon, Demyx, Grumblemon, Heatwave, Dai Gui, Arbormon, Vulture and Mercurymon go with ya'll?

Nico: Yes you all can. Also Becky has a new lease on life in a sense because she is going to redeem herself.

Ranamon: Wow! She is really going to try and prove herself good.

Me: Yep.

Heatwave saw Lori hurt.

Heatwave: GEEZ! Lori what the hell happened to you?

Lori: I got beaten up by Carla here.

Me: She's very overprotective of her brother Bobby.

Carla Santiago: Yeah its been that way for me ever since mom divorced dad.

Raythor: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Inferno Gainer next.

Me: WHOA! That one is gonna be good.

Nico: Yep. Then after that will be the Number Cards.

Me: WHOA! That is gonna be awesome!

Lola: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Nergal Glaphyra, Demon Lightning Master of Darkness of The Order of The Dark Universe and Maacah Necroshade, Dark Weather Master of The Dark Church of Malphas, and they're still in Mexico causing havoc alongside Ucumu and Dark Punguari. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Nergal Glaphyra, Demon Lightning Master of Darkness of The Order of The Dark Universe and Maacah Necroshade, Dark Weather Master of The Dark Church of Malphas, they're still in Mexico causing havoc alongside Ucumu and Dark Punguari.

Talia Tornadora: So, those two snakes are causing havoc alongside Ucumu and Dark Punguari. We'll need to keep those snakes contained before we can destroy Ucumu and Dark Punguari.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the battle to save the world from Ucumu is on.

Lincoln: His reign of evil is going to end here and now, and once we end him and Dark Punguari for good, you're next, Nergal Glaphyra and Maacah Necroshade.

Talia Tornadora: Now, the battle against The Forces of Darkness is now on. Nergal Glaphyra and Maacah Necroshade, you will both pay for the atrocities you madmen have committed!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Mexico to destroy Ucumu and Dark Punguari, and once we got done with them, Tania Tornadora and Lincoln are going to destroy Nergal Glaphyra and Maacah Necroshade and send them to The Black Abyss.

We were off!

We arrived in Japunda in Michoacán, Mexico.

Ronnie Anne: Here we are guys.

Me: So this is Japunda. Nice place.

Syd Chang: It sure is.

Lola: Wow! We've never been to this part of Mexico.

Varie: We sure haven't.

Me: Yeah.

Demyx: Let's call the U-Foes.

?: Someone call?

We saw the U-Foes and they were eating Burritos.

Vector: We were in the area having drinks.

Me: Oh perfect timing guys.

Syd: Yeah.

Galaxy Man: Can we join you guys?

Vapor: Sure.

We got to having some drinks.

Me: (Slurps) Ahh. Good smoothies and drinks.

Nico: Yeah.

Vapor: So today is Syd's day?

Me: And Ronnie Anne's too. We're going to battle Ucumu the God of the Underworld in Aztec Myth.

Ironclad: Oh man! We're going to be in for a battle like no other.

Me: I know. But we killed Evil Gods before.

Punguari: I know about Ucumu. He is a nasty piece of work.

Dai Gui: We should use guitars for this

Nico: We're going to need more than that.

Me: This is gonna take everything we got.

Camie: Yeah.

X-Ray: Oh by the way I don't believe we met.

Punguari: Oh sorry. My name is Punguari.

Ronnie Anne: Punguari is the Goddess of The Moon and I saved her from herself when I was here years ago.

Vector: (SPITTAKE!) Whoa! That is cool!

Me: It sure is! We were amazed ourselves.

Phage: We sure were.

Vapor: That is amazing! Wow! Ronnie Anne you must be one lucky girl to have the Goddess of the Moon herself as a friend.

Ronnie Anne: I sure am.

Lincoln: And she is one of my future wives now too.

Me: Yep. Lincoln marked her.

Camie: Yep.

Me: Also Rosa and family took Ronnie Anne down here to this town for her birthday to learn more about Ronnie Anne's Ancestral heritage. Little did she know that it was going to explode into a battle to save the world from the evil Mayan God of the Underworld, Ucumu.

Duskmon: When did this happen?

Me: 8 years ago. It was 4 months before I moved to Michigan.

Ronnie Anne: Yep.

Duskmon: That's incredible.

Lincoln: I was shocked hearing about it the first time myself.

Camie: All of us were.

Punguari: It's true. Also see that mountain there?

We saw a strange Half Pipe looking mountain.

Ronnie Anne: That's Mount Punguari.

Punguari: I was sealed inside that mountain 800 years ago.

Snake Man: You were?

Punguari: Yeah I was rebellious back then. Mostly because I was doing all that because of Ucumu. My mom and dad petrified me to protect me from Ucumu.

Me: Like Aries the God of War, Ucumu has a nasty habit of manipulating and brainwashing people.

Mercurymon: That's nasty.

Me: Yeah.

Punguari: But he is all brute force and he is going to destroy the entire planet.

Me: He is a Cataclysmic Diety.

Nico: Yeah.

Me: Not even the fiery pits of Xibalba can stop him.

Ymir: Xibalba?

Me: The Mayan and Aztec Version of Hell. Not even that can stop him.

Nico: Yeah. But this is gonna REALLY Test the ultimate extent of our power.

Giganta: I can probably handle him

Me: We'll see. Also we better call Hades and the Titans for this. We're going to need every ounce of godly power to bring him down.

Nico: Good idea.

Arbormon: I'll call them

He did so.

Hades: So we're going to battle gods.

Pyros: This is gonna be good.

Me: Yep.

Nico: We better take this to another planet so people don't get hurt too.

Qin: Good idea.

Lincoln: Yep. WHOA! I just got a premonition. We're going to battle Syd's Akuma. Her name is Queen Zooma. The Hypothetical Akuma of Syd Chang and she is a master of the elemental powers of animal spirits. She was made because of Becky bashing out Adelaide's beains and making her suffer and she vowed to kill that Unibrow terror.

WE GASPED!

He showed us a sketch and she looked like Queen La but with green hair and eyes and had the spirits of the animals in a green aura around her.

Me: WHOA!

Qin: Amazing!

Isabel: That is an Akuma I can find amazing.

Clawful: Looks like you got competition.

Isabel: Lets not get carried away.

Lola: Yeah.

Camie: Where is she?

Eli: (Concentrates) She's in the jungle.

TIGER ROAR!

Grumblemon: Syd? Is that you?

Syd: No.

Me: Look!

We saw a Tiger!

Me: Cool a tiger!

Then a Wolf, A Bear, A snake and a whale appeared and out came QUEEN ZOOMA!

Me: Queen Zooma!

Tarzan: You look so much like Queen La the Leopard Queen.

Queen Zooma: I sure do don't I?

Me: Yeah.

Syd: I look so cool like this!

Ronnie Anne: Syd? Is that really you?

Queen Zooma: Yes Ronnie Anne it's still me.

Me: Your animal friends are awesome.

Isabel: They sure are. The spirits of the Tiger, Wolf, Snake, Bear and Whale with you.

Queen Zooma: Where is Becky?

But then...

KRABLAM!

SHE GOT SOCKED IN THE HEAD BY A HUGE COCONUT!

Queen Zooma: OW!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Becky Blickensderfer: Someone call?

Vector: You need to calm down!

Queen Zooma: NOT UNTIL THIS BRAT PAYS!

Me: Then lets dance!

I fired a fireball and blasted her!

Becky charged and bashed her with a punch and bashed her down.

The U-Foes flew and blasted her all over the place with intense fury!

Nico: YEAH!

Queen Zooma: My turn!

She sent the spirit of the cheetah at us!

Lily Chilman: I don't think so! JUNGLE BEAST SPIRIT UNLEASHED!

She transformed!

Lily Chilman: WITH THE SPEED OF THE CHEETAH! JUNGLE FURY YELLOW RANGER!

She ran fast and bashed the spirit and Queen Zooma down with intense force and knocked her out!

Me: YEAH! Way to go Lily!

Roy Koopa: Lincoln, does she know anything spiritual about Ben's aliens?

Lincoln: No it's completely new to me.

Isabel: Me too. But I think all of the predatory aliens of Ben's alien do have some kind of symbolic and spiritual meaning.

Xenia: Wow!

Lily Loud: That is amazing and interesting.

Camie: It sure is.

Vulture: She might know anything spiritual about Ben's aliens. Who knows?

Me: Only time will tell about that.

Qin: Yep.

Eli: I sense something coming!

But then there was a RUMBLE!

Me: UH OH! WHOA! I'm sensing an intensely enormous evil power!

Nico: He's coming!

Punguari: Ucumu!

Nico: Yep!

Eli: This is it!

Nico: There they are, now it's time we bring an end to the Mexican God of The Underworld, Ucumu, along with Dark Punguari.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Palpatine is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Nergal Glaphyra, Maacah Necroshade, Dark Punguari, and Ucumu saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Dark Punguari and Ucumu without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Nergal Glaphyra, Maacah Necroshade, Dark Punguari, and Ucumu raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Nergal Glaphyra and Maacah Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of the Aztec Gods and Goddesses of Mexico appeared and they attacked Ucumu, Dark Punguari, Nergal Glaphyra, and Maacah Necroshade and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Ucumu, Dark Punguari, Nergal Glaphyra, and Maacah Necroshade even more pissed off than ever.

Nico: Hope you've enjoyed your moment of freedom, Ucumu, for this shall be your last day in this world.

Me: Same with you, Dark Punguari.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc when Ucumu awakened, but it matters not. Once we get done with Dark Punguari and Ucumu, you two snakes are next.

Nergal Glaphyra: YOU MISERABLE WOLF!

Maacah Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS! ARMIES OF MALPHAS, KILL THEM!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" male hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the 12'6" male hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the 12'6" male hellhounds royally pissed off Nergal Glaphyra and Maacah Necroshade!

Nergal Glaphyra and Maacah Necroshade: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped those Satanic monsters inside a force field to keep them inside.

Lincoln: That'll keep you jerks inside. Now, to deal with you two.

Mandy: You two don't look too tough.

I teleported the battle to Dilgan!

Me: Time for some pain!

UCUMU ROARED FEROCIOUSLY AND FIRED MASSIVE BLASTS OF FIRE AT US! WE ABSORBED THE FIRE!

I teleported and punched him with devastating force and kicked him in his face and bashed him down!

Varie kicked Dark Punguari in her face and fired massive blasts of water and drenched her.

Heatwave: Feel the heat!

Heatwave fired a massive blast of fire and burned Dark Punguari!

Punguari fired a massive energy blast and blasted both Ucumu and her dark self.

Nico: YEAH! Taste this!

He had all 7 Dragonballs on his bracelet glow and he formed a MASSIVE RED ENERGY BALL and condensed it!

Nico: This is the number of pain and suffering you committed! NEGATIVE KARMA BALL!

He fired it and it slammed into Dark Punguari and exploded with incredible and intense power!

EXTREMELY MASSIVE AND INTENSELY POWERFUL EXPLOSION OF NOVA PROPORTIONS!

When the smoke faded, Dark Punguari was badly hurt!

Me: Top this!

I used the Thunderbolt of Zeus!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

I stabbed Ucumu with it and lightning struck all over!

Alister: Time for me to Summon help!

Rafael: Me too!

They summoned their monsters!

Guardian Eatos: So we're fighting the god of the Underworld and the Dark version of the Goddess of the Moon. Interesting.

Guardian Elma: This is gonna be tough but good.

Nicole Malicestar flew at Dark Punguari with intense speed and slashed her all over the place.

Dr, Viktor: Time for a shock!

He fired intense purple lightning and electrocuted them.

Pyros fired a wave of lava!

Hydros fired a wave of ice!

Stratos fired blasts of wind!

Lythos fired waves of rock!

Hades fired a massive blast of fire!

The blasts hit them both and exploded with intense power!

Dark Punguari: YOU DARE TO CHALLENGE A GOD!?

Me: WE DARE!

Galarian Rapidash charged at them and blasted them with energy.

Eli: KING KONG!

Then out of the ground came KING KONG!

KING KONG ROARED!

King Kong: So we're facing Ucumu! Nice! Eli, Supercharge me!

Eli: Coming at you!

He fired a massive blast of Force Lightning and me, Lincoln and the Lightning Users fired massive blasts of intense lightning and it SUPERCHARGED HIM INTENSELY!

King Kong grabbed Ucumu!

ELECTRICITY SURGING!

He electrocuted him intensely with intense power and he screamed in pain!

Will and Elyon charged at them and blasted them with lightning and light!

Will and Elyon: LIGHTNING QUINTESSENSE BLAST!

They fired a massive blast of lightning and blasted them both.

Irma and Cassidy charged at them And blasted them with water and extinguished Ucumu's fire!

Irma and Cassidy: WATER CANDRAKAR BLAST!

They fired a massive wave of water and drenched them,

Laney: Wet under the collar aren't you?

Irma and Melon Mint charged at them and fired waves of water and energy.

Irma: Lets drench!

Irma and Melon Mint: MAELSTROM MELON BLAST STORM!

They fired waves of energy and water and blasted them all over.

Taranee and Zuko charged at them and blasted them with fire!

Taranee and Zuko: FLAMING BENDING BLAST!

They fired a massive blast of fire and burned Dark Punguari!

Me: Take that!

Cornelia and Kadma charged at them and smashed them with intense Earth blasts.

Cornelia and Kadma: ROCKING EARTH BASHER!

They fired waves of rock and bashed the two of them.

Hay Lin and Yan Lin charged at them And blasted them all over with wind!

Hay Lin and Yan Lin: WIND TORNADO BLAST WAVE!

They fired waves of wind and blew them around in a powerful tornado!

Ucumu roared and fired a massive blast of fire at us. But we absorbed it all.

Jeri and Kion charged at them and fired waves of energy and fire!

Jeri and Kion: LIONROAR FIST BLAST!

They fired a massive wave of fire and energy and blasted them.

Camie: Take that!

Ymir fired waves of darkness and blasted them both.

Earth and Wild Storm charged at them and fired waves of lava and wind and blasted them.

Earth and Wild Storm: WIND EARTH BLAST STORM!

They fired waves of wind and Earth and blasted them big.

Stacy and Cernumon charged at them And blasted them both with intense lightning and energy.

Stacy and Cernumon: HOLY NATURE BLAST STRIKE!

They fired waves of lightning and light and nature and blasted Ucumu and Dark Punguari.

Kari and Candy Apple charged at them And blasted them with light and apples.

Kari and Candy Apple: CANDY APPLE LIGHT BLAST!

They fired a massive light blast and blasted them both and smashed them.

Davis and Hinata charged at them and blasted them with intense energy.

Davis and Hinata: BLASTING LION FIST STORM!

They fired a massive blast of lion energy and blasted the two.

Me: YEAH!

Carla Santiago: Like old times?

Ronnie Anne: I am ready!

Carla Santiago and Ronnie Anne: MEXICO OMEGA BLAST!

They fired waves of energy and blasted the two of them all over.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF UCUMU AND DARK PUNGUARI TO NO END! NOW, THE BATTLE FOR THE FATE OF THE WORLD AND MANKIND WAS ON!

Lincoln, Ronnie Anne, Syd, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Ucumu and Dark Punguari, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Ucumu and Dark Punguari and they exploded with incredible power as they hit them.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Ucumu and Dark Punguari and they got hit hard.

Ed Cowart: Ok, Ucumu and Dark Punguari, you get yours!

Ed Cowart proceeds to insult Ucumu first.

Ed Cowart: Ok, seriously Ucumu, are you that self-conscious about your looks? Wow, you must be a wuss to feel that way you cheap dollar store. In fact, you Hades knock-off, you're so big you'd give Wailord a run for his money! And one last thing?

Ed Cowart fires massive amounts of dry ice at Ucumu which instantly froze his body at absolute zero, then, he flicked Ucumu's body which shattered into a million pieces, thus revealing Ucumu's skeleton. Then, he proceeds to dress Ucumu to resemble a ballerina dancer.

Ed Cowart: Also, that's a good leotard. Do they come in men and god sizes?

THAT MADE UCUMU SO MAD, HE REGREW HIS SKIN AND ROARED ANGRILY!

Nabiki Tendo: Allow me to join in.

Nabiki Tendo proceeds to insult Dark Punguari.

Nabiki Tendo: Ok, seriously, all that just because you were turned into a mountain? Get a grip, you cheap Maui knock off! Nabiki Tendo proceeds to smack Dark Punguari with a frying pan several times before whacking her head with the frying pan hard. Then, she dressed Dark Punguari to make her look like a hula dancer.

Ed Cowart: Ready, Nabiki?

Nabiki Tendo: Thought you'd never ask.

Then, Ucumu's army of lava minions turned to molten rock, and that wasn't all: the draining rainstorm also hit Ucumu and Dark Punguari and it also sucked out their energy, and Lincoln and all of us assimilated Ucumu's Fire breath, Monster summoning, Snake-like appendages, Immortality, High intelligence, Immense size and strength, Invulnerability, and Physical regeneration, and Dark Punguari's Shapeshifting, Immortality, Umbrakinesis, Charisma, Cunning, Manipulation, Fighting skills, and Voodoo magic and the powers The Mask of Many Faces granted her: Electrokinesis, Immense size, Superhuman strength, Superhuman speed, Superhuman agility, Superhuman durability, and Proficient use of the magic staff.

But, the villain we faced was none other than Lincoln's old enemy and bully, Dustin Keystone and his family of nihilistic murderous assholes, who came back from The Black Gates thanks to Dark Sebastian and his minions.

Carly Atlas: SAY WHAT?! DUSTIN KEYSTONE AND HIS FAMILY CAME BACK?!

Goku: Afraid so, and Lincoln got back at him using his new curse called THE CURSE OF THE VENGEANCE OF THE HUNDRED QUINTILLION SOULS OF THE INNOCENT!

LIGHTNING CRASH! HORRIFIC BLOODCURDLING SCREAMS!

Cat Mummy: YIKES! THAT'S REALLY SCARY!

Goku: If you thought hearing the name is bad enough, here's how the curse works. Lincoln forms and fires extremely powerful blasts of darkness, dark fire, and angry souls from his massive white angel wings and other sets of white angel wings underneath his massive white angel wings, and the blasts hit people like Burns who are known as the worst of the worst kinds of traitors in the world who committed the worst crimes throughout their lives and all for their own greed or for their own twisted amusement of seeing people die or killing them themselves, and when they get hit by this curse, they first hear the screams and wails of 100,000,000,000,000,000 legions of angry souls screaming for vengeance. Then, they suddenly feel like they're being ripped apart from the inside out as the legions of angry souls attack the cursed victim with incredible fury, and then, we see their veins in their body turn black with darkness coursing through their body, and the final stage of the curse hits when the darkness spills into their eyes as the sclera of their eyes turn black, and then, their eyeballs are suddenly pushed out as darkness spills out of his eye sockets, and we see the darkness turn into the souls of their victims, and they proceed to rip him apart limb from limb, and once their soul comes out, the angry souls of their victims grab the cursed victim's soul, and then, the kanji Black Abyss appears on their chest and forehead, and then, they are consumed by the black fires of The Black Abyss, and they are forever erased from existence never to be reborn ever again, and it also affects their family members who are just as evil as they are.

THEY SCREAMED IN BLOODCURDLING FRIGHT!

Bui: That is terrifying, but perfect not only for him, but also for Burns, and I hope he uses it on that old vulture.

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Me: Now time for the Fire of Friendship to Bring down these evil abominations!

I formed a huge rainbow fire sword and slashed them both and then obliterated them in an instant and wiped them both from the face of the Earth forever and banished them both to The Black Abyss and all that was left was The Mask of Many Faces!

I landed and everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Ronnie Anne and Syd Chang are permanent.

Me: YEAH!

Nico: WOW! J.D. that was intense and awesome!

Pipp Petals: Oh my glitter you look so radiant and more awesome than ever J.D.!

Me: WOW! I sure do! I unlocked my Rainbow Power!

Nico: You sure did! Well done J.D.!

Qin: WOW!

Misty Tredwell: This is amazing! Wow!

Sunset Shimmer: That's your Inner Flame of Justice and it's stronger

than ever.

Me: It sure is! Wow!

Syd: We did it!

Ronnie Anne: Ucumu's finally gone forever! And so is Dark Punguari! Hah! Take that, that's for messing with familia!

Nico: That's for sure.

Me: And we got rid of the evil Mexican God of The Underworld and Punguari's Dark Side for good, that was an awesome Cinco De Mayo adventure.

Then, we turned our attention to the barrier with Nergal Glaphyra and Maacah Necroshade inside it.

Lincoln: It's not over yet. Now, we turn our attention to Nergal Glaphyra and Maacah Necroshade.

The barrier came down, and Nergal Glaphyra and Maacah Necroshade were now completely insane!

Nergal Glaphyra and Maacah Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts and the blasts were destroyed.

Tania Tornadora: Looks like what we did to Ucumu and Dark Punguari really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Tania Tornadora's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark lightning, dark winds, phoenixes, and angels, she unholstered her staff, and as she approached Nergal Glaphyra and Maacah Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark lightning, dark winds, phoenixes, and angels with every step.

Tania Tornadora: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. I will never forgive you two for what you did. Nergal Glaphyra, Maacah Necroshade, as The Weather Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, I hereby sentence you two Satanic monsters to death.

Lincoln, Tania Tornadora, Nico, and I went after Nergal Glaphyra and Maacah Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Nergal Glaphyra and Maacah Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Tania Tornadora did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Tania Tornadora, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Nergal Glaphyra and Maacah Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Nergal Glaphyra and Maacah Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Nergal Glaphyra and Maacah Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Nergal Glaphyra and Maacah Necroshade hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Nergal Glaphyra and Maacah Necroshade were now on their last legs and they were really really mangled and we suddenly found ourselves back home on Earth and back in Mexico.

Nergal Glaphyra and Maacah Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Nergal Glaphyra and Maacah Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Nergal Glaphyra and Maacah Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Tania Tornadora's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Tania Tornadora: We did it, that's two down and eighteen to go. Thanks for helping me get rid of Nergal Glaphyra and Maacah Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Tania.

Me and Nico: Our pleasure, Tania.

Suddenly, Tania Tornadora wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tania Tornadora's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Tania Tornadora sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Nergal Glaphyra and Maacah Necroshade are gone forever.

Lincoln: Yep, now we got eighteen more to go: Aragon Cochran and Athalia Necroshade, Ryan McCabe and Jezebel Necroshade, Windsor Grimm and Herodias Necroshade, Alex Creighton and Delilah Necroshade, Owen Thatcher and Belial Necroshade, Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw earth forming and pottery form and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters along with earth and pottery.

Selene Arcangela: There's only one person who has earth and pottery as part of her specialty in The Witchcrafter Artisans Guild: Louise Bannister, Avatar and Gene-Slammer of Witchcrafter Potterie.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Louise Bannister, Avatar and Gene-Slammer of Witchcrafter Potterie, is Lincoln's Guardian Angel from Michigan and she's a powerful master of earth, pottery, and magic. She's the Pottery Maker of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Louise Bannister met Lincoln, and this one time, she and Lincoln created amazing clay pots and other pottery items, and they were featured in art galleries over the United States. Plus, she really helped him with mastering the powers of earth, pottery, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a blazing passion because he tried to destroy the pottery they've made out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and that old goat got her butt kicked and she got sent back to the Lansing Maximum Security Nuthouse again, and she also got a warning from Varie: the next time she hears Scoots has escaped to cause havoc again, she was going to kill her by making her die a slow and painful death by having her flesh sliced off with a burning hot knife.

Nico: Wait, you actually said that to that old goat?!

Varie: Yes, I did.

Me: And she was serious, next time she hears that old goat has escaped again, she was gonna make her die a slow and painful death by slicing off her flesh with a burning hot knife.

Nico: Damn...!

Suddenly, we heard a demonic roar, and streams of darkness were coming right our way, and as they landed, what stood in their place were none other than Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran, and they were pissed that we killed Nergal Glaphyra and Maacah Necroshade.

Me: Well, well, if it isn't Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran.

Dark Sebastian: You damn bastards! You ruined my trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Alaister Necroshade: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

That pissed off those snakes really badly, and Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran went after us for revenge, but then...!

A MASSIVE BLAST OF ENERGY CAME CRASHING DOWN ON THOSE SNAKES AND THEY STOPPED DEAD IN THEIR TRACKS!

King Kai: (Telepathically) You and your minions better leave right now, Dark Sebastian, or you're going to be in worse trouble than getting trapped in Hell.

Dark Sebastian let out a demonic shriek from Hell, as he, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran turned into streams of darkness and flew off swearing revenge on us!

Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too, you fucking snakes! Thanks for that, King Kai.

King Kai: (Telepathically) No problem.

Lincoln: Looks like those snakes aren't going to give up, we've got to keep an eye out for whatever dirty stunt they have up their sleeves.

Pipp Petals: Oh my glitter! That was so amazing!

Kalin: I agree with that!

Greiger: That was awesome!

Devack: It sure was.

Me: YEAH! Wow! That was intensely strong!

Nico: It sure was!

Izzy Moonbow: WOW! First I unlock my inner creativity and now J.D. unlocks his Inner Flame of Justice!

Me: Wonder who next.

Kerbero Gangan: How should we celebrate?

Merman: With Mexican Food!

Me: Yeah!

Nico: I second that! Great job today everyone and Syd, Ronnie Anne you all did amazingly well!

Syd: We sure did!

Ronnie Anne: So fun!

Punguari: It sure was!

Me: Yeah!

Ronnie Anne: (To the viewers) Now the world is safer without Ucumu running amok.

Me: It sure is!

We went back to the Earth and had Mexican food and it was awesome.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down and destroyed Dark Punguari and Ucumu, and earlier today, I freed Punguari from her Dark Side and we met her, Chipiri, and Sisiki, took down Professor Pester and the clone of the Monster of Mexico and sent them to Vypra, and we not only met Caleb's old friend, Haruki Takahashi, but I finally got rid of my old enemy, Dustin Keystone, and his family of nihilistic murderous assholes who came back from

The Black Gates and sent them all to The Black Abyss using my Curse of The Vengeance of The Hundred Quintillion Souls of The Innocent, and we also got rid of Nergal Glaphyra and Maacah Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others joined in.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his fifty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to the world of Droners, but as he was flying, he saw the skies turn black and he also saw the symbol of Apophis and The Dark Church of Malphas in the skies. Then, he saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran, and he saw them resurrect an old enemy he killed last year: it was Gavinda Teach, and she's back for revenge on us for killing her. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified and pissed off.

Selena Mendez: That snake! I can't believe him!

Camie Elextor: Well, we know what we're doing on your rescue next, Lincoln.

Lincoln: Yep, get rid of Gavinda Teach, and this time, for good, and when we run into those snakes on our next mission, remind me to yank out Dark Sebastian's right eye.

Anna Anyanova: Good idea, but won't he just regrow his right eye?

Lincoln: Eh, that's true, but this'll show him if he pisses us off one more time, next time, I'll yank out more than just his right eye.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to the world of Droners.

Then, Lincoln explained that he was flying, he saw the skies turn black and he also saw the symbol of Apophis and The Dark Church of Malphas in the skies. Then, he saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran, and he saw them resurrect an old enemy he killed last year: it was Gavinda Teach, and she's back for revenge on us for killing her.

Ets: What?! That goddamn pack of snakes!

Nico: You know, if what they did yesterday wasn't bad enough, but to find out they also resurrected Gavinda Teach, that's another line they crossed!

Me: That's for sure, I swear it's like they got black slime running through their veins.

Lincoln: Well, I'm gonna yank out Dark Sebastian's right eye when we run into him and those other snakes on our next mission.

Cage Blunt: That I'd like to see.

Travis Tackett: Someone needs to knock that psycho down a few million pegs.

Caleb Maxwell: And even riddle him with bullets.

Goku: They're gonna run away when Lincoln gets through with them, so you probably won't get any opportunities to turn them into swiss cheese.

Caleb Maxwell: They're just damn cowards too afraid to face death.

Goten: And what they did in taking the last battle to Hell, that just proved Dark Sebastian was always a dishonorable coward, what a blackhearted snake.

Babs Bunny: And a sore loser.

Lynn: That's not even a word I'd use for him.

Selena Mendez: And I know just the words to use for him.

Lincoln: Selena, don't even think about saying those words, not with little kids present.

We snickered.

Qin: Ooh, he caught you stone cold trying to say those words about the dark side of your brother.

Nico: And he's right, we heard you say those words long ago about your brother, and I thought J.D. had a rotten garbage mouth.

Me: What did she say?

Nico whispered them in my ears and our ears, and my jaw hit the floor!

CLANG!

ELI CLOSED MY JAW!

Me: Forget I asked! Jeez, Selena.

Krillin: Wow.

Caleb Maxwell: Damn, and I thought I was capable of spewing toxic words like that.

Yamcha: I get that your brother was a monster in the past because of The Black Ooze of The Eldritch, Selena, but that was some colorful language.

Lincoln: I warned you guys, she has a rotten garbage mouth as bad as J.D., and she aimed them right at her brother in the past when he had that thing in him. Alright, now let's finish breakfast and take down the next villain for Nico's rescue.

Keiko woke up to see Mega Venusaur staring at her

Mega Venusaur: Morning Keiko.

Keiko: Morning Mega Venusaur.

Mega Venusaur: Morning Keiko. Time for breakfast.

She went and got dressed and went to the table and had breakfast and she was hungry.

We finished our breakfast, and we headed out to take down the next villain for Nico's rescue.

Camie: I think it's amazing.

Carly Atlas: I agree there as well.

Lola: Yeah!

Nico: Look at all the amazing Pokemon.

Tentacool: I hope we meet Galarian Versions of me.

Varie: I'm sure we will.

Shining Firefly: This is gonna be so fun.

Nico: Shining Firefly I want to thank you, The Scarab and your teams for coming.

Shining Firefly: No problem Nico. This is gonna be fun.

Me: Yeah!

Hiyori: I'm excited for this.

Soji: Me too Hiyori.

Nico: Hiyori, remember when we first met you?

Hiyori: I sure do. That was during Nokama's missions and it was so fun.

Camie: Cool!

Ymir: Wow!

Hiyori: I'm glad all the worms are gone.

Me: Not all of them. Many of them are in the M.O.E. But they gave us an amazing challenge and their speed was amazing.

Nokama: I remember. Man J.D. had to take off his weighted clothes to be equal and faster than they are.

Ymir: WHOA! They must've been that fast.

Nico: They were.

Soji: It was that much of a challenge for him and us.

Me: But it was fun.

Nico: They could also shapeshift

Me: Metamorphose is the right word. Like how Caterpillars turn into butterflies.

Soji: Exactly.

Nico: True but that was so fun.

Me: It sure was.

Soji: I have this feeling we're going to battle my main enemy on Nokama's day to shine.

Me: You mean Masato Mishima. Yeah he was a fucked up douchebag.

Nico: Yeah wanted Worms to be the most superior species on Earth.

Xenia: What a jerk.

Poromon: I know!

Me: Yeah!

Nico: But all the Kamen Rider Villains will get what's coming to them.

Lola: Yeah.

Ronnie Anne: We had so much fun yesterday!

Me: WOW! That was the most awesome Cinco De Mayo ever!

Nico: It sure was! And Ronnie Anne you and Syd were incredible. Ucumu was a powerful one!

Me: He sure was! Yesterday was REALLY eventful.

Ronnie Anne: You guys met Punguari and learned how we met which was awesome.

Me: And we destroyed Ucumu and Dark Punguari.

Poromon: I ate Mexican Food!

LOUD FART!

He farted!

Poromon: Sorry.

Me: Yeah we sure did!

Qin: That was awesome!

Me: Yep. And the most awesome part was me unlocking my Inner Flame of Justice.

Pipp Petals: Oh my glitter that was so amazing!

Me: It sure was! But I am gonna need to have some training to master it.

Twilight Sparkle: I think I can help with that.

Me: Thanks Twilight.

Nico: Yeah and also Syd's Akuma looked really cool!

Poliwag: She sure was!

Me: Yeah! Also the best part is Poliwag and Horsea got engaged!

Xenia: YEAH!

Camie: So awesome!

Horsea: I'm getting married!

Me: YEAH!

Xenia: Yep.

Lola: We're happy!

Me: Yep we sure are.

Tentacool: Can I be flower girl or bridesmaid?

Horsea: I would like you to be a bridesmaid.

Tentacool: Cool!

Qin: Yeah!

Me: Yep.

Xenia: Lets just enjoy the sights here for now.

Me: Yeah.

We walked around and saw a huge island resort.

Me: Look there!

Nico: Wonder what's being put in there.

Me: No idea.

Nico: Soji, do you want to come with me on Lisa's final mission?

Soji: I would be honored Nico.

Me: Awesome!

Qin: Yep.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in the Galar Region, but here's the bad news: our enemy, Nastina, is back.

WE GASPED!

Me: Nastina's back?!

The rest of the team's with us.

Nico: Seriously, that jellyfish hating greedy old hag, she just will never learn, will she?!

Caleb Maxwell: What did she do?

We explained what Nastina did and what she tried to do again in Chapter 1332 in The Loud House: Revamped, and when we were done, everyone else was pissed, but Caleb, we saw his crimson red eyes turn brighter and he was now out for blood.

Caleb Maxwell: SHE DID WHAT?! That jellyfish hating greedy old hag! If she thinks she's gonna get away with this, she's got another thing coming! I'm gonna give her real Hell, she's gonna see what a real demon I can be when I get that pissed!

Cage Blunt: Oh boy. (Smirks) This is gonna get real ugly.

Lincoln: Hope it doesn't end too badly, we're gonna send her to The M.O.E., and Vypra's gonna enjoy torturing her.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Me: Right!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his fifty massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Nastina) Aha! Gotcha! I just spotted Nastina, she's 20 yards away, and she's at it again trying to destroy the habitat of The Tentacool and Tentacruel.

Nico: Again?! Let's get her, and Caleb, you be ready to give her true Hell on Earth.

WE GASPED, AND CALEB HAD A MALEVOLENT NASTY GRIN ON HIS FACE: NOW, HE WAS OUT FOR BLOOD!

Caleb Maxwell: Now, you're talking.

Leo heard a Pokemon cry.

Leo: Look guys!

We saw a Luxio!

Me: Cool a Luxio!

Fluttershy: Aww the poor little thing is hungry.

Me: Yeah.

Luxio: Yeah I couldn't find food.

Leo gave her some food. And she ate them.

Luxio: Ahh. Thank you.

Leo: You're welcome. Want to come with us?

Luxio: Sure!

Me: Cool!

But then a Vivillon came and flew around us happy and was full of love.

Me: OOOH! A Vivillon!

Nico: How did that get here?

Me: I think I know. But this one just wants to fly around and have fun.

Dextra: I think I know this one.

She used Telepathy and gasped!

Dextra: It's my sister Alexandra!

Me: Oh wow! Lets help her out.

We went over and she was flying in front of us.

Me: Hey there.

Dextra: Alex it'll be okay. You are safe now.

She then flew and grabbed her from behind and lifted her up.

Dextra: HEY! Alex put me down!

She was over the water and then...

Dextra: (FALLS)

KRASPLASH!

She landed into the water!

Dextra spit.

Dextra: (COUGHING)

Me: (LAUGHS) This one is a mischief maker.

She then grabbed Horsea and she dropped her.

SPLASH!

Horsea: HEY! Well at least I wasn't attacked.

The Vivillon laughed.

Dextra and Horsea came back.

Me: Okay then.

We fired waves of energy and blasted her all over.

Then I snapped my fingers and she was a girl with orange red hair and blue eyes and had fire angel wings and had Vivillon in the middle of her forehead and had a Phoenix Butterfly Cutie Mark on her arm.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's stern gaze

Alexandra Papillon: Huh? A Horsea?

Horsea spit water in her face.

SPIT!

Alexandra Papillon: HEY!

Horsea: That was for dropping me into the water!

Maria picked her up.

Maria: Horsea calm down. She didn't attack you this time.

Horsea: But still!

Maria: Horsea that's enough.

Dextra: Alex?

Alexandra Papillon: (GASP) Dextra!

She hugged her!

Alexandra: I'm so happy to see you okay. Where is Vetrix!? I want to kill that monster for hurting you.

Me: We'll deal with Vetrix soon. Also you were turned into a Vivillon by Dark Gale.

Alexandra: (GASP) I remember!

She was in a pink suit and injected and turned into Vivillon and flew out.

FLASHBACK ENDS

Alexandra: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Alexandra: Good.

Nico: Your role in Sonya's Team?

Alexandra: I am the Fire Butterfly Mage of the team and use my powers of butterflies of fire to burn our enemies. Outside the team I am a duelist and I trained hard to get revenge on Vetrix for hurting my sister.

Me: He will pay in blood, I promise you.

Dextra: I held on to your D-Pad for you.

Alexandra: Thank you sis.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new orange and pink clothes and a spear.

Alexandra: I look amazing.

Me: You sure do.

Qin: Yep.

We then heard fighting and saw NASTINA AND HER GUARDS BLASTING A BUNCH OF GALARIAN TENTACOOL AND TENTACRUEL!

Me: Oh no not again!

Tentacool: No one attacks my people and gets away with it!

We then took off into the air to take down Nastina and send her to The Masters of Evil and send the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

Me: Lets get her!

Caleb Maxwell: With pleasure. TIME TO DIE, YOU GREEDY OLD HAG!

CALEB MAXWELL FLEW RIGHT AT NASTINA, AND HE UNLEASHED PURE HELL ON HER AS HE FIRED BLASTS OF BLACK AND CRIMSON RED, WHITE, GOLDEN YELLOW, AND BLUE ENERGY, STARS, AURA ENERGY, WHITE AND BLUE HEAVENLY FLAMES, HELLFIRE, DIVINE DARKNESS, BLOOD, SHADOWS, VAMPIRE BATS, DEMONS, PHOENIXES, AND ANGELS AT HER AND HER BODYGUARDS!

Nastina: NO! GUARDS! GET HIM!

The guards summoned their Pokemon!

Caleb Maxwell: OUT OF MY WAY!

Caleb Maxwell fired blasts of Hellfire at the Pokemon and Nastina's bodyguards and they got burned badly! Then, Caleb Maxwell started shooting at Nastina's bodyguards with silver bullets from his guns, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit.

OUR JAWS WENT WIDE OPEN AT THE SHEER VIOLENCE AND CHAOS CALEB'S LET LOOSE!

Me: HOLY ENCHILADAS! THIS IS GETTING UGLY!

Nico: Same here! What the fuck did I just unleash?!

Cage Blunt and Travis Tackett: (LAUGHING WILDLY) WHOO! GET HER, CALEB! TEAR 'EM APART! MAKE THEM BLEED!

Allie Maxwell: Seriously, you two get way too wild and excited seeing my brother cause all that mayhem, violence, and chaos.

Leela Salyers: True, but what can you do?

Peace Salyers: And Caleb's part of the family of vampires, and the violence, mayhem, and chaos can be blamed on your ex-brother, Drake.

Jack Howard: And with Cage and Travis cheering him on, that could mean it's about to get uglier!

Suddenly, Caleb Maxwell let his grip on his guns loose as they dropped and were levitating, and then, he clenched his hands real tight as his gold-armored dragon claws drew blood which formed into a pool behind him, and we felt that familiar darkness coming from it.

Caleb Maxwell: Now, suffer for all eternity. (ECHOING VOICE) RAIN OF BLOOD!

A MASSIVE GEYSER OF BLOOD ERUPTED BEHIND CALEB MAXWELL, AND A MASSIVE RAINSTORM OF BLOOD CAME DOWN, AND IT DID A LOT OF DAMAGE HITTING NASTINA, HER GUARDS, AND THEIR POKEMON, BUT IT WAS ALSO MAKING US AND THE VAMPIRES ON OUR TEAM EVEN STRONGER THAN EVER, AND WE HEARD CALEB'S WILD DEMONIC LAUGHTER ECHOING IN THE AIR AND HE WAS ALSO FIRING MORE BULLETS FROM HIS GUNS LIKE CRAZY!

Me: Oh God, I've unleashed a monster!

Lincoln: Wow, I've never seen that kind of wild crazy violence before, but this is on a whole new level.

James Blunt: Caleb really knows how to put on a show, that's for sure.

Vegeta: Andre, you better get in and stop this, we need Nastina alive.

Me: Long time no punch, Nastina.

Nico: You got some nerve coming back here, you greedy old hag, and hurting the Tentacool and Tentacruel again?! You just don't learn, do you?

Nastina: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! I'LL KILL YOU, ALL OF YOU!

Me: You just don't know when to quit do you!

Nastina: I HATE YOU ALL!

Our auras flared up!

Me: Thanks for the power boost!

But then a figure crashed into the ground and it was Xion!? What's going on here! But she had an Akuma mark on her the Sun Kanji on her coat.

Xion: Is that me!?

Lincoln: (GASP) That's your Akuma! Your real name is Noi and she is your Akuma. Xion of the Sun. They are the Akuma's of Organization XIII and they were made for one purpose: To destroy Xehanort to get revenge.

Me: WHOA!

Nico: Too bad Xehanort kicked the bucket.

?: Thank goodness.

Out came one of Lincoln's guardian angels and it was a girl with black hair, blue eyes and a black and white dress and had fire angel wings and had a fire sword and the kanji of the Sun on her forehead.

Lincoln: Olivia Noi Xion!

Olivia Noi Xion: Good to see you Linky.

Me: Care to introduce us?

Anna Anyanova: Sure this is Olivia Noi Xion, Daughter of Xion, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of The Sun, and she's known as The Sun Fire Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of The Sun, and in a split second, he mastered the powers of The Sun, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Kurata with a passion.

Me: WHOA! Pleasure to meet you.

Olivia Noi Xion: Same here. Want to help me with this Mrs. Loud?

Rita: I would be honored.

They fired waves of lightning and sunlight and blasted her down.

Tentacool: This is for Tentacool everywhere!

She fired laser blasts and blasted the tower Nastina built into dust!

KRABOOOOOM! KRABBBBOOOOOOMM! KRABBBBOOOOOOOMMM!

Nastina: NO!

Me: Yes! Lets catch the Galarian Tentacool and Tentacruel as well.

Nico: Good idea.

Eddy fired his blaster at her and made her dance like a sissy girl!

Me: Hey Nastina before we fight on more read this out loud.

I showed a piece of paper and she read it.

Nastina: (Reading) "I'm a stupid ugly old woman moron with an ugly face and a big butt and my butt smells like rotten chum and I like to lick my butt and it tastes like rotten raw sewage."

WE LAUGHED HYSTERICALLY!

Barney Gumble: OH BE CAREFUL NOT TO LET ANYONE KISS YOU!

Nastina: OW! MY BEAUTIFUL NOSE!

Me: Beautiful? More like hideous!

Donald Duck: Even Old Man Jenkins has more class than you ever will!

Nico: That must've hurt to say that

Donald Duck: It did.

Suddenly, the blood rain conjured by Caleb Maxwell suddenly grew even stronger, and we also grew even stronger, but Nastina and her guards suddenly felt like they were being ripped apart from the inside as they convulsed in pain.

Timothy Maddock: Oh damn, I knew he'd do this.

Me: Figures.

Nico: Nastina never learns, and it'll take someone with death at his side to make her learn her lesson.

Lincoln: And it's about to get a lot worse for you.

Lincoln got out a massive jar of hot sauce, and he opened it up and red steam came out. Then...!

LINCOLN DRANK THE WHOLE JAR OF HOT SAUCE!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost and we saw neon red blood coming out of his pepper tattoo.

Lincoln: Okay, time to heat things up.

Lincoln swung his massive greatsword and fired massive blasts of neon rainbow, white, golden yellow, and blue superhot fire at Nastina and her guards, and they really got burned badly!

Nastina: AGH! HOT! HOT!

THEN...!

MASSIVE AND LOUD BELCH!

LINCOLN BELCHED OUT LOUD AND FIRED A MASSIVE STREAM OF NEON RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE SUPERHOT FIRE WHICH HIT NASTINA AND HER GUARDS AND THEY GOT BADLY BURNED!

WE LAUGHED HYSTERICALLY!

Nico: Serves you right, you old hag.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Nastina: AGH! YOU LITTLE...!

Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of massive white angel wings underneath his massive white angel wings and they hit Nastina and her bodyguards and they got pulverized.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE, YOU SELFISH CLOD!

Lincoln, Nico, and I did one final powerful energy slash that hit Nastina hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Nastina was on her last legs and she was really really mangled.

Then, Lincoln tied Nastina up and threw her into a portal that led to The M.O.E. before Caleb could attack her again.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Hikari Ginga Galaxy, Jenna Jellyfish, Jella Jellyfish, Olga Orromov, Naori Flammington are permanent.

Nico: That'll teach Nastina big time.

Me: That's for sure. That old hag had it coming.

Lincoln: She's gonna be in for a lot of trouble with Vypra.

Eli: Provided Caleb doesn't try to attack her again.

Lincoln: That won't be easy at all, if Nastina tries anything, Caleb will no doubt go on a rampage and make her suffer even more Hell.

Me: YEAH!

Tentacool: That was for Tentacool everywhere!

SpongeBob: And all Jellyfish too! Nastina is now public enemy number 1 to all jellyfish, Tentacool and Tentacruel!

Camie: You bet she is!

Nico: Oh, Shining Firefly, what do you like to do in your free time?

Shining Firefly: I work as a lamp maker. I make all kinds of beautiful lamps that many people like.

Me: Nice.

Nico: Now for the Anothers.

Me: Yep.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Keiko Yukimura.

Me: WHOA!

Keiko: Another me!? Whoa!

Me: Yep. So we got Another The Scarab, Garat Nago, Baron Samedi, Firefly Monster, Firefly Undead (Kamen Rider Blade), Firefly Malgam.

Nico: Yep.

Me: So Shining Firefly, Hiyori (Kamen Rider Kabuto), Fox Firefly, Megan Medusa, Veronica Mags and Kala Lour are up.

Qin: Yep.

Eli: (GASPS) Oh crud, I also found some Foot Soldier Anothers, and they're hostile. Caleb, you're not going to like it, it's your former friend, Ryan Daniels.

Caleb Maxwell: Ryan?!

Me: The guy who happens to be Sharon's brother and whom you and Sharon killed at NYU back in 1985 in your world when his body gave up and he turned into a vampire.

Caleb Maxwell: That's him.

James Blunt: Looks like he survived.

Caleb Maxwell: Well, he's not cheating death again.

The Foot Soldier Anothers arrived.

Caleb Maxwell: Ryan, I know it's you, get out of that cheap suit.

The Foot Soldier Another changed back, and it was Ryan Daniels, and he matched what we saw in the video.

Caleb Maxwell: So, you were still alive, I thought we made sure you died back in 1985 when Sharon and I faced you at the football field at NYU.

Ryan Daniels: Hah! You thought a bullet to the heart would kill me? You wish! The power the vampire blood gave me, it made me stronger than ever, I feel invincible! And as for my sister...!

Ryan Daniels took out the severed head of Sharon Daniels!

Caleb Maxwell: You...! You murdered your own sister!

Ryan Daniels: She's no longer my sister, she was nothing more than food to me. (LAUGHING EVILLY)

Caleb Maxwell: WHAT THE HELL?! YOU GODDAMN PSYCHOPATHIC MURDEROUS BLOOD-CRAZED SON OF A BITCH! YOU'RE GONNA PAY FOR THIS! I'M GONNA KILL YOU RIGHT HERE RIGHT NOW WITH MY OWN TWO HANDS!

Suddenly, Rayman's purple eyes turned neon purple and he was surrounded by a purple and red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels, and we felt his power rising like crazy.

Rayman: I can't believe what you did. Back then, you were once Sharon's younger brother and one of the four people who helped Caleb when everyone ostracized him when he was in high school, and you guys were once good friends. (SUDDENLY STARTING TO GET REALLY PISSED OFF AS HIS PURPLE AND RED, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE EVEN MORE) But, when you gave in to the vampire blood that was forced in you, you effectively cut off all ties with your own sister and your friend and you turned into a monster only to be defeated by them. But, now to find out you were still alive, and with no single shred of remorse, you murdered your own sister in cold blood and you also cut her head off and show it to us..., (SUPER MEGA NTH-DEGREE PISSED OFF SCREAM OF PURE FURY AND RAGE) THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU, RYAN DANIELS! I'M PUTTING A PERMANENT END TO YOUR WANTON RAMPAGE OF HAVOC AND DESTRUCTION HERE AND NOW TOGETHER WITH YOUR WORTHLESS MISERABLE LIFE! (DRAGON ROAR)

Juniper Lee: Oh no, now she's gone and really done it this time, Rayman's gonna lose it big time and explode with rage, and no doubt Ah Mah will be down here in a split second to see the fight!

Just then, June's grandmother, Jasmine Lee, arrived, and she also brought popcorn, drinks, and she also invited some of Orchid Bay's magical creatures to see the fight.

Jasmine Lee: You thought I was coming by myself? No way, besides, I invited a few of these guys to see the fight. This is gonna be one messy fight, oh, and you might want to hit the deck. (GETS OUT A MEGAPHONE) STAND BACK, HE'S GONNA BLOW!

We were beyond amazed by Rayman's new transformation, and that made Ryan Daniels even madder than ever!

Rayman: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy

Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Night Dream Morpheus Celtic Dream Eternal Night Dragon Fairy Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, time to put this piece of trash down for good.

Caleb Maxwell: Be sure to cut his head off, that's the only thing that can kill him.

Rayman charged at Ryan Daniels, and he fired extremely powerful blasts of purple and red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels which hit Ryan Daniels and exploded, and he slashed at him with his massive greatsword leaving scars on him, and that just made the vampire even angrier.

Then, Rayman sent spectral hands that continued punching Ryan Daniels like crazy, and he was unable to fight back. Then, he charged at Ryan Daniels, and...!

SLASH!

Rayman slashed off Ryan Daniels' head and he fell to the ground dead, and his soul was sent to The Black Abyss.

Everyone cheered wildly as Rayman holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, large fifty purple and red planets orbiting around his legs and fifty smaller purple and red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized purple and red planets orbiting around his wrists and ankles, and massive strawberry-blonde angel wings and forty-nine sets of large strawberry-blonde angel wings underneath his massive strawberry blonde angel wings are permanent.

Rayman: That should do it.

Juniper Lee: You said it. Caleb, you said that cutting his head off was the only way to kill him, right?

Caleb Maxwell: Yes. No bullets could hurt the vampires I know in my world.

The other Foot Soldier Anothers changed and they showed themselves to be the other vampire cats from NYU. Timothy Maddock slashed off their heads and killed them.

Timothy Maddock: And as I thought, the others were none other than the vampire cats from NYU on that night as well.

Caleb Maxwell: They also survived? Oh damn. But, now, this means, I'm the only one left alive from the incident at LaGuardia High School. Still, I can't believe Ryan was still alive even after all this time, and that he murdered his own sister in cold blood. Shooting them in the chest wasn't going to kill them at all.

Lincoln: If it were a stake, it would've killed them.

Caleb Maxwell: That wouldn't work either, it would only make them go into a death-like state from loss of blood if their heart was stabbed and their chest opened wide.

Me: Damn.

Nico: How did you learn about that after you came back from the dead and came back to New York?

Caleb Maxwell: Mr. Blunt told me everything about the vampires, that much I already knew, but to find out more, I had to go back to Yuridia. There, I met The Council and I saw everything for myself, and they knew of me from Marcus Mackenzie and on the day we came here back in 1984, the first time I would step into the heart of the world I now belong to.

Lincoln: You didn't feel any fear when you came back to Yuridia?

Caleb Maxwell: Sadly, no. I had nothing left to fear after I came back from the dead, only revenge was on my mind. But, I found out everything on how The Council had administered its laws and the punishments for breaking them.

James Blunt: They're not pretty, they're gruesome. But, this shows we don't show mercy for those who break the law, there are consequences that had to be considered.

Caleb Maxwell: I was used to the sight of death and blood being spilled, seeing the deaths of those who stood with me and what I also went through. The Council knew of that as well and they knew of my desire for revenge.

Me: Now for the main event.

Nico: There they are!

We saw Another Garat Nago, Baron Samedi, Firefly Monster, Firefly Undead (Kamen Rider Blade), Firefly Malgam!

Me: WHOA! This will be awesome

Another Garat: (In a girls voice) It sure will!

They reverted back and were the gene slammers of Behemoth the King of All Animals, Des Lacooda, Mad Lobster and Watttaildragon!

Nico: (GASP) Barbara Behemoth, Laia Lacooda, Maya Lobster and Wendy Watttail!

Me: Cool! The gene-slammers of Behemoth the King of All Animals, Des Lacooda, Mad Lobster and Watttaildragon!

Barbara Behemoth: That's right!

Laia Lacooda: Good to see you Nico.

Nico: You too.

Me: By the way girls are the Another Scarab and Keiko friendly or hostile?

Maya Lobster: Friendly and cool.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup! (Turns Dial) BEES OF DOOM!

She summoned Killer Needle, Armored Bee, Wind Up Hornet, Captain Memo, Clancy and Battlewasp - Arbalest the Rapidfire!

Nico: YEAH!

Poromon: And now, we wait.

Me: Yep.

Nico: Yeah.

Me: Oh we don't have to wait long!

We saw ANOTHER SCARAB AND KEIKO!

Me: WHOA!

Nico: This is gonna be good!

Another Scarab: (In a girls voice) It sure will!

She reverted back and was the gene-slammer of White Aura Whale!

Nico: Wendy Ahab! Wow!

Wendy Ahab: Good to see you Nico.

Me: White Aura Whale's gene-slammer whoa! Wait are you related to...

Wendy Ahab: I sure am. Captain Ahab of the Pequod was my ancestor and for years he was consumed by revenge over the White Whale Moby Dick for taking his leg.

Me: Your ancestor was insane and didn't care who he hurt as long as he killed Moby Dick.

Qin: Yeah!

Wendy Ahab: I know. I hate my ancestor and vowed to kill him if we faced him.

Me: We'll help you.

Wendy Ahab: I want to protect the whales instead of killing them.

Me: Wow!

Wendy Ahab: Yep and also I have all the powers of the Scarab too.

Me: Cool!

Scarab: Awesome!

Nico: Who's your friend?

Another Keiko: I'm someone that Keiko knows and helped in battling demons.

She gasped.

She reverted back and was a younger version of Keiko but with longer hair and had blue clothes.

Keiko: (GASP) Erina!

She went and hugged her!

Keiko: My sister! I've missed you!

Erina Yukimura: Me too sister!

Keiko:This is my sister Erina.

Me: Awesome to meet you. Do you have the same powers like your sister does?

Erina: Yes and I can do this. WINGS OF THE ETERNAL BLOOM! 自然花虹光翼

She grew wings of rainbow flower light and they formed into amazing flower wings.

Me: WHOA!

Eli: That is cool!

Yusuke: Your sister has amazing talent.

But then...

KRASMASH!

She slapped Yusuke's face so hard that she almost took his head off!

She left a nasty hand print on his face and some of his teeth were knocked out!

Me: HOLY SHIT!

Erina Yukimura: THAT WAS FOR PEEKING UP MY SISTERS SKIRT YOU JERK!

Nico: Did that really happen?!

Keiko: It was a long time ago. We were in school back then and it was before Yusuke had his accident.

Nicole: Yusuke sure had a pervy side to him back then.

Keiko: He sure did.

Yusuke: OUCH! But I've gotten over that.

Me: Good. Don't want to have Nicole break your neck.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim gear) Because we can grant it instead.

They got weapons from said rider teams.

Wendy Ahab: No he didn't because Erina slapped his face so hard that she literally took off his entire head!

Sakura Knudson: HOLY CRAP! That explains why blood was EVERYWHERE all over the lab and his head was on the floor and his headless body was trying to find it.

Me: YUCK!

Sougo (gets out Wizard Ridewatch): Geez, you really slap a lot of people!

Rider Time! (Drumroll to upbeat music) Please! Wizard!

Geiz (gets out Baron Ridewatch): What's up with that?!

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Erina Yukimura: I learned all about how to do it from my sister.

Me: Yeah.

Lincoln: Lets get you separated and try not to decapitate Yusuke!

We did so.

Me: Lets get it on!

Nico: (Gets out Scarab's Ridewatch) Time for Scarab Power!

May: (Gets out Baron Samedi's ridewatch) I will squish you!

Maria: (Gets out Firefly Undead's Ridewatch) Light up the night!

Hiyori: (Gets out Garat Nago's ridewatch) This is gonna hurt!

They used the powers of The Scarab, Garat Nago, Baron Samedi, Firefly Monster, Firefly Undead (Kamen Rider Blade), Firefly Malgam and blasted them!

Then Count Bob, Skarpex, Creep Hands, Sea Urchin Monster, Becka Douglas (X-Squad Universe) and Jonny Villax came.

Nico: WHOA! Nice team Count Bob!

Count Bob: Thanks Nico!

Rikochet: Count Bob! Been a while.

Count Bob: It has been a while Rikochet amigo.

Me: (GASP) Jonny Villax!

Jonny Villax: Been a long time J.D.

Me: I'm amazed Vypra put you into her ranks.

Jonny Villax: Sometimes murderers can be put in Vypra's forces.

Bubble Crab: My team's next!

Lola: It sure is!

Nico: You know him J.D.?

Me: Yeah. I busted him 10 years ago. Jonny was often called the Gold Teeth Strangler. He's called that because well...

He smiled and had teeth made of gold.

Nico: Oh man! I remember hearing about you on TV.

Me: Yep. He killed 40 people near an abandoned gold mine in Utah. I caught him and had him sent to prison for 40 life sentences.

Nico: GEEZ!

Me: Yep.

But then a massive blast of fire exploded out and out came Evil HERO Infernal Gainer!

Me: Evil HERO Infernal Gainer!

Nico: WHOA!

Evil HERO Infernal Gainer: (In a girls voice) And ready for some buttkicking!

Nico: Elia Inferna! Wow!

She reverted back and was a girl with black hair and had red eyes and black angel wings and Evil HERO Infernal Gainer on her forehead, skirt, shirt and arm and had a deadly dark warhammer with her.

Elia Inferna: Good to see you Nico. I got this. DARKNESS FIRE BASHER!

She swung the hammer and bashed and destroyed the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Elia Inferna: Thanks! That was fun.

Hiyori: Do you have a good memory of Nico?

Elia Inferna: I sure do. When me and Nico busted a massive Human Trafficking operation and sent all those monsters to jail.

Me: WHOA!

Qin: Yep I remember that.

Nico: Yep.

They hugged.

Nico: I've missed you.

Elia Inferna: Same here.

We went back home.

Nico: I can't believe those snakes brought that bitch back from the dead, they're in trouble now.

Eli: I've got a couple of sticks of dynamite with their names on it.

Shining Firefly: We'll teach them a lesson they'll never forget. But, for now, we better hurry.

Lincoln: Right.

We flew in the air, and then, we saw our target: Gavinda Teach, and she was on the rampage!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy blasts that hit Gavinda Teach, and that really pissed her off.

Lincoln: You've got some nerve coming back, Gavinda Teach, but this was thanks to a certain black-hearted snake and his minions. This time, I'm going to get rid of you once and for all, and this time, you're never coming back.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Gavinda Teach, and then, we joined in.

But, before we could attack her again, Gavinda Teach hit by blasts of earth, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair and dark blue hair band, blue eyes, massive blue angel wings, she has Witchcrafter Potterie on her forehead and right arm, white short-sleeved blouse, dark blue sleeveless strapless dress top, white gloves, dark blue skirt with Witchcrafter Potterie on it, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, earth, pottery, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Potterie, she has a earth greatsword in her right hand, and with her are the four girls Lincoln is to rescue and the two girls Ets is to rescue.

Lincoln: (GASPS) Louise Bannister, Avatar and Gene-Slammer of Witchcrafter Potterie.

Louise Bannister: That's right, and I got the girls away from that bitch.

Suddenly, Lincoln sensed darkness in two of the four girls he was to rescue, and he fired two beams of light that removed their dark sides and destroyed them and sent them to The Black Abyss.

Lincoln: Okay. Now, let's finish this evil bitch off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy

vortex flared up behind him, and he charged at Gavinda Teach, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON GAVINDA TEACH! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

* * *

LINCOLN SLASHED AT GAVINDA TEACH WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen to you when we kill you.

Then, Andre Lupeau went after Gavinda Trach and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, Lincoln formed and fired extremely powerful blasts of darkness from his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, and the dark energy blasts hit Gavinda Teach, and then, he sucked out her lifeforce, and when Lincoln was done draining her of her lifeforce, Gavinda Teach was left as a mummified corpse, and he sent her soul to The Black Abyss forever. Then, we recruited Scarlett The Rust Queen to both TLPS and The MOE. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: Rot in The Black Abyss, Gavinda Teach.

Ets: Good riddance to her.

We suddenly heard a cacophony of demonic screams.

Nico: And we pissed off those snakes again.

Me: Hah, serves them right.

Lincoln: Well, they deserved it big time. (To Louise Bannister) And it's so good to see you again, Louise.

Louise Bannister: You too, Lincoln, it's been eight years since we last met.

Suddenly, Louise Bannister had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Louise Bannister was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Louise Bannister: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Louise Bannister and hugged her, and Louise Bannister is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and forty-nine other sets of large angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, fifty massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Louise Bannister: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 11'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and forty-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and fifty massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us,

and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Louise Bannister, Avatar and Gene-Slammer of Witchcrafter Potterie, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of earth, pottery, and magic. She's the Pottery Maker of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Louise Bannister met Lincoln, and this one time, she and Lincoln created amazing clay pots and other pottery items, and they were featured in art galleries over the United States. Plus, she really helped him with mastering the powers of earth, pottery, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a blazing passion because he tried to destroy the pottery they've made out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and that old goat got her butt kicked and she got sent back to the Lansing Maximum Security Nuthouse again, and she also got a warning from Varie: the next time she hears Scoots has escaped to cause havoc again, she was going to kill her by making her die a slow and painful death by having her flesh sliced off with a burning hot knife.

Nico: We heard about that yesterday, and Scoots got what she deserved: she and her equally bad sister, Mopes, are now in The Black Abyss forever.

Louise Bannister: Serves them right.

Me: Can we see one of your pottery items?

Louise Bannister: Sure.

Louise Bannister got out one of her pottery items: it was a massive collection of clay pots and the clay pots were also painted in many vibrant colors with beautiful intricate details.

Me: Wow, this is amazing.

Nico: They sure are, they're beautiful.

Qin: They look like they should belong in a museum.

Lincoln: Funny you should say that, Louise has some of them featured in many museums all over the United States.

Me: I remember seeing some of them in the art museum in Colorado.

Nico: And in New Jersey, wow.

Luan: And Scoots had some nerve trying to destroy them, what a bitter old shrew.

Lynn: Considering all of the crud she's done to Lincoln, all of us, and everyone in Royal Woods for most of her life, she got what she deserved.

Rita: Along with the one thing that crossed the line.

Lincoln: Let's not bring that up again, Mom, that is over and done with.

Me: Right.

Nico: But, have you ever had anyone tried to steal your pottery before?

Louise Bannister: Nope, because the security in the museums are top-notch, and even Flip couldn't try to break in because he always gets caught.

Camie: Really?

Lincoln: Yep, he always gets caught by the security cameras and by security officers because of the fact that he hasn't heard of a bath ever.

Caleb Maxwell: Disgusting. He has no manners nor even a single sense of being decent, what a pig.

Lincoln: Well, that pig got what he deserved in the end, same with his family, and now that you're here, Louise.

Lincoln with his massive muscular arms still wrapped around Louise Bannister's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Louise Bannister: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Louise Bannister with blue gems on the gold lightning bolts and blue crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Louise Bannister: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Louise Bannister.

Louise Bannister had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Louise Bannister's waist, and he leaned down to her face and kissed her on the lips, and with Louise Bannister's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Louise Bannister had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Louise Bannister: (In Heaven) My God.

Then, Ets saw the two girls he set out to rescue, and he saw who they were, they were the Simulator versions of Keiko and Tomiko.

Ets: Whoa, the Simulator versions of Keiko and Tomiko. Then, that means...!

Then, when Lincoln saw the four girls, he had an atomic red blush on his muzzle and cheeks, but he didn't have a nosebleed, the four girls are Keiko and Tomiko and Ayane Shirakawa and Kotone Shirakawa from Overflow.

Lincoln: Oh wow, it's Keiko and Tomiko and Ayane Shirakawa and Kotone Shirakawa from Overflow.

Ets: The ones from the real world are here, and I know them. Keiko's a vengeful spirit who steals the aspects of other girls and adds them to her own and Tomiko's a vengeful scientist that has a biomechanical tail connected directly to her body that she uses to steal other peoples' DNA, specifically the DNA of other girls.

Lincoln: And those were their dark sides I removed.

Ets: Yep, they were trouble to other girls because of those dark sides.

Nicole: Yikes. Thank goodness I didn't pull out the rites of exorcism on Keiko and try to slash off Tomiko's tail.

Lincoln: We don't want that. (Notices something) Hey, you guys didn't run to your rooms.

Me: (In My Room) We did, Lincoln.

Then, the ones with Lincoln, Nicole, and his harem vanished.

Maria: Clones? (Smirks) Travis Tackett and Red Savarin, you clever geniuses.

Nicole: I didn't see that one coming.

Lincoln: I did, but they really made those clones with exact details, I almost couldn't tell which one is the real one and who's a clone. In any case, are you girls okay?

Tomiko: Yes, we're okay thanks to you saving us from that cruel ruthless shrill old woman, Gavinda Teach.

Then, when Tomiko and the other three girls saw who it was that saved them from Gavinda Teach, their faces turned atomic red upon seeing the 11'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted

Thunderbird Wedding ring on his left pinkie finger and Stone of Gelel embedded in his left hand and rainbow Thunderbird wedding ring on the left pinkie and small planets orbiting around his fingers like rings, rainbow claws on his finger tips with gold armor on the finger joints and gold-armored dragon claws, he has fifty large colored planets orbiting around his legs and fifty smaller colored planets orbiting around his waist and medium sized colored planets orbiting around his wrists and ankles and immense rainbow protective aura with elements swirling around him.

Ayane Shirakawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kotone Shirakawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Keiko, Tomiko, Ayane Shirakawa, and Kotone Shirakawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's the last time Gavinda Teach dares to hurt anyone ever again.

May: That's for sure, that ruthless witch got what she deserved.

Lincoln: And we pissed off Dark Sebastian and those fucked-up snakes even more.

Nico: That's for sure.

Me: Next time, Dark Sebastian's getting tied to a metal pipe that's been heated up and we'll watch him being roasted alive.

Rayman: That's for sure.

Suddenly, Rayman and Juniper Lee were heading out.

Me: Hey, where are you two going?

Juniper Lee: Oh, we forgot to tell you guys, but Rayman and I are heading to Lynn's Table for lunch for our one-year anniversary.

Nico: Wow, I can't believe it's been a year since you two got married. Hope you don't run into any monsters or demons sent by that snake.

Rayman: Hey, you know we're always ready to give them a thrashing.

Juniper Lee: And banish them for good.

Lincoln: Okay, have fun, you two.

Rayman and Juniper Lee left to head for Lynn's Table for their one-year anniversary lunch.

After Lincoln and all of us sent Gavinda Teach to The Black Abyss and this time forever and recruited Scarlett the Rust Queen to both TLPS and the MOE, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Louise Bannister saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get fifty massive and long brown wolf tails even more stronger than ever and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Louise Bannister: My God, I was right that Lincoln's really grown into an 18-year-old 11'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Louise, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Louise Bannister: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Louise Bannister: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Superintendent Chen: We've also got something to show you all. It's about how Mr. Shu and Bolhofner managed to slip into the school.

Principal Ramirez: And the bad news, it was Killjoy Huggins who did that, and it was still to make Lincoln suffer, and when he found out Lynn was freed from her Dark Side, he decided to get rid of her.

WE GASPED!

Lynn: SAY WHAT?!

LYNN OPENED HER MOUTH SO WIDE, HER SKELETON CAME OUT ONLY TO BE CAUGHT BY LINCOLN AND PUT BACK INTO HER!

Lynn: Thanks, bro. But, HOLY SHAMOLY!

Principal Ramirez got out two tapes.

Superintendent Chen: Brace yourselves.

They put the first tape in and it played on the big screen, and there we saw it: Killjoy Huggins was in the interview room with Stank Breath Bolhofner.

Past Killjoy Huggins: You better do the job, Bolhofner. If this doesn't work, you're going right back to prison if they find out, but if you do just that, the rewards will be great indeed.

Past Bolhofner: You better pay me!

Bolhofner left.

Past Killjoy Huggins: You have ruined all of my attempts to get rid of you for the last time, Lincoln Loud! Now, you're gonna pay for getting in my way, you little vermin! (LAUGHING INSANELY)

The video ended, and Lincoln was pissed along with all of us.

Lincoln: You miserable garbage-eating cockroach!

Rita: So, that's how...! (GROWLS)

Stella Zhau: Killjoy Huggins may have done the deed, but we're still pissed at Bolhofner.

Me: Same here. That bastard's getting The Black Abyss when we catch him.

Nico: And on Stella's big day.

Then, Superintendent Chen put in the second tape and it played on the big screen, and we saw it: Killjoy Huggins was in the interview room with Mr. Shu, and he was beyond pissed off when he'd heard the news that Lynn's no longer hurting her brother, and he'd found out that she'd since been freed of her Dark Side.

Past Killjoy Huggins: (ENRAGED SCREAM) I CAN'T BELIEVE THIS! FIRST, BOLHOFNER GETS SENT TO THE BLACK GATES, AND NOW, I HEAR LYNN'S BEEN FREED FROM THE DARK SIDE IN HER! MY PLANS TO GET RID OF LINCOLN ARE FALLING APART! (To Mr. Shu) GET IN THERE AND BREAK LYNN PHYSICALLY AND ONCE SHE'S BROKEN PHYSICALLY AND MENTALLY, YOU BETTER MAKE SURE THAT YOU KILL HER, SO I CAN MOUNT HER HEAD ON THE FLAGPOLE AND SHOW IT TO THAT BRAT THAT I'M GOING TO KILL HIS ENTIRE FAMILY NEXT! I ALREADY KILLED LORELAI SYMPHONIA ARENDELLE, AND NOW, I WILL KILL EVERYONE THAT HE LOVES AND SEE HIM SUFFER AND DIE IN MISERY AND DESPAIR!

Past Mr. Shu: You better pay me for this, Huggins. If this goes sideways, you're taking the heat for all of it, and once I get done with her, I'll also get revenge on Gohan as well!

Mr. Shu left as the video ended.

Lynn: WHAT THE?! THAT MISERABLE TOUPEE WEARING PILE OF GARBAGE!

Gohan: So, that's how Mr. Shu got into Lynn's school! That no-good, two-faced toupee-wearing pile of garbage. When you found out about this, were you going to tell us?

Superintendent Chen: Yes, I was about to, but I got kidnapped by Swartz and you know the rest.

Me: Either way, now I'm glad Lincoln got rid of Killjoy Huggins and we sent Mr. Shu to prison long ago when he was left as a boneless blob.

Lynn: By both Mom and Ms. Chi-Chi.

Chi-Chi: Still, I can't believe that moron did that, and all because he still hates Lincoln. What a jerk.

Lincoln: I could call him a lot worse words, but I'm gonna relent on that. I've gotten rid of him for good, and he's out of our lives forever.

Travis Tackett: I can't believe Killjoy Huggins was the person behind bringing Bolhofner and Mr. Shu in, and it was another part of his scheme to get rid of Lincoln again, but to also target Lynn, that's just disgusting. Even the teachers at my high school in Kentucky before I got turned into a vampire would not resort to that!

Caleb Maxwell: All of the teachers at LaGuardia High also took the code of ethics very seriously, but, some of the teachers were also responsible for the cruel mistreatment of me and they even teamed up with the students to make my life even more of a living Hell, and by the time I was in my senior year, they got turned into vampires by Principal Davis, and in a twisted sense of justice, they wound up getting killed by me, Ashley, Josh, Sharon, and Ryan, and I got revenge on them.

We got a shower, and then, Lincoln, Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit are heading to Palombaggia Beach in France.

Lincoln snapped his fingers, and the 11'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Yuni Namba: Wow, we're here in Palombaggia Beach, it sure is beautiful.

Lincoln: It sure is, Yuni, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift fifty-two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Meiko Meiden: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Palombaggia Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Cyn, Yuni Namba, Meiko

Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit are now in your harem, Linky.

Universe 666 Cyn, Yuni Namba, Meiko Meiden, Sigrid Nana-iro, and Dancing Lightning Bringer Spirit showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Yuni Namba: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted fifty-two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and fifty massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped

farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lisa, Jared and Leanne's final mission.

Lola: We're really excited for you Lisa!

Lisa Loud: Indeed.

LOUD NASTY SUPER HORRIBLE LONG FART!

Crackhouse Mickey, Goofy, Donald and Minnie: (GROANS IN DISGUST)

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) Sally Stomach REALLY is making them go nuts!

Nico: Yep. Anyone Else want to go with Lisa, Jared, and Leanne? Besides Soji, Leeli, Dexter, Julie Carolina, Ratchet, Clank, and Church?

Lewa: I'll go.

Ryugu Tamatebacco: So will I

Lincoln: And me and the rest of the family will go too.

Me: Good idea.

Nico: Yeah. Anyone else?

May: I'll go too.

Thetis: And I will too.

Me: Okay.

Nico: All right. Lets go.

We were off to Den City!

We arrived.

Skye: Hey guys! Thank goodness you are here.

Me: Hey Skye.

Lisa: Skye, Soji, Leelie, Dexter, Julie Carolina, Ratchet, Clank, and Church.

Soji: I'm Soji Tendo, leader of the Kabuto Riders. We are the ones where the Zectors come from.

Skye: It's awesome to meet you.

Leeli: I'm Leeli Wingfeather, Princess and Song Maiden of Aerwiar.

Girl Jordan: She's also my little sister. I found out that I have biological connections to the Wingfeather Family on Aerwiar.

Skye gasped!

Skye: That's incredible!

Me: It was a recent discovery but we were shocked too.

Skye: WOW!

Dexter: It was a shock. I'm Dexter, Lisa's boyfriend.

Lisa Loud: Me and Dexter met when I was in kindergarten.

Skye: Wow! Weren't you too young?

Me: Love can happen at anytime, any age and with anyone. But Dexter is also a genius like Lisa is.

Skye: Oh wow! That makes sense.

Julie Carolina: I'm Julie Carolina, Ambassador for Ringworld and the Red VS Blue world.

Skye: Oh wow! Pleasure.

Church: The name is Leonard L. Church and I am one of the members of the Blue Team on Ringworld.

Skye: Wow! Pleasure.

Ratchet: My name is Ratchet.

Clank: And I am Clank. It's a pleasure.

Skye: Same here.

Ratchet: We are who Sunset Shimmer represented for her missions.

Skye: I see. Pleasure.

Lewa: I am Lewa, Toa of Air for Mata nui.

Ryugu Tamatebacco: And I am Ryugu Tamatebacco the Oarfish Gangler.

The Ganglers are the LupinRangers and PatRangers enemies.

Skye: I see! That is amazing!

Me: It sure is.

Lincoln: You know me Skye. But these are my siblings.

Nebula Lanaia: I'm honored to meet you. I'm Nebula Lanaia Loud.

Lori: I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. I'm Luna.

Luan: I'm Luan.

Lynn: I'm Lynn Loud Jr.

Linka: I'm Linka.

Lyra: I'm Lyra.

Liberty: I'm Liberty.

Lee: I'm Lee.

Lucy: I'm Lucy.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lily: and I'm Lily.

Skye: I've heard so much about you all from Girl Jordan. It's an honor.

Me: Yep and their mom and dad all thought it was cute if their names all started with the letter L.

Skye: And let me guess, they didn't believe in condoms right?

WE LAUGHED!

Me: (LAUGHS) Yep! That's right!

May: I'm May and Nico is my husband.

Nico: Yep.

Thetis: And I'm Thetis of the planet Umi III. I'm what's called an Undinian.

Skye: Wow! It's a pleasure.

Nico: Wait, where's Yusaku?

Skye: That's why I need your help. He hasn't been acting right. He acted like he was in a hypnotic trance for some reason. He wouldn't answer me or Soulburner.

Me: Weird.

Skye: He went into the Duel Matrix without me.

Me: Weird and crazy.

Nico: Yeah.

Eli: I sense a demonic force at work.

Me: Yeah.

Skye: But first, Leanne, how did you meet Nico?

Leanne Nikos: I met Niko when I was of 4 years old. I finished Grade School and Middle School when I was 3 and started high school and helped Nico when I was in math class and we solved many Pythagorean Theorum equations.

Nico: (HEAD SPARKS)

Eli kicked him.

Nico: Ouch. Thanks Eli. Yeah she is that smart.

Me: Even we were amazed by Leanne's accomplishments.

Skye: That is really impressive someone so young like you can achieve that much.

Leanne Nikos: Indeed.

Lisa: You can probably see why she's with me and Jared.

Skye: I believe it.

Me: Yep.

Jared: We better get after Yusaku.

Nico: I agree there.

Soji: HENSHIN!

HENSHIN!

He transformed and was ready!

Me: This is his phase 1 form. This armor is weighted. You'll see shortly.

Nico: Yep.

Eli: I sense that Yusaku is in the Forest Area.

Me: Lets go!

We were off.

* * *

We were flying through the Duel Matrix.

Me: I hope Yusaku is okay.

Nico: Yeah.

Me: Oh Skye here is your legend items.

I gave her legend items to her.

Blue Maiden: Thanks J.D.

Me: I'll give Yusaku's when we find him.

Lewa: I'll fly to see if I can spot him.

Me: Okay.

We arrived at the forest area.

Me: Here we are.

Nico: Amazing place.

Eli: I'm sensing something huge here.

Lincoln: I feel it too.

We walked into the forest and it was pretty and beautiful.

Me: Sure is pretty.

Laney: It sure is.

But then we heard divine singing.

Me: Wait hear that?

Blue Maiden: Is that singing?

Nico: It can't be...

Me: I think I know what's coming here.

We went through the forest and we got to a hidden lake and we saw a lake mermaid and she had Yusaku with her and she was singing divinely. He was entranced by the Song of the Siren.

Me: It's the song of the siren.

Sitting on a rock was a mermaid with black hair and blue eyes and a blue bra and tail.

Me: Wait I know that mermaid. That's Arilla.

Nico: You know her?

Me: It's a long story.

Eli: I sense a really demonic force at work.

Me: It might be Dark Sebastian.

Blue Maiden: You guys must've had incidents like this before.

Me: Many times actually.

Nico: Girl Jordan, can your song with Leeli snap Yusaku out of it?

Girl Jordan: We'll give it a shot.

Leeli: Lets do it.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

The mermaid stopped singing and saw us and then Yusaku glowed and was freed from her!

Yusaku: (GROANS) What? What happened?

Me: Long story!

Arilla ROARED IN A HELLISH DEMONIC ROAR!

I fired a beam of light and it hit Arilla and out came a dark mass and then it formed into DARK SEBASTIAN!

Me: Dark Sebastian's essence!

I fired a massive blast of light and obliterated it and banished that part of it to the Black Abyss.

Me: There!

Nico: Good to have you back, Yusaku!

Yusaku: What happened?

We told him everything.

Yusaku: Oh man! That was awful!

Arilla: I was possessed by this Dark Sebastian?

Me: Ugly story there.

?: And soon he will destroy you all!

Out came a familiar figure and it was YAMI BAKURA!

Me: (GASP) Yami Bakura!

Eli: Thief King Bakura!

Yami Bakura: I'm glad you remember me after all these years my prince.

Eli: It has been a while.

Blue Maiden: Wait Eli is a prince?

Me: Yep. He's the son of Pharaoh Atem. In 3,000 B.C., Eli was sent into the future from that time to the 21st Century. My immortal caveman self found and vowed to be there for him.

Eli: It's true.

Yami Bakura: And soon he will be dead like you will Eli!

Eli: I think not!

Yami Bakura: And we have more Duelists! I could use a warmup before I kill the Pharaoh!

Me: We'll see about that!

I summoned my monsters! I summoned Nine-Headed Dragon and Phoenix Rebirth Dragon!

Eli summoned the Gods!

Yami Bakura: WHAT!?

Eli: Surprise! Also you are not going to get to my father!

We summoned our monsters!

Yusaku: Time to show you what you're messing with!

Me: And it's a BUNCH of people that you PISSED THE FUCK OFF!

Lincoln: Including the Chosen One of the Prophecy of Amaterasu!

Yami Bakura: WHAT!? You are...!?

Lincoln: That's right! I am Lincoln Loud, Reincarnation of Amaterasu the Goddess of the Sun and the Savior of Earth!

Me: Lets get him!

HE ROARED AND WENT AT US!

I punched him and kicked him.

Blue Maiden kicked him in his face.

Me: Oh Yusaku! Here!

I gave him his Legend Items!

Yusaku: Thanks!

Soji: CAST OFF!

CAST OFF! CHANGE BEETLE!

Blue Maiden: WOW!

Me: You haven't seen anything yet!

Nico: Soji, I have a new super form for you!

Soji: Lay it on me!

He gave Soji an awesome new belt Zector and he put it on!

Soji: SUPER HYPER HENSHIN!

SUPER HYPER HENSHIN!

He turned into an amazing INSECT KING WARRIOR!

Soji: SUPER HYPER CAST OFF!

SUPER HYPER CAST OFF! CHANGE INSECT KINGDOM EMPEROR!

He had rainbow armor with super powerful rainbow butterfly wings and had a king crown and had a deadly sword and gun with the powers of all the Zectors!

Soji: KAMEN RIDER INSECT EMPEROR!

Me: WHOA!

I ducked under a punch and punched Yami Bakura!

Soji: WOW! This is amazing!

Soji got out his Zector.

Soji: Lets see what it can do.

Me: Let me help.

I took off my weighted coat and folded it and tossed it and then...

THUNDEROUS CRASH!

It formed a crater!

Blue Maiden: (IN SHOCK) HOLY CRUD!

Yusaku: How much weight is on that!?

Me: (Cracks neck and loosens up) You wouldn't believe me if I told you.

Nico: Yep.

Soji activated it and ran so fast that time stopped and he bashed him all over and Yami Bakura felt the punches all over in seconds and REALLY BASHED HIM BRUTALLY!

I ran fast and bashed him all over at the same speed and bashed him.

Yusaku: WHOA! I didn't even see them move!

Nico: Yep they are that fast!

Yusaku got out his Zector.

Yusaku: Lets see what these can do.

He activated it.

Yusaku: HADOUKEN!

He fired an energy blast and it hit Yami Bakura and blasted him down in a massive and powerful fiery explosion!

Nico: You have Dark Ryu from Street Fighter as your archenemy.

Yusaku: COOL!

Me: He's actually known as Universe 666 Cyber Akuma.

Blue Maiden: Lets see what mine can do.

She activated it.

Blue Maiden then fired a massive blast of intense fire from her hand and blasted him down.

Blue Maiden then flew fast and formed a rainbow trail behind her and rain and energy blasted Yami Bakura all over.

Nico: WHOA!

Blue Maiden: WOW!

Me: You have Dragon's powers. Dragon of the Valley.

Blue Maiden: The one that Skunk and Panda and everyone know?

Me: Yep. An evil version to be specific.

Nico: Yep.

Ratchet and Clank got out their Zector and blasted Yami Bakura all over!

Julie Carolina, Church, Lincoln and his siblings, Thetis and May got out their Zectors and blasted him all over.

Me: YEAH!

Soji ran fast and punched Yami Bakura.

KRABLAM!

Me: YEAH!

But then buzzing was heard!

Me: Buzzing?

But then a BEEDRILL FLEW IN AND STABBED YAMI BAKURA IN

HIS BLACK HEART!

HE SCREAMED IN EXCRUCIATING PAIN!

MAY SCREAMED IN FRIGHT AND JUMPED INTO NICO'S ARMS!

May: (SCREAMING) BEEDRILL! DON'T LET THEM KILL ME!

Nico: Oh, now I remember.

Me: A Beedrill is here? Wow.

Nico: Where did that come from?

Me: I think it's one Dark Gale's work.

Thetis: Let me see.

She used telepathy and gasped!

Thetis: It's my friend Cheryl Honeysuckle! She is from the planet Honis VI.

Nico: WHOA! The Honissians are a friendly honey producing race! We Saiyans went to conquer it but we decided not to because of how they treated us.

Me: That is interesting.

Nico: Yep

Me and Thetis went over to it.

Thetis: Cheryl! Calm down!

She tried to sting her but Thetis blocked her with intense water.

Me: Guess we do it the hard way.

Me and Thetis fired waves of water and Lightning and blasted her and electrocuted her and Then I snapped my fingers and she reverted back and was a girl with yellow and black hair and yellow eyes and had yellow angel wings and had Beedrill on her forehead and had a honeycomb and honey pot cutie mark on her arm.

We wrapped her in a blanket and brought her over.

May was crying and whimpering in fright.

Me: Poor May.

She woke up.

Cheryl Honeysuckle: (Groans) What happened?

Thetis: Cheryl?

Cheryl Honeysuckle: Thetis? (GASP) It is you!

She hugged her.

Thetis: I'm so happy you are okay.

Cheryl Honeysuckle: I am too. Same with you too.

Me: You were turned into a Beedrill by Dark Gale.

Cheryl Honeysuckle: (GASP) I remember!

She was in a yellow suit and injected and then she turned into a Beedrill and flew out.

FLASHBACK ENDS

Cheryl Honeysuckle: It was awful.

Me: Well Dark Gale was destroyed forever.

Nico: Yep

Me: What do you do for Sonya's team?

Cheryl Honeysuckle: I use honey for battle and make our enemies stuck like glue.

Me: Sticky.

Cheryl Honeysuckle: Yep and outside the team I make honey for everyone.

Me: Wow.

Leni: You need some new clothes.

Leni gave her new black and yellow clothes and a honey dipper sword.

Cheryl Honeysuckle: Wow I look great!

Me: You sure do and also we're in the middle of a battle.

We saw Yami Bakura standing but he had a huge hole in his chest and he belched up a huge amount of blood.

Nico: And you contributed to it

Cheryl Honeysuckle: I sure did.

But then a girl with dark green hair and red eyes and black clothes and wings and a tiara with Snakepit on it came and she bit Yami Bakura and he screamed as he turned to stone!

HE WAS PETRIFIED ROCK SOLID!

Me: (GASP) Selena Snakepit!

Selena Snakepit: (Grunts) Good to see you J.D.

Nico: WHOA! Snakepit's embodiment!

Me: Yep and she turned him to stone.

I went over and punched him and smashed him into dust and sent him to the Black Abyss!

Me: Good fucking riddance!

Selena lost control and tried to bite Ryugu Tamatebacco

He dodged her and kicked her.

I fired the Cure Ray and injected her.

Me: Okay then lets do it!

Ryugu Tamatebacco fired laser blasts and blasted her all over.

Lewa: Lets do it!

He got out his Zector and activated it and blasted her with wind.

Cheryl Honeysuckle: Like old times?

Thetis: You know it!

Cheryl and Thetis: HONEY WATER DELUGE!

They fired waves of honey and water and drenched and stuck her in honey. Then the antidote took effect and she was back to normal.

Selena Snakepit: (Groans) What happened? (GRUNT) WHAT THE!? I'm stuck!

We helped her up.

Yusaku: Lisa, ever since I met you, Jared, and Leanne, I've seen you as siblings

Lisa Loud: Really? Usually I don't show emotions like this but... (BURSTS INTO TEARS)

They hugged him!

Me: Guess that makes Yusaku my son now.

Nico: Yeah.

We were happy.

We later went back home.

We arrived.

Maria: Hey guys! Uh oh! May is upset.

We told them everything.

Shanan: Oh man! So the Beedrill gene-slammer is a Honissian. That is amazing!

Nico: It sure is and she being a Beedrill scared May.

Manaphy hopped onto May and comforted her.

Me: All in all, it's all done.

Nico: Yep.

Maria: Awesome!

Nico: Gallus, you, Allenby, and Penelope "Stinky" Florington will be next for Ambassador missions.

Gallus: Awesome!

Yona: Yona happy for Griffin!

Sandbar: Me too!

Me: Guess that makes the last member of the Young 6 to have their missions.

Nico: Yep.

* * *

Later we were over in Japan and we were walking to Yusuke's old house.

Yusuke: It'll be good to see mom again.

Me: We never met your mom before Yusuke. What is she like?

Yusuke: Well she is a really nasty alcoholic.

Me: Uh oh.

Yusuke: Poromon, you may help yourself to her beers

Poromon: YAY!

Me: You made him happy Yusuke.

Yusuke: Yep. After I was brought back she stopped and was protecting me a lot.

Me: Talk about a wakeup call.

Nico: I know.

We arrived at Yusuke's house.

Yusuke: Here we are.

He knocked on the door and answering the door looking a total mess from crying hard was Atsuko Urameshi.

Yusuke: Hello mom. I'm back.

Atsuko: (GASP) YUSUKE!

She hugged him and was crying hard.

Atsuko: Oh my son! (CRYING)

We went in and talked.

Atsuko: Oh Yusuke you have grown so much and Keiko you look as amazing as ever.

Keiko: I sure do but also we have so much to tell you.

Me: Most of it involves Yusuke and his friends here.

Poromon: Give me your beer!

Atsuko: It's all yours. I stopped drinking ages ago.

Poromon went and guzzled it all over.

Me: Geez.

Atsuko: So what happened?

We told her everything.

We told her about how he became a Spirit Detective and saved the world many times. How he defeated Hiei, the Saint Beasts, Rescued Yukina from Tarukane and his men, battled Toguro in the Dark Tournament and defeated Shinobu Sensui and fought in the Demon Tournament and more and how we found out that he is the descendant of the Mazoku.

Atsuko was shocked!

Atsuko: So my son is descended from the Mazoku?

Me: I know. It was a process that took 1,200 years to emerge. We call it the Atavism of The Mazoku.

Koenma: It's all true Mrs. Urameshi.

Me: We met Yusuke and helped him battle Toguro the first time years ago and Yusuke and friends became a very prominent and powerful force for the team.

Yusuke: It's true.

Keiko: I agree.

Atsuko: My own son has come a long way.

Me: All that and more.

Keiko: How's the beer, Poromon?

Poromon: (BARNEY GUMBLE BELCH) So tasty.

Me: (LAUGHS) Yeah.

Raizen: I'm sorry if we worried you like that. My son knows a lot of things.

Me: Raizen is Yusuke's ancestral father. Long story on that too.

Atsuko: This is a lot to take in.

Kuwabara: I know. We were surprised and shocked about it all.

Me: But together, Yusuke and friends have accomplished a lot over the years.

Skullcruncher: And we got back another member of your family.

Yusuke: You sure did.

Me: Yep.

Atsuko: I'm so proud of you Yusuke. I was so wrong. I thought you weren't going to make any friends but you prooved me wrong.

Yusuke: I may have been a delinquent back then mom but I assure you I am not that guy anymore.

Keiko: He is a good person.

Me: Yes he is. And he saved lots of people over the years too.

Hiei: He is a true hero. Even though he was an idiot he still got the job done.

Yusuke: Coming from you Hiei that means a lot.

Hiei: Don't get used to it fool.

Atsuko: I have a lot to make up for it.

Warpath: One step at a time.

Atsuko: I'll move in with you guys. And I want to start by dropping this.

She showed a pack of cigarettes.

Me: I was gonna say, smoking is bad too.

I gave her some anti-nicotine gum.

Me: This will help you.

She started chewing it.

We got her packed and moved in.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Nico: Yep.

Girl Jordan: So awesome!

Poromon: Thanks for the beer!

Snaptrap: What he said.

Atsuko: You're welcome.

Me: Yeah the mascots know their beer.

Sally Stomach: Whenever I drink beer I just fart out beer vapors that make anyone drunk. I'm immune to beer and it makes me fart beer farts.

Me: Really?

Nico: Seriously?

Sally Stomach: Yep.

Poromon: So you can't get drunk?

Sally Stomach: Nope.

Poromon: Prove it?

Sally Stomach: Okay then.

She then drank 20 cases of beer.

Sally Stomach: Ahh.

Me: HOLY CRAP!

Then her stomachs grumbled.

Sally Stomach: Now watch!

She grabbed May and then...

LOUD NASTY HORRIBLE AND LONG STINKY FART!

She farted in her face and then May got REALLY DRUNK!

May: (SLURRED SPEECH) Hey! I love you Nico! (HIC) How about we have sex here (HIC) Nico!

Nico: Oh boy!

Me: Not now!

I snapped my fingers and she was back to normal.

May: What in the? (GROANS) My head!

Sally Stomach: Told you.

May: Wow! That is amazing!

Poromon: It sure was! You are amazing like that.

Me: You should see what happens when she eats a truckload of baked beans.

Nico: Oh boy. What about hot sauce?

Me: Turns her butt into a flamethrower and her diarrhea is acidic.

Nico: Okay I did NOT NEED to know that.

Poromon: Fart on me!

LOUD FART!

She farted on his face and he got SUPER DRUNK!

He threw up all over Nico!

Nico: OH SICK!

Poromon: (SLURRED SPEECH) Well I'm off to market! (BARNEY BELCH)

Me: Okay that's enough.

I reverted him back.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Mr. Akashi, Yusuke and Keiko's school teacher, and that asshole is causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE?!

Eli: A new enemy?

Lincoln: Yep, but it's someone Yusuke and Keiko both know and despise.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Mr. Akashi, Yusuke and Keiko's school teacher, and it appears he's causing havoc.

EVERYONE GASPED!

Keiko: What the?! That jerk! (GROWLS)

Me: Whoa, Yusuke, Keiko, you two know him?

Yusuke: We do, he's our old school teacher, but he was an asshole to the core and he also hated my guts.

Keiko: And if that wasn't bad enough, but at Yusuke's funeral, he disrespected Yusuke by spitting on him!

WE WERE EXTREMELY PISSED OFF!

Nico: That asshole did what?! He spat on you during your funeral?! That's an act of disrespecting the dead!

Caleb Maxwell became pissed off when we saw his crimson red eyes turn brighter.

Caleb Maxwell: This asshole thinks he can get away with disrespecting one of his students at his own funeral just because he hated his guts and hated everyone around him?! Filthy animal! By the time I get done with you, you're gonna be begging for me to put you out of your misery!

Kuwabara: Whoa, hold on there. I get Akashi was an asshole, but he doesn't deserve to die.

Lincoln: He's right, we'll send him to prison by turning him into a boneless blob like Mom and Ms. Chi-Chi did to Mr. Shu.

Lynn: Good idea. So, keep your guns holstered for that one, Caleb.

Caleb Maxwell: No promises.

Nico: Either way, we better get going to Japan and take that asshole down.

Lincoln: A guy like that deserves the worst kind of beatdown ever, let's get him.

The previous group came.

Carly: Can me, Felix Faust, Kerbero Gangan, Merman, Rex Roman, Misty, Kalin, Devack, and Greiger go with you guys?

Nico: Yes you all can come with.

Xenia: This is gonna be fun.

Misty Tredwell: So we're going up against Yusuke and Keiko's former teacher?

Me: Yep.

Transquito: Boss, which Gene Slammer do you think you'll meet next?

Nico: Next will be Evil HERO Wild Cyclone, Number 100: Numeron Dragon and Number 99: Utopic Dragon.

Me: Ooh! Wow!

Nico: Yep. Doing 2 Numbers at a time,

Me: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: Aragon Cochran, Demon Earth Master of Darkness of The Order of The Dark Universe and Athalia Necroshade, Dark Crystal Master of The Dark Church of Malphas, and they're in Japan causing havoc alongside Mr. Akashi. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Aragon Cochran, Demon Earth Master of Darkness of The Order of The Dark Universe and Athalia Necroshade, Dark Crystal Master of The Dark Church of Malphas, and they're in Japan causing havoc alongside Mr. Akashi.

Xenia Vola Dappra: So, those two snakes are causing havoc alongside Asshole Akashi. We'll need to keep those snakes contained before we take him down.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, time to teach Asshole Akashi a lesson in respect.

Lincoln: And once we get done with him, we send him straight to jail forever, and once we end him and Dark Punguari for good, you're next, Aragon Cochran and Athalia Necroshade.

Xenia Vola Dappra: Aragon Cochran and Athalia Necroshade, you will both pay for the atrocities you madmen have committed after we get done with Asshole Akashi!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to take down Mr. Akashi, and once we got done with that asshole, Xenia Vola Dappra and Lincoln are going to destroy Aragon Cochran and Athalia

Necroshade and send them to The Black Abyss.

We were off

We arrived in Japan.

Me: Here are are.

Nico: Yep.

Rex Goodwin: We should call Killer Croc

Me: Good idea.

We did so.

Killer Croc: I'm here! I'm going to bite off that jerks arm.

Search Man: Or at least his hand.

Me: That works.

Camie: Yeah.

Qin: Perfect.

Misty Tredwell: How was Gym Class today?

Me: We're not in school Misty.

Misty Tredwell: Oh sorry.

Me: But either way, this is one teacher we're not going to let back into society. Lets see.

I pulled up his info.

Akashi is shown with Iwamoto insulting Yusuke at his own funeral, being lectured by Takenaka for it shortly after.

Shortly after Yusuke's death, he tells Kuwabara to not fight for a week and get above the failing score on the next test. On both, he tries catching Kuwabara fighting and changing the scores just to make him fail; only to be caught by surprise when Kuwabara actually lets the punks who show up to fight him and beat him up, and get caught by the principal of the school. He is not shown at all in the later episodes, implying he was fired from his position.

It showed what he looked like and he was also a beavertooth jerk!

Me: Man he is a jerk! But at least he was fired so this makes it easy for us to fight him not on School Grounds.

Hornet Man: It sure does.

Me: Yeah.

Qin: This guy disgusts me to no end!

Yusuke: Yeah he hated my guts and was doing everything he could to get me in trouble and make my life miserable. He even changed Kuwabara's scores to make him fail.

Nico: Man what a monster! He should have never been allowed to be teaching.

Me: I agree. Also I'm going to crush his arm so hard that I'll rip it clear off his body.

Greiger: We agreed that Croc eats his hand. Either way, he loses a body part.

Me: I meant I was gonna break his bones.

Greiger: Oh. Sorry.

Felix Faust: At least he has no powers

Me: Since he's that weak we'll let our FISTS do the talking.

Varie: Yeah!

But then Lincoln suddenly had a rocket nosebleed that sent him crashing into a fruit cart full of coconuts!

CRASH!

Lincoln: OUCH!

Me: Geez!

Patrick: DAHAHAHA! THAT GUY CRASHED INTO A COCONUT CART!

Lincoln: That guy was me!

Me: Smoking hot Akuma?

Lincoln: Yep. It's Keiko's Akuma, Lady Fleurflame. The Hypothetical Akuma of Keiko and she is a fairy of fire and also has all of Keiko and Hiei's powers including the Jagan Eye. Also she has fire, flower and darkness fire powers. She was made because of Evil Hiei slashing her with the Shadow Sword and it backfired and not only gave her a Jagan Eye but all his powers too and as a result she vowed to hunt him down and kill him

WE GASPED!

He showed us a sketch of her and she was a smoking hot bikini fairy with fire butterfly wings and she has a Jagan Eye in the middle of her forehead.

Me: WHOA!

Keiko: I look really sexy and hot!

Sixshot: You sure do!

Me: Yep.

Eli: And here she comes!

We saw a figure and it was LADY FLEURFLAME!

Lady Fleurflame: Hey guys. Been a while.

Me: Wow!

Yusuke: Oh man you are smoking babe.

But then...

KRASMASH!

SHE SLAPPED YUSUKE'S FACE REALLY HARD AND LEFT A REALLY NASTY HANDPRINT!

Lady Fleurflame: That is for looking at my breasts JERK!

Me: That is Keiko alright!

Merman: Keiko? Is that you?

Lady Fleurflame: Yes it is. I believe J.D. confirmed that.

Me: Yep. And it appears we have another unwanted guest.

I teleported and kicked a figure and it was EVIL HIEI 2!

Me: The Evil Hiei from your world no doubt.

Lady Fleurflame: Yep.

Me: I'll face him. You guys face Lady Fleurflame.

Nico: Okay.

Me: You think this is a game don't you motherfucker! Well news flash for you, I don't play games.

Evil Hiei 2: I see what's up. When you are battling for others your strength increases greatly.

Me: Because my friends are my greatest power.

Evil Hiei 2: You're a team player, a save the day hero. I hate people like you.

My aura flared up.

Me: Well fuck you too asshole! And thanks for the power boost. Your hatred is only making me more powerful.

Evil Hiei 2: We'll see about that. And yes you fool I'll admit you surprised me. But like a true amateur you failed to take advantage of the situation. You didn't get back the sword. A Mistake that will prove fatal. Because now that I know it I won't be dropping my guard any longer. The world doesn't give many chances. You just missed yours.

Me: Are you done shooting your fucking mouth off yet? This talk is really starting to get boring!

Evil Hiei 2: NOT QUITE!

His Jagan Eye glowed but I teleported and kicked him in his back and got back the Shadow Sword as he was talking.

Me: That's all you are is nothing but talk. A true piece of garbage!

Back with the fight with Lady Fleurflame everyone was talking to her.

Killer Croc: You need to calm down!

Lady Fleurflame: I'll calm down if you beat me.

Keiko: Okay.

She fired a wave of fire and entangled her in flower vines!

Evil Hiei 2 got up.

Evil Hiei 2: YOU ARE DEAD!

He took off his shirt.

Evil Hiei 2: Consider this a compliment. I've never transformed for a human.

Me: Okay then.

He glowed and his skin turned green and he had many eyes open up on him.

Evil Hiei 2: (LAUGHS) Now you get to see my full demon form.

Me: Well I was saving this for a rainy day but...

I went full power! I then teleported and bashed and pulverized him with intense speed and force!

Killer Croc charged at her and kicked her down.

Me: One Evil Hiei is bad enough.

Evil Hiei 2: I will wipe you out from this world before you even breathe!

Me: That doesn't make any sense.

I teleported and then...

SLASH!

I slashed at him and then his Jagan Eye got slashed!

Evil Hiei 2 screamed in pain!

Me: Now to finish you forever.

Eli: Allow me bro. DRAGON OF THE DARKNESS FLAME!

Evil Hiei 2 gasped!

Eli then had pitch black fire form in his hands and the level of power it had was intense!

Eli: Like you said Hiei, it's impossible to control it completely but once I release it I have no say. I have the power to pull you into Oblivion. My right arm is all I need. Without your Jagan Eye you are nothing! And I know it has its own mind loathes disrespect. But if you don't have it there is nothing you can do. (Echoing) DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a massive blast of pitch black fire as hot as the sun and it formed into a deadly dragon and it hit Evil Hiei 2 with intense force and incinerated him on contact and slammed him into an abandoned building and it bursted into flames and killed him and banished him to the Black Abyss!

Me: TAKE THAT!

Eli: YEAH!

Pharaoh Man: That was fun!

Me: Yep. Nice job bro!

Lady Fleurflame: Yeah! Now I believe it's my turn.

Pharaoh Man: Oh right we're not done.

She then fired waves of flowers and then a blast of wind blasted her and the flowers down.

Then a Butterfree came.

Me: Ooh a Butterfree!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Papillon: Let me see.

She used Telepathy and gasped!

Papillon: It's my friend Sarpedon!

Nico: Whoa!

Me: Let me help out.

We went to face her.

Papillon: Sarpedon it's me Papillon!

Kerbero Gangan: I don't think she's going to listen!

She fired another blast of wind.

We braced ourselves!

Me: WHOA! Okay then.

We fired waves of energy and blasted her down.

I snapped my fingers and she reverted back and was a blue and purple version of Papillon and she had the planet Papillonus with butterflies on it on her arm as a cutie mark.

We caught her and wrapped her in a blanket.

Me: WHOA!

Papillon: That was too close.

Me: Yeah.

Sarpedon: (Groans) What happened?

Papillon: Sarpedon?

Sarpedon: Papillon!

She hugged her.

Papillon: I'm happy to see you.

Sarpedon: Me too.

Me: You were turned into a Butterfree by Dark Gale.

Sarpedon: (GASP) I remember.

She was in a blue suit and injected and she turned into a Butterfree and flew out!

FLASHBACK ENDS

Sarpedon: It was awful.

Papillon: I know.

Me: But Dark Gale is destroyed forever.

Sarpedon: Good. Also for my role in Sonya's team I am the Butterfly master and use butterflies to battle. Outside the team I spend time looking for my friend and also help in teaching my powers to martial arts classes.

Me: That is amazing.

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her blue versions of Papillon's clothes.

Sarpedon: Wow I look great.

Me: You sure do. We're also in the middle of a battle.

Ember McClain: Wanna help us with it?

Sarpedon: Sure!

We fired waves of energy and blasted Lady Fleurflame.

Papillon: Like old times?

Sarpedon: You know it!

Papillon and Sarpedon: BUTTERFLY KALEIDOSCOPE BLAST!

They fired waves of rainbows and blasted her and knocked her down and she was out!

Me: YEAH!

Kalin: 3 Pokémon Gene Slammers in one day!

Me: Yep.

Qin: Yeah!

Nico: That was cool!

Lola: Yeah!

Nico: Okay, now it's time to hunt down that asshole and send him off to prison.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Asshole Akashi is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Aragon Cochran, Athalia Necroshade, and Mr. Akashi saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Asshole Akashi without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Mr. Akashi, Aragon Cochran, and Athalia Necroshade raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Nergal Glaphyra and Maacah Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of demons appeared and they attacked Asshole Akashi, Aragon Cochran, and Athalia Necroshade and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Asshole Akashi, Aragon Cochran, and Athalia Necroshade even more pissed off than ever.

Yusuke: Long time no punch, Mr. Akashi.

Keiko: You got some nerve showing your face here again.

Nico: So, you like disrespecting the dead, huh?! Well, guess what, shithead, we don't like assholes who think they can disrespect the dead and get away with it!

Me: Assholes like you deserve only a nasty thrashing!

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc when Ucumu awakened, but it matters not. Once we get done with Dark Punguari and Ucumu, you two snakes are next.

Aragon Cochran: YOU MISERABLE WOLF!

Athalia Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS! ARMIES OF MALPHAS, KILL THEM!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" male hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the 12'6" male hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the 12'6" male hellhounds royally pissed off Nergal Glaphyra and Maacah Necroshade!

Aragon Cochran and Athalia Necroshade: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped those Satanic monsters inside a force field to keep them inside.

Lincoln: That'll keep you jerks inside. Now, to deal with you.

Me: Yeah!

Akashi: I HATE YOU YUSUKE!

Yusuke's aura flared up.

Me: SHUT THE FUCK UP YOU DOUCHEBAG!

Cheetah: Holy shit. Are you a talking beaver?

Akashi: I'm not a beaver!

Me: I don't know. Do you chew on wood when you give lectures?

Akashi growled!

Me: Yusuke is a better person without you!

Akashi: He should have gone to hell!

Devack: Maybe you're a beaver disguised as a human.

Me: Alright guys knock off the beaver thing. Akashi why do you hate Yusuke so much!? What has he done to you?

Nico: Yeah!

Eli: Better talk!

Akashi: He's a no good slacker, that's why! And he has a drunk for a mother!

Livewire: HAD a drunk for a mother, actually.

Me: She is a better person now!

Mordecai: And if anyone is a much better slacker it's me and Rigby!

Rigby: Yeah!

I then grabbed his arm.

Me: Ever wonder what it feels like when you crush an egg in your hand?

Akashi: What do you mean?

I then crushed his arm!

BONES CRUNCHING!

HE WAS SCREAMING IN PAIN!

Roman Goodwin: Mordecai, you realize you insulted yourself and Rigby, right?

Mordecai: We're good at what we do.

Me: Yep.

Wood Man: Eat wood, Beaver Boy!

He fired wood and blasted and bashed him.

Norbert: Suck wood from the Wonder Tree of Wow-Wee!

He fired big wood chips and bashed him!

Akashi: NO MORE BEAVER JOKES!

Mega Venusaur charged at him and bashed him down.

Killer Croc then bit off Akashi's hand!

CHOMP!

HE SCREAMED IN PAIN!

Brittney and LadyDevimon charged at him and blasted him with darkness.

Brittney and LadyDevimon: DARKNESS FLARE WAVE!

They fired waves of fire and darkness and blasted him!

Bertrand and Dokugumon charged at him and blasted him.

Bertrand and Dokugumon: RED FLAME SPIDER BLAST!

They fired waves of red fire and energy and blasted him.

Me: Take that!

Haiku and Ophanimon charged at him And blasted him all over.

Haiku and Ophanimon: LIGHT ORANGE FLAME BLAST!

They fired waves of fire and light and blasted him.

Dante and Sepikmon charged at him and bashed him with clubs and boomerangs.

Dante and Sepikmon: BOOMERANG FLAME STORM!

They fired waves of fire and boomerangs and bashed and blasted him.

Qin: Yeah!

Persephone and Tortomon charged at him and blasted him with green fire and rocks.

Persephone and Tortomon: GREEN FIRE LIZARD FLAME!

They fired waves of green fire and blasted him all over.

Morpheus and Piximon charged at him and blasted him with blue fire and bombs.

Morpheus and Piximon: PIXIE FLAME BLAST!

They fired waves of blue fire and energy and blasted him all over.

Boris and Digitamamon charged at him And blasted him all over the place.

Boris and Digitamamon: INDIGO EGG NIGHTMARE BLAST!

They fired waves of energy and indigo fire and blasted him.

Me: Yeah!

Yusuke then punched him in his stomach and he belched out a lot of blood!

KRASMASH!

Keiko slapped Akashi in the face with intense force and knocked out some of his teeth!

Ingrid and Deltamon charged at him and blasted him all over with darkness.

Ingrid and Deltamon: DARKNESS FURY BLAST!

They fired waves of darkness and energy and blasted him.

Me: YEAH!

Gaz and Nefertimon charged at him and blasted him with energy blasts.

Gaz and Nefertimon: PHARAOH DARKNESS BLAST!

They fired waves of energy and blasted him all over.

Maria: You guys gonna hog all the fun? (TURNS DIAL) SLIME DEER FORCE!

She summoned Giant Slime Princess, Sheep Fangire, SCP 870, Ronno (X-Squad), Bambi (Drawn Together), and Bambo!

Me: YEAH!

Ronno (X-Squad): I will kill you before you finish him Bambi!

Me: Knock it off Ronno!

Nico: Your petty jealousy will destroy you!

Yumi and Calamaramon charged at him and blasted him with water and darkness.

Yumi and Calamaramon: TITANIC WATER MAELSTROM!

They fired waves of energy and water and blasted him.

Me: You want to see something scary Akashi?

Akashi: What is it!?

I activated the Ghost of King Ramses Ridewatch.

Me: (Imitating King Ramses) RETURN THE SLAB! OR SUFFER MY CURSE!

Akashi: What curse?

I fired waves of locusts and maulled him all over!

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon Japan only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you, you piece of shit!

Lincoln: After what you've done, you deserve it. Now, it's time to administer your punishment for disrespecting the dead and for being an asshole to Yusuke and everyone around you.

Time to pay!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF MR. AKASHI TO NO END! NOW, THE BATTLE TO TAKE DOWN ASSHOLE AKASHI

WAS ON!

Lincoln, Keiko, Yusuke, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Mr. Akashi, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Mr. Akashi and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Keiko, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Mr. Akashi even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Mr. Akashi and he got hit hard.

Then, Lincoln formed and fired an rainbow energy ball that hit Mr. Akashi on the back and he was left with a burning scar on his back.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Mr. Akashi and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln flew with incredible godly superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched Mr. Akashi really hard in the stomach and that caused a massive cluster of rainbow flames to explode out of him from his back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 10'6" massive, wide, double-edged gold blade!

Lincoln attacked Asshole Akashi with one final powerful downward swing of his massive greatsword and that caused a massive explosion to erupt and the chains broke and Asshole Akashi was on his last legs as Lincoln landed in front of us.

Ed Cowart: Ok, Asshole Akashi, now you get yours!

Ed Cowart proceeds to insult Asshole Akashi.

Ed Cowart: So, you like to dishonor the dead huh?! You are by far the most disrespectful asshole ever to grace a fucking school. Were you this disrespectful to everyone naturally or did you have to work on it?! You are a weak carbon copy of Patricia Haruna, who's not only nicer to everyone but also respects the dead and even hotter than your ugly ass. In fact, you're so fuckin ugly that I bet you make onions, happy meals, and even blind kids cry at the same time. Your mother was an uglyass prostitute that I heard your father met her at a dog show and he was also fucking ugly. Hell, you mind as well have a tiny wiener. If there was a Top 100 Worst Teachers ever, you'd be in the Top 10! Prepare for your punishment, you disrespectful mistake of nature. Oh, and one last thing?

Ed Cowart placed Asshole Akashi onto a barber chair, and then, he shaved Mr. Akashi's face, thus leaving him with lots of cuts, and Mr. Akashi jumped off the chair pissed off!

Mr. Akashi: YOU SON OF A...!

But, Ed Cowart punched Mr. Akashi back on the chair, and then, he shaved all of Mr. Akashi's hair off leaving him bald, and then, he sprayed whipped cream on his head, then he placed various fruits and even carrots making a salad sprayed more whipped cream on the salad and he finished by placing a cherry on top. Of course, Akashi upon noticing it now really pissed off.

Mr. Akashi: THAT'S IT, YOU'RE FUCKING DEAD, YOU BASTARD!

Mr. Akashi grabbed a sword really full of rage, but Ed Cowart used a flute to make electric shavers come to life and attack Mr. Akashi leaving him with lots of cuts all over. Then Ed Cowart punched Mr. Akashi back onto the chair, but this time, Mr. Akashi is now unconscious. Then, Ed Cowart ripped Mr. Akashi's shoes off, and apparently, he didn't wear socks, so he painted his entire feet pink, then he used flower hair tonic on Mr. Akashi's bald head, which made flowers grow on his head, and then Ed Cowart dressed Mr. Akashi like a princess with a pink dress, and when Mr. Akashi woke up, bees were all over his flower hair. Mr. Akashi was now super pissed, but he wasn't aware of an emotion-sensitive TNT which was sensitive to rage, and that caused the TNT to blow up sending Mr. Akashi 5,000 miles up before falling onto a giant exploding strawberry cake which upon his return to Earth landed into it and the cake blew up!

Ed Cowart attacked Mr. Akashi's groin using the 101 ways to attack the groin, and it was incredibly and extremely painful, and when Ed Cowart was done, Mr. Akashi's groin exploded into a mess of gore and blood, and he screamed in absolute agony!

A figure came and it was MUSIC JAMEN from episode ten of Kiramagers!

Despite taking a verbal lashing from Carantula for Smog Jouki being used to form King Express and destroy Heian-kyo Basra in the previous episode, Galza revealed that he had sent Music Jamen down to Earth to begin his next plan. Music Jamen was said scheme and was given the mission of taking control of enough people that they could feed to the next Jamen Beast. With such a massive influx of dark energy, nothing would be able to stop it from destroying the world and allowing Yodonheim to conquer humanity. He was first seen after he possessed popular internet singer Yodomihime who was being watched by Juru, Tametomo, and Sena. She/he sung a song and then announced a big concert before sending the black and red tickets into the chest of the three Kiramagers. This brought them under his/her control and they entered a coma with Princess Mabushina recognising the symbol of the Yodonheim. As revealed by Sayo via a medical report, the tickets had fused to thier hearts to removing them would immediately kill the patients.

Later, whilst Shiguru and his three remaining allies looked for clues, they were approached by his creepy stalker named Iyo Kodera (who was actually Yodomihime's real identity) who revealed that she had previously been approached by Music Jamen and could get her hands on Shiguru if she let him use her body although she was unaware of the Jamenshi's malicious intentions. After failing to appeal to Shiguru with her popularity, Sayo used her Kiramai Changer to reveal a large purple cloud around Iyo which it ejected and revealed Music Jamen on her back so they morphed and he dismounted Iyo who gawked at her idol in his suit. Deciding to make themselves scarce, he gave Iyo a piggyback and summoned Bechats to preoccupy the trio although Shiguru easily dealt with them with allowed Sayo to cut the two of them off. However, he reminded her that he she couldn't shoot him due to Iyo so she deflected a blast off of some rubble but a Bechat took it for him which let him run on. Though Iyo stopped him to ask Shiguru for marriage, he refused and Music Jamen revealed that the next show was his big finale before blasting them with a sonic attack which allowed the two of them to get away on foot.

On the day of the big concert, Music Jamen subsequently set up shop in an abandoned Olympic theatre and activated those he had infected with his theater cards to go to the seats to begin the final phase. However, no-one came because Sayo had analysed the theater cards and managed to destroy the curtain which controlled them and thus was able to make the cards disappear. Music Jamen was shocked at this as the remaining three Kiramagers and Shiguru swiftly arrived in Mashin Jetter. Though very heavily outnumbered, he reminded the Kiramagers that Iyo was still his and they couldn't attack him without harming or even killing Iyo. Unfortunately for him, Shiguru solved this problem by unleashing a new attack with his sword on her and the Jamenshi which knocked him clean off of her. Music Jamen was horrified and confused so Shiguru revealed that he controlled his Kiramentality so that the middle of the blade vanished before it struck her and materialized after it passed through her and thus hitting only Music Jamen, knocking him off. Music Jamen was fatally wounded by this devastating attack but was able to successfully send his dark energy into the theater stage in creating the Stage Shellga which made him explode in the process. With his death, the entire theater was revealed to have been the Jamen Beast in disguise who had been lying dormant until the later Jamenshi's energy revived it.

Juru: Music Jamen!

Music Jamen: Been a while.

Me: I remember you! You were sent to gather energy by controling people through music.

Music Jamen: That's right. Good memory.

Me: Thanks.

Music Jamen: Want me to put on some music for the rest of this battle?

Me: Sure.

He put on music. He played Down With The Sickness by Disturbed.

Me: NICE!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Aragon Cochran: YOU MISERABLE CRETIN! HOW DARE YOU HUMILIATE US!

Time to die, you goddamn snakes!

Lincoln, Xenia Vola Dappra, Nico, and I went after Aragon Cochran and Athalia Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Aragon Cochran and Athalia Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Xenia Vola Dappra did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Xenia Vola Dappra, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Aragon Cochran and Athalia Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Aragon Cochran and Athalia Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Aragon Cochran and Athalia Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of his massive greatsword.

Aragon Cochran and Athalia Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Aragon Cochran and Athalia Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Aragon Cochran and Athalia Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Xenia Vola Dappra's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Xenia Vola Dappra: We did it, that's two down and sixteen to go. Thanks for helping me get rid of Aragon Cochran and Athalia Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Xenia.

Me and Nico: Our pleasure, Xenia.

Suddenly, Xenia Vola Dappra wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Xenia Vola Dappra's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Xenia Vola Dappra sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Aragon Cochran and Athalia Necroshade are gone forever.

Lincoln: Yep, now we got sixteen more to go: Ryan McCabe and Jezebel Necroshade, Windsor Grimm and Herodias Necroshade, Alex Creighton and Delilah Necroshade, Owen Thatcher and Belial Necroshade, Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw flames forming and swords form and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters along with fire and swords.

Selene Arcangela: There's only one person who has fire and swords as part of her specialty in The Witchcrafter Artisans Guild: Laura Daniels, Avatar and Gene-Slammer of Witchcrafter Schmietta.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Laura Daniels, Avatar and Gene-Slammer of Witchcrafter Schmietta, is Lincoln's Guardian Angel from Michigan and she's a powerful master of fire, blacksmithing, and magic. She's the Blacksmith of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Laura Daniels met Lincoln, and this one time, she and Lincoln created and forged many swords, knives, daggers, and greatswords of incredible quality, and they were featured in art galleries over the United States. Plus, she really helped him with mastering the powers of fire, blacksmithing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Sebastian with a blazing passion because he tried to destroy the swords, daggers, knives, and greatswords and he also tried to kill them to slake his thirst for blood. But, Laura Daniels and Lincoln slashed Dark Sebastian all over the place with their greatswords and they sent him running back to Hell and they warned him if he ever stepped out of Hell again, they were gonna kill him and make sure he dies a painful death for all his crimes.

Nico: Wait, you guys actually did that to Dark Sebastian?!

Lincoln: Yep, we did.

Me: I remembered hearing about that.

Selena Mendez: They really did a lot of damage to him that day.

Nico: Damn...!

Suddenly, we heard a demonic roar, and streams of darkness were coming right our way, and as they landed, what stood in their place were none other than Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, and Aragon Cochran, and they were pissed that we killed Aragon Cochran and Athalia Necroshade.

Me: Well, well, if it isn't Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe.

Dark Sebastian: You damn bastards! You ruined my trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Alaister Necroshade: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

That pissed off those snakes really badly, and Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe went after us for revenge, but then...!

A MASSIVE BLAST OF ENERGY CAME CRASHING DOWN ON THOSE SNAKES AND THEY STOPPED DEAD IN THEIR TRACKS!

King Kai: (Telepathically) You and your minions better leave right now, Dark Sebastian, or you're going to be in worse trouble than getting trapped in Hell.

Dark Sebastian let out a demonic shriek from Hell, as he, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe turned into streams of darkness and flew off swearing revenge on us!

Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes! Thanks for that, King Kai.

King Kai: (Telepathically) No problem.

Lincoln: Looks like those snakes aren't going to give up, we've got to keep an eye out for whatever dirty stunt they have up their sleeves.

Overdrive: No funeral should be disrespected.

Toyman: Ever!

Villamax: You said it!

Me: That is for sure!

Wolf: What now?

Weather Wizard: We have Japanese food.

Me: Good idea.

Nico: I'm starving. Great job today everyone.

Yusuke: (To the viewers) This was awesome and Keiko and all of us got justice for me because of my funeral.

Nico: We sure did.

We went to a great restaurant and had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln was watching the night sky, he knew what was gonna happen tomorrow: the showdown against Ultraman Belial and his family's most hated enemy, Morag McLaughlin, and there's no doubt Dark Sebastian and his cronies will be watching.

Lincoln: This is it. Tomorrow, the final battle against Ultraman Belial will take place, and we'll make sure he pays for his crimes. (Deep Sapphire Eyes turn red) And Morag, you better be ready, once I get done with that piece of shit, you're next! Tomorrow, the first part of The Prophecy of The Reincarnation of Amaterasu will be fulfilled, I will avenge what your insane ancestor did in 1621 and make you pay for what you did. And there's no doubt you're also planning on bringing back Aggie McLaughlin from the dead, Dark Sebastian. Well, the second that you do, I'll make sure she dies for good, and you'll watch as that first part of the prophecy is fulfilled. Then, once Dark Chase Young returns, I'll end him and fulfill the prophecy once and for all.

Lincoln looked out into the night skies, and Nico and I were watching, and we heard every word he said.

Me: He's ready.

Nico: You said it, tomorrow, Belial will die for good, and Morag will finally get her just desserts, and those snakes watching from the darkness will watch as their plans fall apart.

Me: Yep. Plus, I can't help but get the feeling that Lincoln's got something else planned as well.

Nico: Whatever it is, it's gonna be good.

Me: Yep.

We went to sleep.

Akashi was found guilty of his crimes and sentenced to 960 years in prison and ordered to pay Yusuke and Keiko $500,000,000,000,000,000,000,000,000,000,000.00 in damages and restitution

Meanwhile in Japan, Riku and the Geed Team were getting ready for our arrival.

Riku Asakura: I'm ready for this. And I have a feeling it's gonna be big.

Laiha Toba: We're ready for it.

Moa Aizaki: Yep.

Riku: Lets do it!

GEED!

In a flash of light they transformed and went at the screen and it froze...

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Egypt, and we're going to destroy Akhenaten, the main antagonist of the comic miniseries Marvel: The End, and after Lincoln absorbs him, he'll send the powerhungry pharaoh god wannabe to The Black Abyss, and we're going to meet Laura Daniels, Avatar and Gene-Slammer of Witchcrafter Schmietta, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of fire, blacksmithing, and magic. She's the Blacksmith of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Laura Daniels met Lincoln, and this one time, she and Lincoln created and forged many swords, knives, daggers, and greatswords of incredible quality, and they were featured in art galleries over the United States. Plus, she really helped him with mastering the powers of fire, blacksmithing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Sebastian with a blazing passion because he tried to destroy the swords, daggers, knives, and greatswords and he also tried to kill them to slake his thirst for blood. But, Laura Daniels and Lincoln slashed Dark Sebastian all over the place with their greatswords and they sent him running back to Hell and they warned him if he ever stepped out of Hell again, they were gonna kill him and make sure he dies a painful death for all his crimes.

Get ready for an explosive battle as we battle Ultraman Belial and Morag and fulfill part one of the Prophecy

See you next time.

403 YEARS OF FAMILY RETRIBUTION

LINCOLN'S DAY TO SHINE!

BUCKLE YOUR SEATBELTS EVERYONE!

JUSTICE FOR LINCOLN'S ANCESTORS

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Scotland, but as he was flying, he saw the skies turn black and he also saw the symbol of Apophis and The Dark Church of Malphas in the skies. Then, he saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe, and he saw them open a portal, and he brought Ultraman Belial here, and then, he resurrected Morag from The Warp and finally, that monster brought Aggie back from the dead. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified and pissed off.

Selena Mendez: That snake! I can't believe him!

Camie Elextor: I can't believe he's done that! He's going to pay for this.

Anna Anyanova: He and his fucked-up pack of snakes are both going to pay. But, this means we got to tell Angus about this along with your ancestors, Lincoln.

Lincoln: We're going to do just that, Anna. But, there's no doubt they're going to be pissed off at Dark Sebastian for this.

Lincoln and his harem went back to sleep.

Then, as morning came, Lincoln woke up to see Electrode staring at him.

Electrode: Morning Lincoln!

Lincoln: Morning Electrode.

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys, this also concerns you and my ancestors, Angus. Last night, my dream took me to Scotland.

Then, Lincoln explained that he was flying, he saw the skies turn black and he also saw the symbol of Apophis and The Dark Church of Malphas in the skies. Then, he saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe, and he saw them open a portal, and he brought Ultraman Belial here, and then, he resurrected Morag from The Warp and finally, that monster brought Aggie back from the dead. When Lincoln was done explaining, we were incredibly pissed!

Nico: What?! That goddamn snake!

Me: I can't believe him, so he's launched an early attack on us?! He's such a damn psycho!

Eli: That's yet another line they crossed!

Me: That's for sure, I swear it's like they got black slime running through their veins.

Lincoln: That they do. All they have is darkness running through their veins, but it doesn't change a thing, I'm fulfilling The Prophecy of The Reincarnation of Amaterasu by first taking down Morag and also kill Aggie as well, and then on Kimiko's big day, we kill Dark Chase Young, and we're gonna send a message to him and I'll also tell off Dark Sebastian and his minions when they come after us in Scotland.

Cage Blunt: That I'd like to see.

Travis Tackett: Someone needs to knock that psycho down a few million pegs.

Caleb Maxwell: And even riddle him with bullets.

Goku: They're gonna run away when Lincoln gets through with them, so you probably won't get any opportunities to turn them into swiss cheese.

Caleb Maxwell: They're just damn cowards too afraid to face death.

Goten: And what they did in taking the battles to Hell, that just proved Dark Sebastian was always a dishonorable coward, what a blackhearted snake.

Babs Bunny: And a sore loser.

Lynn: That's not even a word I'd use for him.

Selena Mendez: And I know just the words to use for him.

Lincoln: Selena, don't even think about saying those words, not with little kids present.

We snickered.

Qin: Ooh, he caught you stone cold trying to say those words about the dark side of your brother.

Nico: And he's right, we heard you say those words long ago about your brother when he had that slime inside him, and I thought J.D. had a rotten garbage mouth.

Me: I'm still stunned that you could say those kinds of words, Selena.

Lincoln: I always had some earmuffs ready when she starts cursing like that. Oh, and Lachlan, I got a little something to give you.

Lachlan McLoud: (Scottish Accent) What is it?

Lincoln went up to Lachlan McLoud, and...!

CHOMP!

Lincoln bit Lachlan McLoud on the neck and his fangs injected him with werewolf and vampire blood as it spread through his veins. Then, he unlatched his fangs.

Lachlan McLoud: (Scottish Accent) Wait, what did you? (Suddenly felt a massive rush of power) W-what on Earth? What's happening to me?

Suddenly, Lachlan McLoud let out a growl as his abnormally massive and powerful muscles bulged and veins formed and white fur grew around his body and white fur grew on his pecs and abs, he grew a sturdy white wolf muzzle and wolf nose, his eleven massive and long white wolf tails remained the same, and large white wolf ears grew on top of his head, and he let out a loud howl.

Lachlan McLoud: (Scottish Accent) (Groans) What happened?

Lincoln made a mirror and Lachlan saw what happened.

Lachlan McLoud: (Scottish Accent) Aye, you turned me into a Werewolf-Vampire Hybrid like you. But, I get why, we're also joining in too to take down Morag.

Lincoln: Yep. That's right, plus you're gonna get used to the new body you've been given quite quickly along with your transformation later on. Alright, now let's finish breakfast and take down the next villain for Nico's rescue.

Nico: Right.

We finished our breakfast, and we headed out to take down the next villain for Nico's rescue.

Me: WHEW!

Ralphie: It's too darn hot.

Keesha: Even the thermometer is sweating.

Dorothy Ann: (holding up mini fan) Oh boy...

Me: It sure is hot out.

(Liz is taking a shower in her tub)

Arnold: Phew... I never thought I'd say this, but if we could get Ms. Frizzle to shrink us, we could all fit in that tub.

(Liz angrily closes the curtains)

It was her way of saying DO YOU MIND!?

Keesha: It is precisely 99 degrees Fahrenheit in here.

Phoebe: (sticking her head in an igloo) That's 37 degrees Celsius. At my old school, we measured in metric.

Me: Whew! Look on the bright side though guys, at least it's not as hot as Valmorg.

Ymir: How hot is Valmorg?

Me: Almost 2,000˚Fahrenheit. Very intolerable for many of us.

Juran: I know.

Sunny Starscout: Want some smoothies guys?

Me: Sure Sunny.

She gave everyone smoothies.

We had good smoothies.

Me: (Slurps) Ahh!

Ralphie: (Slurps) Ahh thanks Sunny.

Natalie Frizzle: I always like the heat especially with mom.

(Suddenly, Ms Frizzle comes in with rain gear. She hangs her hat, boots, and umbrella.)

Ms. Frizzle: (singing) It ain't gonna rain no more, no more, no more, it ain't gonna rain no more! It ain't gonna rain no more, no more, no more, it ain't gonna rain no more!

Tim: Ms. Frizzle, don't say that.

Carlos: What good is my rain catcher if it ain't gonna rain no more?

Me: Boy that is a cool Raincatcher.

Carlos: Thanks.

Wanda: It's so hot, what we need is rain. (Squirting a water dolphin) And lots of it!

Ms. Frizzle: (chuckling) Oh, that's what I love about the weather. (She spins around, and the clouds on her dress shoot lightning. And the lightning on her earrings flash) It's always changing!

Keesha: Where DOES she get her clothes?

Natalie Frizzle: Mom always has amazing clothes and her fashions are what I love best.

Rarity: They sure are amazing darlings.

Ralphie: You know what we REALLY need? A thunderstorm.

Arnold: A thunderstorm?! (Ralphie bumps his head on the window) You mean with lightning and thunder?

Ralphie: What else?! A thunderstorm would clear out all this muddy stuff.

Me: Yeah also rain is good for the plants and the air.

Arnold: (nervously) Uh, I've changed my mind. I... I don't mind sweating, really! I've heard it's... uhhh, good for you.

Me: Yeah except you don't want to stink.

Arnold: Good point.

Lynn: Sweat may be good for you but it REALLY Stinks if you don't shower.

Ralphie: Wouldn't it be neat if I could MAKE a thunderstorm? It would be Ralphie to the rescue!

(A thunder cloud appears and showers rain)

Me: That would be cool.

Ralphie: But, I could never do that. (The thunder cloud disappears) (sigh) It's too big a job for a kid. But it's a PERFECT job for... WEATHERMAN!

(Suddenly, Ralphie imagines himself as a superhero who uses weather to save the world)

Ralphie: SHICKA SHICKA KA-BOOM! (He throws lightning bolts)

THUNDERCLAP!

Ms. Frizzle: Ralphie? Earth to Ralphie. Come in Ralphie.

He was snapped out of his thoughts.

Ralphie: Oh us sorry Ms. Frizzle.

Everyone was laughing.

Me: I think that would be a cool name for a hero idea.

Lola: Yeah!

Nico: Yeah.

Lincoln: I agree. Weather is cool.

Ms. Frizzle: Care to join us in our discussion about weather?

She turned off Liz's shower and she didn't like that.

Ralphie: Sure! (Superhero Voice) Weather is my specialty!

Keesha: Since when?

Ralphie: Weather is how all the air around us is right now.

Tim: Yeah. Horrible.

Me: Too hot for many people.

Keesha: Since you're so hot on the weather Ralphie, tell us what makes the weather cool and clear one day and hot and humid the next.

Ralphie: That's easy, Weatherman! SHICKA SHICKA KA-BOOM!

Wanda: Weatherman? Ralphie you've been reading too many superhero comic books.

Me: I wouldn't be too sure about that Wanda. Besides you're already looking at tons of superheroes among you all. Us.

Fu: He's right.

Wanda: And you guys too.

Carlos: Besides. It's water that makes the weather. You know, water as in rain?

Dorothy Ann: Uh according to my research Carlos, it's air that makes the weather. Wind is moving air.

Keesha: No no. Lets get this straight. Heat makes the weather As in the heat from the sun.

She lifted up a shade and the sun shined in.

Me: That's right. Heat from the sun, water from the Earth and Air from the sky make weather.

Ms. Frizzle: All of you are right. You have just named three ingredients. Air, water and heat that when stirred together make weather.

Me: Like this.

I formed a light on my finger and form water and wind and they formed clouds and then formed a mini-storm.

Me: Tadah!

THUNDERCLAPS!

Nico: COOL!

Ralphie: WOW! And who do you think does all the stirring? WEATHERMAN! He can even make thunderstorms!

Keesha: Come on Ralphie. Weatherman? The heat must be getting to you.

Ralphie: Oh yeah? What do you know?

Keesha: Plenty.

Ralphie: Oh yeah?

Keesha: YEAH!

THUNDERCLAP!

Ms. Frizzle's watch went off.

Ms. Frizzle: I'm afraid I must interrupt this lively debate. It's time for our field trip!

Me: All right!

Her earrings glowed!

Carlos: A Field trip? In this heat?

Arnold: Just look at the weather.

Ms. Frizzle: (Laughs) Excellent Suggestion Arnold. Liz why don't you go warm up the bus.

Phoebe: Isn't it hot enough already?

Ms. Frizzle: Ah and you can go with her Ralphie to let us know when everything is ready?

Ralphie: Me? But I'm not finished telling you about Weatherman.

Me: I can get it all going for you Ralphie. You'll see.

I went with him.

Keesha: What's to tell Ralphie?

Ralphie: Just because you don't believe in Weatherman doesn't mean he doesn't exist.

We left.

Keesha: Ralphie thinks he knows EVERYTHING! I mean Weatherman? Give me a break.

Nico: Believe me Keesha, we know a lot about the weather too.

Rainbow Dash: Also I know a lot about it too because I'm a Pegasus too and we Pegasi can control the Weather.

Nico: Rainbow Dash does have a point.

Ms. Frizzle: As I always say: Keep an open mind and you never know who will walk in.

They shrugged.

Ms. Frizzle: Single File please.

We went outside.

We carted out Carlos's raincatcher.

Carlos: Uh I think I'll set up my Raincatcher here just in case it rains while we're gone.

The bus came and it was attached to a huge fan and had lamps on it.

Carlos: Hey look at that!

It landed.

Nico: WOW! Look at all that.

Phoebe: I wonder what all that stuff is for.

Nico: It's a weather station.

Arnold: I hope the Air Conditioning still works.

Ms. Frizzle: Well done.

She gave the thumbs up to Liz.

Ralphie: Faster than Lightning, Cooler than Rain, Louder than Thunder, it's...

THUNDERCLAP! LIGHTNING STRIKE! THUNDERCLAP!

Ralphie: WEATHERMAN! SHICKA SHICKA KABOOM!

He jumped out in a cool outfit!

Me: I provided the entrance for him.

Ralphie: And it was awesome J.D.!

Me: Thanks.

Tim: This is it! I've always wanted to do a superhero comic book. I'll call it "The Adventures of Weatherman!"

Lincoln: Awesome idea Tim. I can help you with that one.

Me: Lincoln is one of the best manga and comic book makers we know.

Poromon: Next to us too.

Me: Including the mascots.

Keesha: Tim if Ralphie is Weatherman then I'm the Queen of England.

Ralphie: (Bows) Your majesty. For my first adventure I, Weatherman, will show you how I make weather! I will even make a Thunderstorm! (Nervously) Won't I Ms. Frizzle?

Ms. Frizzle: I don't see why not Weatherman.

Me: Come on Ralphie, you can do it like we can. You just got to harness the power and use it inside you.

Ralphie: Thanks J.D. SHICKA SHICKA KABOOM!

Me: YEAH!

Carlos: Did you hear that?

Keesha: Ms. Frizzle called him Weatherman?

Wanda: Now the heat's getting to her.

Me: Come on guys. You have been with us before and helped us many times. So you guys are superheroes too.

Keesha: You're right on that.

Natalie Frizzle: Yeah and this will be fun.

Ralphie: First we shall bravely go where no bus has gone before and explore one of weathers major ingredients, AIR!

Keesha: Air? Excuse me but anyone can explore air. It's all over the place.

Me: I think he means air that blows around and makes wind.

Ralphie: He's right. SHICKA SHICKA KABOOM!

Me: YEAH!

Keesha: Sorry Ralphie the only air moving here is the hot air coming from your mouth.

He blew on her.

Keesha: EW!

Me: Ralphie, Keesha come on. Lets all go with.

We went onto the bus and saw that it was FULL of weather controls.

Me: This is very simple.

I sat in the drivers seat.

Me: Mind if I drive Ms. Frizzle?

Ms. Frizzle: Not at all J.D.

Simone Houou: I've always loved the weather and this was one of my favorite field trips.

Me: Awesome!

I pressed a button and it turned on the fan and I pulled a lever and the bus flew into the air.

Me: Hold on tight guys!

Ralphie turned the wind crank!

Ms. Frizzle: Excellent choice Ralphie! (LAUGHS)

Ms. Frizzle went out the bus and was flat as a pancake and flew into the air!

Ms. Frizzle: WAHOO!

The kids minus us went out and were flat and they flew into the air!

Kids: WHOA!

Keesha: RALPHIE WHAT DID YOU DO TO US!?

Ralphie: Oops.

Me: It's not your fault Ralphie. But this is awesome!

Simone Houou: I loved being flat and flying with the wind like that!

Nico: That is awesome!

Tim: The Adventures of Weatherman. Chapter 1: Gone with the Wind!

They blew around with the wind and everyone was flying with them as we were high up in the sky!

Dorothy Ann: I feel light as a feather!

Nico: Boy and you guys are thin enough for us to fly around!

Luan: This is one way to WIND you up! (LAUGHS) Get it?

WE LAUGHED!

Eddy: (LAUGHS) That was a good one!

Carlos: Maybe you're not Weatherman but FEATHERman! (LAUGHS)

WE LAUGHED!

Me: (LAUGHS) That was a good one!

Luan: (LAUGHS) Good one!

Me: Boy everyone is having a lot of fun up here!

Ms. Frizzle: Ah now that's what I call moving air.

She landed in the bus.

Me: Boy look at how much fun everyone is having with this.

Ralphie: They sure are. But I didn't mean to blow them away Ms. Frizzle. Honest.

Me: Ralphie it's not your fault. Besides look how much fun everyone is having. Even though we can fly they sure are having fun.

Ms. Frizzle: Yeah and good work Weatherman.

Ralphie: Ms. Frizzle level with me, am I really Weatherman?

Me: You can be anyone and use any power you set your mind to Ralphie. Just remember that with Great Power comes Great Responsibility.

Ms. Frizzle: That's right. And you have 3 ingredients to make weather. Wind, heat and water. It's up to you to stir them together. As I always say, Take Chances, Make Mistakes.

Ralphie: Get messy?

Ms. Frizzle: Ah Exactly!

Me: Come on Ralphie this will be fun. It's not every day you get to do something this fun with weather.

Ms. Frizzle: Yeah. Only put some oomph into it! You already know a lot about the weather.

Ralphie: That's right! I, Weatherman, have moved air to make wind!

Me: You sure have!

Ralphie: What are you waiting for!

I spun the wind crank and they went out.

Me: Here we go!

I flew outside and joined the fun!

Me: YEEHAW!

Applejack: YEEHAW! Boy everyone is having fun!

Apple Bloom: We sure are!

Dorothy Ann: (While Flying around in circles) WOOHOO! WATCH THIS!

Ms. Frizzle flew through her.

Ms. Frizzle: WAHOO!

Misty Brightdawn: WEEE! This is fun!

I did summersaults and flips over everyone.

Me: YEAH!

Eli: OH YEAH!

Carlos: LOOK MA! NO GROUND!

Camie: THIS IS AWESOME!

Ymir: YEAH!

Arnold: I THINK I SHOULD HAVE STAYED HOME TODAY!

Phoebe: Isn't it great? You can sse for miles.

Varie: You can see everything from up this high.

Tim: Look how sunny it is over there.

Carlos: And look at that humongous cloud!

Me: That is a Cumulonimbus cloud. That is the kind of cloud needed for rain.

Dorothy Ann: According to my research, weather is different in different places.

Me: That's right. Depending on the certain conditions it can change in different places.

Wanda: How come?

Me: Because different combinations of wind, water and heat make different kinds of weather.

Ralphie: I couldn't have said it better myself J.D.

Me: Too true.

Ralphie whistled and the bus came and turned into a glider bus and we went inside.

I went back to the Driver Seat.

Everyone came back in and I formed pillows for everyone to land on.

Me: There you are.

Dorothy Ann: Excellent demonstration of wind.

Me: That was fun.

Misty Brightdawn: Yeah it sure was!

Carlos: We were all Blown away by the experience right?

WE LAUGHED!

Me: (LAUGHS) That was awesome!

Sunny Starscout: We've never had that much fun before.

Rainbow Dash: I know the feeling myself and it's awesome.

Me: Now lets get the Thunderstorm on Ralphie.

Ralphie: Okie dokie! One thunderstorm coming right up!

He turned the air crank and pulled the Sun Lever.

Ralphie: Take a little air and add some heat.

We went up fast!

All of us: WHOOAAAA!

Me: WHOA! HOLD ON TIGHT GUYS!

Keesha: Ralphie what are you doing!?

Me: I think I know. Ralphie made an updraft.

Ralphie: What's an updraft?

Me: Warm air that blows up instead of sideways.

Nico: Yep.

Phoebe: You mean like heat rising out of a toaster?

Me: On a small scale but this is a big one.

Qin: But that's a good example.

Tim: But if an updraft is gonna make any difference to the weather, it has to be pretty big right?

Me: Yep.

We felt a huge rumble!

All of us: WHHOOOOAAA!

Me: Yep!

We spun around!

Tim: Chapter 2: Weatherman and The Updraft Riders!

Lincoln: Looking good Tim!

Nico: Yeah!

Wanda: How about clouds? Can you make clouds too?

Ralphie: Of course Wanda. You need clouds to make a thunderstorm.

Me: And clouds come in MANY shapes and sizes.

Phoebe: You need to add water for that. I learned about that in my old school Weatherman.

Ralphie: Thank you Phoebe. Yes clouds are made of water! Weatherman will now make a cloud!

He turned the air crank and pulled the sun lever and turned the Water Faucet.

Wanda: Now what's happening to us?

We saw that everyone in the class was turned into water!

Phoebe: (Gurgling Voice) We're water!

Me: Whoa! That is cool!

I put my hand through Ralphie.

Me: Sorry Ralphie but that is so awesome!

Eli: Yeah!

Carlos: (Gurgling Voice) Arnold this is ridiculous!

Ralphie: (Gurgling Voice) Thanks to Weatherman you guys are all wet! SHICKA SHICKA KABOOM!

Me: YEAH! Also another thing that water can do is this.

I formed a beam of white light and it refracted when it hit Phoebe and made a rainbow!

Phoebe: OH WOW!

Me: Rainbows are what happens when the light from the sun gets refracted by the water in clouds and makes natural rainbows.

Nico: Yep.

Phoebe: That is cool!

The bus then turned into a sprayer and sprayed them out.

Tim: Time to break out the water colors!

They turned into water droplets!

Carlos: We're changing again.

Me: You guys are now water droplets!

Laney: That is cool!

Ms. Frizzle: Oh Weatherman has turned us from water into tiny little water droplets. Keep together class.

They joined hands.

Phoebe: This is fun.

They spun around in a circle like in a skydiving ring.

Me: Clouds are made of millions of water droplets per cubic meter of air and theres not even enough of them to fill up even a teaspoon.

Nico: That's right.

They then formed into a cloud!

Wanda: We really made a cloud!

Me: You sure did! Clouds come in many forms, shapes and sizes too depending on the altitude and conditions. Watch.

I formed Cirrus clouds, Cumulus, Nimbostratus, Stratus, Altocumulus and many more.

Nico: YEAH!

Ralphie: WOW! That is cool!

Rainbow Dash: I make clouds too and they are awesome!

Me: Yep.

Then the class was shivering.

Me: Uh oh.

Arnold: I knew I should have (Shivering) b-b-b-brought a sweater. It's c-c-cold up here.

Wanda: Cold? It's (Shivering) F-f-f-

She was freezing up.

Then they turned into SNOWFLAKES!

Class: FREEZING!

Me: You guys turned into Snowflakes!

Ms. Frizzle: Oh I love this part.

Pipp Petals: Oh my Glitter! This new look for you guys is amazing!

She took pictures and selfies with them as snowflakes.

Ms. Frizzle: We're unique, we're beautiful.

Carlos: We're also falling.

Ms. Frizzle: Good observation Carlos. When ice crystals grow in a cloud and stick together they get heavy.

Me: But only when the temperature is around the freezing point which is 32˚ Fahrenheit. Also no two snowflakes look alike.

Nico: Yep. This is awesome though.

They started getting warmer and the ice was melting.

Dorothy Ann: But now we're getting warmer.

Me: You're turning into Rain guys!

We flew down!

Ralphie: Weatherman made rain!

Me: You sure did!

Keesha: You are NOT Weatherman!

Carlos: Oh Keesha stop being such a Drip!

WE LAUGHED!

Izzy Moonbow: (LAUGHS) I like that! That was good!

Me: (LAUGHS) Good one.

The bus flew and caught everyone in a funnel and we were back on the bus.

Me: That was cool!

Tim: That was fantastic!

Dorothy: What a ride!

Me: Boy you guys got to know what it felt to be wind, rain and snow and clouds.

Nico: That was cool!

Rainbow Dash: That was awesome!

Carlos: Come on Weatherman! Lets do that again!

Me: You guys are really having a lot of fun as much as we are!

Lola: YEAH!

Phoebe: Guys look there's something under my seat.

We looked and I picked it up.

Me: Hey a Vanilluxe is here.

Nico: What's that doing here?

Me: Oh the poor thing is scared.

Neapolitan: I think I know who it is.

She used Telepathy and gasped!

Neapolitan: It's my sister Roxanne Road!

Me: Really? She must be one of those Pokemon that are scared. Lets revert her back.

I snapped my fingers and she was a girl with brown hair and yellow highlights and had pink eyes and had pink angel wings and had Vanilluxe in the middle of her forehead and had Neapolitan's Crest on her arm with an ice cream sundae on it and I wrapped her in a blanket and sat her down.

Me: There.

She woke up.

Roxanne Road: (Groans) What happened?

Neapolitan: Sis? Are you okay?

Roxanne Road: (GASP) Neo? (GASP) And you can talk!? Oh Neo!

They hugged.

Neapolitan: I missed you sis.

Roxanne Road: Me too. Where am I?

Me: You're on Ms. Frizzle's bus and we're having a field trip in learning all about the weather.

Nico: Yeah.

Me: Also you were turned into a Vanilluxe by Dark Gale.

Roxanne Road: (GASP) I remember.

* * *

She was in a pink suit and injected and in a swirl of ice she turned into VANILLUXE!

She flew out.

FLASHBACK ENDS

Roxanne Road: It was awful.

Me: I know. But Dark Gale is gone and destroyed.

Nico: Yep. Your role in Sonya's Team?

Roxanne Road: I am the ice cream master and use ice cream and toppings to freeze our enemies. Also I make good ice cream desserts outside the team.

Nico: (Drooling) ICE CREAM!

Me: YEAH!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new brown and pink clothes and a pink scythe.

Roxanne Road: Wow I look great!

Me: You sure do. We're in the middle of a field trip now. But don't worry, we'll get on with the rescue soon.

Ralphie: Now for the main event.

I went to the driver seat.

Ralphie pulled the sun lever and turned the water faucet.

Ralphie: More heat, more wind, more water! Add heat and air!

Wind blew fast and clouds formed fast!

Ralphie: Make a GIANT UPDRAFT! Add Water! (LAUGHS MANIACALLY!)

Me: UH OH!

Dorothy Ann: Uh Ralphie?

Ralphie: Make a cloud, freeze the water! Fall! Melt! Rain!

Arnold: Uh Weatherman?

Ralphie: Shh, not now Arnold.

Me: RALPHIE!

Ralphie: What?

Me: LOOK!

We saw that we were IN A HUGE CUMULONIMBUS CLOUD!

THUNDERCLAP!

LIGHTNING STRUCK ALL OVER!

Ralphie: OH NO!

Me: HOLD ON TIGHT EVERYONE!

WE WERE IN A THUNDERSTORM!

Class: WHOOOOAAAA! HELP! WEATHERMAN!

THUNDERCLAP!

Me: HANG ON TIGHT EVERYONE! We're going for a bumpy ride!

Roxanne Road: WOW! This is awesome!

Nico: YEAH!

Ms. Frizzle: Oh isn't this thrilling class? We are inside a thunderstorm!

Arnold was getting sick to his stomach.

Arnold: Yep I was right. I should have stayed home today.

Natalie Frizzle: You'll be safe with us Arnold.

Ms. Frizzle: Yeah the bus is equipped with the best lightning shield available.

Me: Cool.

THUNDERCLAP!

Class: WHOA!

Me: Thunderstorms are made when the atmosphere is unstable and warm moist air sweeps up in a huge updraft. Moisture in the updraft cools and forms into clouds and into huge clouds like this. And it forms rain and lightning and thunder!

LIGHTNING STRIKE AND THUNDERCLAP!

Me: YEEHAW!

Nico: YEAH!

Ralphie: I CAN'T TAKE THIS ANYMORE! I GOT TO MAKE IT STOP!

Ralphie tried to make it stop but to no avail.

Ms. Frizzle: I'm sorry Weatherman but a thunderhead like this won't stop until it's all rained out.

Me: It'll take a few minutes to hours for that.

Ralphie: I CAN'T WAIT UNTIL THEN!

Carlos: Relax Weatherman. It's just like being on a rollercoaster.

WE WERE FLYING AROUND LIKE ON A ROLLER COASTER!

Lynn: OH BOY! I don't feel so good! (VOMITS IN A BAG)

Ralphie: BUT I HATE ROLLER COASTERS MORE THAN ANYTHING IN THE WHOLE WIDE WORLD!

Misty Brightdawn: You hated Roller Coasters too?

Ralphie: Yeah nasty story.

Ralphie was getting sick to his stomach too.

Ralphie: Listen you guys I know this may come as a big shock to you but I am NOT Weatherman. The costume wasn't even my idea. It was Liz's.

Me: Come on Ralphie you did great as Weatherman.

Applejack: Yeah you taught us about how much the weather was made.

Ralphie: I didn't do anything. I Didn't know anything about the weather. I let it all go to my head. I just want to go home.

Applejack: Come on Ralphie that's just stinkin thinkin! You did enough to show everyone how fun this was!

Me: Yeah Ralphie you made this a fun one! Now come on Weatherman! Lets go home!

We flew down and landed in front of the school.

Me: That was close!

Wanda: ALL RIGHT!

Tim: Wet and tired they made it home!

Keesha: Thanks to Weatherman! SHICKA SHICKA KABOOM!

LOUD THUNDERCLAP!

We went back inside.

Me: WHEW!

Tim showed us his comic.

Tim: Not bad huh?

Ralphie: It's great Tim! You and Lincoln did great!

Nico: Yeah!

Roxanne Road: Ice cream anyone?

She gave us sundaes.

Me: Oh boy!

Nico: Thanks Roxanne!

We had sundaes.

Me: Yummy.

Wanda: It's amazing how Water, heat and air can make such a huge storm!

Phoebe: And their same ingredients can also make a beautiful sunny day.

Me: Yeah they sure can. Rain is good for the plants and good for the air.

Nico: Bubble Crab, I want to thank you, Count Bob, and your teams for coming

Bubble Crab: No problem Nico. Boy this was the most fun we've had in a long time.

Dorothy Ann: It sure was! It was amazing being one with the wind.

Nico: It sure was!

Misty Brightdawn: Everyone had fun on that!

Lola: Yeah!

Marie Houreau: Boy everyone sure had a lot of fun.

Bubbles Fartsy Hooves: (LOUD NASTY FART) Oops sorry.

Nico: No worries.

Nico: Marie, what do you like to do in your free time?

Marie Houreau: I like to swim in the water of the Seychelles and surf with my Ranamon.

Marie's Ranamon: It's fun y'all.

Qin: It sure is.

Me: Thank goodness the International Digimon Skirmish isn't going on.

Qin: Yeah.

Lola: No kidding.

Nico: That's a good job to have.

Marie Houreau: It sure is.

Qin: Yep.

Me: Yeah.

Qin: Yeah.

Phoebe: I'm so happy we got to have fun on this.

Me: We sure did.

Roxanne Road: I agree too.

Poromon: I agree there.

Horsea: At least I didn't get attacked during the field trip.

Nico: That is true.

Me: Yep.

Lily: Man we had fun yesterday too.

Nico: Yep. We sent Yusuke and Keiko's so-called teacher to jail.

Eli: And it was funny calling him a beaver!

Nico: Well, he looks like one!

Daggett: Hey if anyone is a beaver here it's me and my Spoothead Brother!

Norbert: Oh you have a way with words my dear Baby Broothere!

Nico: Yeah he looked more like a braindead nerd.

Me: Yeah.

Qin: That was funny though.

Keiko: My akuma was awesome too.

Lincoln: And it made me crash into a cart full of coconuts.

Poromon: I think he's a beaver pretending to be a human.

Me: Yeah!

WE LAUGHED!

Starlight Glimmer: That was funny!

Me: Yep.

Keiko: I know.

Lola: Yep.

Nico: I hope there's lots of wood for him in jail.

Me: Me too. Also I bet you $500.00 he wouldn't last 3 days in jail.

Nico: You're on.

Horsea: Can you turn back into a Vanilluxe so I can lick you?

Roxanne Road: (LAUGHS) How about this instead?

She gave her a blue raspberry sundae.

Horsea: Oh boy!

She ate it.

Poromon: I'll lick you instead!

WE LAUGHED!

Nico: Poromon, guys that's enough.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in the northern part of Gotham Royal York, but here's the bad news: it appears our old enemy, the kid-hating greedy adult, Chester, is back from the dead and he still wants revenge on us.

WE GASPED!

Me: Chester's back again?!

The rest of the team's with us.

Nico: That monster's back again! He just doesn't know when to quit.

Caleb Maxwell: What did he do?

We explained what Chester's history and what he did, and when we were done, everyone else was pissed, but Caleb, we saw his crimson red eyes turn brighter and he was now out for blood.

Caleb Maxwell: HE DID WHAT?! If he thinks he can come back and get revenge on you guys again, he's got another thing coming! I'm going to kill him! But, first, I'm gonna give him real Hell, he's gonna see what happens when I get that pissed!

Cage Blunt: Oh boy. (Smirks) This is gonna get real ugly.

Lincoln: It's going to get ugly, Cage. This time, we're going to get rid of Chester once and for all, and this time, send him straight to The Black Abyss forever.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Nico: I've always hated Chester.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his fifty massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Chester) AHA! Gotcha! I just spotted Chester, he's 20 yards away, but he's heading right for us.

Nico: Again?! Let's get him, and Caleb, you be ready to give him true Hell on Earth.

WE GASPED, AND CALEB HAD A MALEVOLENT NASTY GRIN ON HIS FACE: NOW, HE WAS OUT FOR BLOOD!

Caleb Maxwell: Now, you're talking.

Jayden heard a Pokémon cry.

Jayden: Hey look.

We saw a Typhlosion.

Me: Cool a Typhlosion.

Jayden: Oh the poor thing is hungry.

Typhlosion: I sure am.

He gave it apples.

Typhlosion: Thank you.

It ate them.

Typhlosion: Thank you.

Jayden: You're welcome. Wanna come with?

Typhlosion: Sure.

Jayden: Great!

Me: Now we can go after Chester.

Ms. Frizzle: Be careful guys and Lincoln I know you will fulfill the prophecy on your big day.

Lincoln: Part of it but thank you guys.

Me: Lets get him!

We then took off into the air to take down and destroy Chester and send him as well as the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We were flying in the air, and we saw our target: Chester, the kid-hating greedy adult, and he was on the rampage again!

Me: There's that greedy kid-hating moron. Caleb, get him!

Caleb Maxwell: With pleasure. TIME TO DIE, YOU GREEDY SON OF A BITCH!

CALEB MAXWELL FLEW RIGHT AT CHESTER, AND HE UNLEASHED PURE HELL ON HIM AS HE FIRED BLASTS OF BLACK AND CRIMSON RED, WHITE, GOLDEN YELLOW, AND BLUE ENERGY, STARS, AURA ENERGY, WHITE AND BLUE HEAVENLY FLAMES, HELLFIRE, DIVINE DARKNESS, BLOOD, SHADOWS, VAMPIRE BATS, DEMONS, PHOENIXES, AND ANGELS AT HIM!

Chester: NO! GUARDS! GET HIM!

Chester got out some robots to attack.

Caleb Maxwell: OUT OF MY WAY!

Caleb Maxwell fired blasts of Hellfire at the robots and they got scrapped badly! Then, Caleb Maxwell started shooting at more of them with silver bullets from his guns, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit.

OUR JAWS WENT WIDE OPEN AT THE SHEER VIOLENCE AND CHAOS CALEB'S LET LOOSE!

Me: HOLY ENCHILADAS! THIS IS GETTING UGLY!

Nico: Same here! What the fuck did I just unleash?!

Cage Blunt and Travis Tackett: (LAUGHING WILDLY) WHOO! GET HIM, CALEB! TEAR 'EM APART! MAKE HIM BLEED!

Allie Maxwell: Seriously, you two get way too wild and excited seeing my brother cause all that mayhem, violence, and chaos.

Leela Salyers: True, but what can you do?

Peace Salyers: And Caleb's part of the family of vampires, and the violence, mayhem, and chaos can be blamed on your ex-brother, Drake.

Jack Howard: And with Cage and Travis cheering him on, that could mean it's about to get uglier!

Suddenly, Caleb Maxwell let his grip on his guns loose as they dropped and were levitating, and then, he clenched his hands real tight as his gold-armored dragon claws drew blood which formed into a pool behind him, and we felt that familiar darkness coming from it.

Caleb Maxwell: Now, suffer for all eternity. (ECHOING VOICE) RAIN OF BLOOD!

A MASSIVE GEYSER OF BLOOD ERUPTED BEHIND CALEB MAXWELL, AND A MASSIVE RAINSTORM OF BLOOD CAME DOWN, AND IT DID A LOT OF DAMAGE HITTING CHESTER AND THE ROBOTS, BUT IT WAS ALSO MAKING US AND THE VAMPIRES ON OUR TEAM EVEN STRONGER THAN EVER, AND WE HEARD CALEB'S WILD DEMONIC LAUGHTER ECHOING IN THE AIR AND HE WAS ALSO FIRING MORE BULLETS FROM HIS GUNS LIKE CRAZY!

Me: Oh God, I've unleashed a monster!

Lincoln: Wow, I've never seen that kind of wild crazy violence before, but this is on a whole new level.

James Blunt: Caleb really knows how to put on a show, that's for sure.

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS CHESTER AND MORE OF HIS ROBOTS AS THEY WERE SENT INTO THE AIR AND THEY ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover quick and they were super pissed off and we landed.

Me: Long time no punch, Chester.

Nico: You got some nerve coming back from the dead once more, Chester! You just don't learn, do you?

Chester: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! I'LL KILL YOU, ALL OF YOU!

Me: Not if we kill you first!

Nico: YEAH!

Chester: And then, I'll make my new special. Kid burgers with cheese!

Me: I'll turn you into the big special! Maggot burger supreme with extra chum on the side!

All of us: EW!

Nico: SICK! And a side of french fries in diarrhea sauce!

WE WERE GROSSED OUT!

Nico: OH SICK!

Qin: YUCK!

Poromon: Let's just kill him!

Me: Good idea!

I punched him hard in his face and kicked him in his crotch!

Me: How about I turn you into grub for a creature more frightening than a shark? Like say a Crocodile!

Then a figure crashed into the ground and we saw that it was Roxas but with a white aura.

Me: Oh man! Is that Roxas?

Lincoln: No that's Sora's Akuma, Roxas the Light.

Sora: So you are my first Akuma?

Roxas the Light: That's right.

Me: Little too early for you to appear. Soras big day is not today it's Lincoln's.

Roxas the Light: I know. But we're battling some of Lincoln's Guardian angels to have them join you.

Me: That makes sense.

?: And he is battling me.

We saw the next Daughter of Organization XIII.

Lincoln: Hikari Sora Roxas!

Hikari Sora Roxas: Good to see you Linky.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Hikari Sora Roxas, Daughter of Roxas, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of light, and she's known as The Light Destiny Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of light, and in a split second, he mastered the powers of light, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Chase Young with a passion.

Me: Whoa! Awesome to meet you.

Hikari Sora Roxas: Same here. Luan care to help me with this?

Luan: I would be honored! Lets Light him up! (LAUGHS)

They went at him and blasted him all over with light.

Typhlosion charged at him and bashed him and then blasted his butt with fire and burned him!

CHESTER SCREAMED IN HORROR AND FRIGHT! HE EVEN CRAPPED HIS PANTS!

WE LAUGHED!

Nico: It never gets old!

Me: Yeah!

Suddenly, the blood rain conjured by Caleb Maxwell suddenly grew even stronger, and we also grew even stronger, but Chester suddenly felt like he was being ripped apart from the inside as he convulsed in pain.

Timothy Maddock: I knew he'd do this.

Me: Figures.

Nico: Chester never learns, and now, it's about to cost him his life once more.

Lincoln: And it's about to get a lot worse for you.

Lincoln got out a massive jar of hot sauce, and he opened it up and red steam came out. Then...!

LINCOLN DRANK THE WHOLE JAR OF HOT SAUCE!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost and we saw neon red blood coming out of his pepper tattoo.

Lincoln: Okay, time to heat things up.

Lincoln swung his massive greatsword and fired massive blasts of neon rainbow, white, golden yellow, and blue superhot fire at Chester, and he really got burned badly!

Chester: AGH! HOT! HOT!

THEN...!

MASSIVE AND LOUD BELCH!

LINCOLN BELCHED OUT LOUD AND FIRED A MASSIVE STREAM OF NEON RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE SUPERHOT FIRE WHICH HIT CHESTER AND HE GOT BADLY BURNED!

WE LAUGHED HYSTERICALLY!

Nico: Serves you right, you child-hating moron.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of massive white angel wings underneath his massive white angel wings and they hit Chester and his robots and they got pulverized.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, my sisters, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked Chester hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Chester even angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Chester, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and forty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Chester.

We're going to make sure you never rise again to cause us any trouble.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow

energy infused left fists into the stomach of Chester, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND SUFFER FOR ALL ETERNITY IN HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Chester hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Chester was on his last legs and he was really really mangled.

Chester: AGH! Curses! Dark Sebastian's going to be angry with me at this rate!

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I knew it. So, the person who brought you back was Dark Sebastian. Well, then, this'll piss him off even more.

Lincoln formed orbs of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions around him, and he fired them at Chester, which exploded with incredible power! He was down but not out!

Me: Okay time for some fun!

I ran fast and tied Chester up like a turkey and stuffed an apple in his mouth and put pork, meats and sauces on him along with gravy, herbs and spices and a cherry on top and lit him on fire and he was cooked well

Me: MWAH! Deepfried Chester Fricassee A La Flambe.

Nico: NICE!

I pulled out a dinner triangle and rang it!

Me: TICK TOCK! COME AND GET IT!

Nico: Where is?

Me: Shh...

We heard a familiar ticking.

TICK TOCK TICK TOCK TICK TOCK TICK TOCK TICK TOCK.

Out of the lake in the park came Tick Tock and he came and saw Chester.

Me: You hungry boy? All yours!

He drooled and put on a napkin and picked him up and ate him!

CHOMP!

He chewed him up good and swallowed and he was stuffed!

LOUD BELCH!

His evil spirit was belched out and was sent to The Black Abyss forever.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Felicia Knudson, Michelle Knudson, Colleen Knudson, Aurora Knudson, Valencia Knudson, Natalie Knudson, Hayley Knudson, Alicia Knudson, Carrie Knudson, Rachel Knudson, Beth Knudson, Carly Knudson, Natalia Knudson, Gianna Knudson, Celine Knudson, Clara Knudson, Megan Knudson, Valerie Knudson, Arlene Knudson, Caitlin Knudson, Evelyn Knudson, Morgana Knudson, Lunaria Knudson, Selena Knudson, Avery Knudson, Helena Knudson, Sophia Knudson, Emily Knudson, Grace Knudson, Maria Knudson, and Marlene Knudson are permanent.

Sakura Knudson: WHOO! Alright, awesome job! That's right, asshole, you just fucked with the wrong God Siblings!

Allie Maxwell: If I didn't know better, I think you have a rotten mouth just like your brother.

We looked at Allie Maxwell.

Cage Blunt: Well, you also have a rotten mouth as bad as your brother, and he swears up and down The Bronx whenever he throws a hissy fit and gets pissed off.

Caleb Maxwell got out a bomb and lit the fuse and he threw it at Cage Blunt, only for Cronus Chase to intercept and throw it at the jerks at Lynn's Table!

KABOOM!

IT EXPLODED AND MORE GOLD, JEWELS, GEMS, AND OTHER CURRENCIES EXPLODED OUT OF THEM!

Cronus Chase: And I have to agree with Cage, you still have a nasty temper even though you're now free of the darkness that haunted you.

Caleb Maxwell: Tell it to the Foot Soldier Anothers whom we found out are the majority of my old enemies from the past brought back from the dead to seek revenge.

Lincoln: In any case, at least, we got rid of Chester for good.

Me: And we found out from his loud mouth that it was Dark Sebastian who brought him back from the dead.

Nico: And not Anti-Monitor. He knows today's your big day, Lincoln, and with what you told us from your dream this morning, he's crossed the line of no return when he freed Morag from The Warp and brought her and Belial to Scotland to attack.

Angus: (Scottish Accent) Aye. But, ever since you destroyed The Dragon Stone and The Dark Side Potion, Morag will be at a disadvantage.

Lincoln: That's for sure, and the castle's been protected a powerful holy magic barrier, and it's so powerful, not even the black magic of Dark Sebastian and his cronies can destroy it, because the barrier reacts to those with evil in their hearts and attacks them mercilessly. Soon, Morag and Belial will both meet their end today.

Me: It is your day to shine after all buddy.

Nico: Nice job, Tick Tock!

Me: Good boy! (Pats him) You liked that didn't you.

He nodded.

Me: He sure did.

Ymir: He sure is one hungry crocodile.

Me: Always is hungry.

Typhlosion: I'll say!

Nico: And nice job to you, Typhlosion!

Typhlosion: Thanks Nico. That was awesome and fun!

Me: It sure was!

Poromon: Want some beer?

Typhlosion: Oh no thanks. I can't drink beer because it makes my flames go out of control.

Me: I'm not surprised. Alcohol is flammable stuff.

Nico: Yeah.

Poromon: Good point.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Typhlosion: Besides the Puppy eyes don't work on me pipsqueak.

Poliwag: WHO ARE YOU CALLING A PIPSQUEAK!?

Poromon: Later, we're going to show you something. And no, Homer. It isn't beer robots!

Homer: Aww.

Me: Don't worry Homer, we'll let you know when Beer Robots come.

Bubble Crab: Yeah patience will reward you.

Nico: Oh, Bubble Crab, what do you like to do in your free time?

Bubble Crab: I work in a soda factory. I make soda fizzy and more bubbly. Here.

He gave me a soda and I opened it and drank it.

Me: (Gulping) Ahh. (LONG LOUD BELCH IN NICO'S FACE) WHOA! Oops excuse me. Sorry Nico.

Nico: No problem.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Lincoln.

Lincoln: Another Me? Wow.

Eli: And another one of the Anothers is The Keyblade Knight of Papillonus.

Papillon: My home planet? Wow.

Lincoln: If it's who I think it is, you guys are in for a surprise. And are there any Foot Soldier Anothers coming?

Eli: No. There's no Foot Soldier Anothers coming.

Me: Good.

Nico: We need at least another break from those troublemakers.

Caleb Maxwell: Tell me about it.

Me: Yep. So we got Another Count Bob, Skarpex, Creep Hands, Sea Urchin Monster, Becka Douglas (X-Squad Universe) and Jonny Villax.

Nico: Yep.

Me: And Bubble Crab, Marie Houreau, Brenda Bubbleman, Rei Alvin, Bubbles Logan and Bubbles Fartsy Hooves are up.

Nico: Cool!

Me: Yeah!

Nico: There they are!

We saw Another Skarpex, Creep Hands, Sea Urchin Monster, Becka Douglas (X-Squad Universe) and Jonny Villax!

Me: This is gonna be awesome!

Another Skarpex: (In a girls voice) It sure will!

They merged and reverted back and were the gene-slammers of Destiny HERO Diamond Dude, Dreadmaster and Plasma as well as Trident Dragion!

Nico: (GASP) Delia Diamond, Andrea Dreadmaster, Penelope Plasma and Lori Hellfire!

Me: WHOA! The gene-slammers of Destiny HERO Diamond Dude, Dreadmaster and Plasma as well as Trident Dragion!

Lori Hellfire: That's right.

Rarity: My goodness! I love those wings on you Delia darling and that jewel is beautiful!

Delia Diamond: Oh thank you. It's part of how I got my wings. This is a spirit jewel that merged with me and I got my wings from it.

Nico: Yep.

Me: Wow! That is amazing! By the way girls are the Another Count Bob and Lincoln friendly or hostile?

Andrea Dreadmaster: Friendly and awesome.

Me: Neat!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait!

Me: Yep.

Horsea cuddled with Poliwag.

Me: Aww.

Then out came Another Count Bob and Lincoln!

Me: WHOA!

Lola: This is gonna be cool!

Another Count Bob: (In a girls voice) I think so too.

Lincoln: I knew it was you Penelope Papillon!

She reverted back and was the Keyblade Knight of Papillonus!

Penelope Papillon: Good to see you Linky. And wow you grew too.

Lincoln: I know.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Penelope Papillon, Keyblade Knight of Papillonus, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Papillon's home planet, Papillonus, and she's a master of butterflies, elements, and more. She's a deadly force of good and a great gardener, and she also hates anyone that abuses nature. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her moves, powers, and more, and he gained all the powers of butterflies, the elements, and more, and she also helped him bulk up in muscle, and she also taught him how to garden, and she hates Mr. Burns with a vengeance and she found out that he was dumping toxic waste into a forest and vowed to kill him.

Me: WHOA! That is amazing! So you hate Burns as much as the world does.

Penelope Papillon: Yep and also I have Count Bob's powers.

Count Bob: Awesome!

Me: And who is Lincoln's doppelganger?

Another Lincoln: (In a girls voice) Someone who helps Lincoln's Guardian Angels out.

She reverted back and was the gene-slammer of B.E.S. Crystal Core!

Anna Anyanova: (GASP) Sillica Geode!

Sillica Geode: Awesome to see you Anna.

Me: Are you one of Lincoln's Guardian Angels?

Sillica Geode: No I am one of their allies and helpers. I am their reconnaissance and intelligence gathering agent. I gather intel on their enemies and Lincoln's enemies.

Anna Anyanova: Sillica has gathered all the intel we got on all of Lincoln's Enemies and she provided us with all the revelations we told you.

Me: WHOA! You sure know how to dig up some good dirt.

Sillica Geode: I know. And look here.

She had 20 file cabinets appear!

Me: WHOA!

Sillica Geode: This is all the evidence I gathered on Burns.

We looked it over.

Nico: Holy fuck...

Me: Whoa! Look at all this. March 19th, 2013: Mr. Burns burns down numerous libraries in Portugal and replaces them with statues of himself!? That's madness!

Eli: Look at this one. May 26th, 1999. Mr. Burns blows up junkyards and pollutes lake in Australia!?

Nico: Madness!

Me: Geez!

Sillica Geode: Yep this is all the info on all the stuff he did from 10 years old till 2018.

Me: SWEET CHEESE ON A STICK! He is more worse than what we were lead to believe.

Sillica Geode: There's much more where this came from. I have evidence on Joe Quimby, Mr. Crocker, Billy McLean, Jude Heartfilia and many more.

Me: WHOA! We'll gladly reveal all this info to the public when we look it over.

We put the files back and she had the files sent back.

Kaito: (gets out GoGoV gear) Did Swartz promise you anything?

Zocks: (gets out Timeranger gear) Because we can grant it instead.

They got weapons from said ranger teams.

Penelope Papillon: No he didn't. I used my powers and knocked him and his cohorts out with sleep spores and we ran

Sakura Knudson: That explains why he was asleep for the whole week back then. He and his timejackers were out cold.

Me: Wow!

Sougo: (gets out Lightspeed Rescue Ridewatch) I hope we find out more revelations about Burns

Geiz: (gets out Time Force Ridewatch) It'll really make sure he's our most greatest enemy ever.

Sougo got LightspeedRescueRedArmor while Geiz got TimeForceRedArmor.

Me: There are many more out there that have been major thorns in our sides for years. So we'll need all the revelations we can get on this one.

Sillica Geode: I'll look into it.

Me: We greatly appreciate it.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on.

Nico: (gets out Count Bob's Ridewatch) Let's do this!

May: (Gets out Creep Hands Ridewatch) My hands are yours!

Maria: (Gets out Becka Douglas (X-Squad Universe) Ridewatch) Time to blast!

Marie Houreau: (Gets out Skarpex's ridewatch) I will slash you!

They used the powers of Count Bob, Skarpex, Creep Hands, Sea Urchin Monster, Becka Douglas (X-Squad Universe) and Jonny Villax and blasted the Anothers.

Then Fogshell, Fangmon, Karl Heisenberg (X-Squad Universe), Number 3: Cicada King, Wolf (Yugioh) and Lone Wolf (Yugioh) came.

Me: WHOA!

Nico: Nice team Fogshell!

Fogshell: Thanks Nico.

Merrick: My team next.

Nico: Got that right!

Me: Yeah!

Then a massive tornado appeared along with the numbers 99 and 100 in swirls of stars and birds!

Nico: WHOA!

Then out came Evil HERO Wild Cyclone and Numbers 99: Utopic Dragon and 100: Numeron Dragon!

Me: WHOA! Evil HERO Wild Cyclone, and Number 99: Utopic Dragon and Number 100: Numeron Dragon!

Nico: Cool!

Evil HERO Wild Cyclone: (In a girls voice) Looks like the fun has started.

Number 99: Utopic Dragon: (In a girls voice) It sure has.

Number 100: Numeron Dragon: (In a girls voice) Yeah!

Nico: (GASP) Cynthia Cyclonia, Nahlia Numeron and Yulia Utopia!

They reverted back!

Cynthia was a girl with black hair, red eyes and black clothes and wings and had Evil HERO Wild Cyclone on her forehead, skirt, shirt and arm and had a storm scythe.

Nahlia was a girl with blond hair, yellow eyes and dark green clothes and had star angel wings and had Number 100: Numeron dragon on her forehead, skirt and shirt and arm and a star sword.

And Yulia was a girl with pink and yellow hair and had pink eyes and pink and green clothes, green angel wings and had Number 99: Utopic Dragon on her forehead, shirt, skirt and arm and a nature sword.

Nahlia Numeron: Good to see you Nico.

Cynthia Cyclonia: We got this. FERAL CYCLONIC STORM!

Nahlia Numeron: 100 NUMBER STARBEAM!

Yulia Utopia: 99 PARADISE BLAST!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them!

Me: OH YEAH!

Nico: Nice job girls!

Cynthia Cyclonia: Thanks Nico.

Nahlia Numeron: Yeah that was fun!

Me: Do you have favorite memories of Nico?

Cynthia Cyclonia: We sure do. Mine is when me and Nico went into the jungle and captured a massive illegal pepper plantation. They were planning to use peppers for weapons of mass destruction.

Me: WHOA! Peppers are already deadly enough as they are.

Nahlia Numeron: I know. Mine is where me and Nico solved the elusive equation of the missing Theta Constant of the 9th Dimensional string equation.

Me: WHOA! That is complex.

Lisa Loud: That is very impressive.

Nahlia Numeron: It sure is.

Yulia Utopia: And mine is where we made an awesome island paradise planet for orphan kids to live happily forever as kids.

Peter Pan: Wow! That's like Neverland times a thousand.

Me: WOW! That is cool!

Nico: Yep.

He hugged them.

Nico: I've missed you girls.

Nahlia Numeron: We missed you too.

We went back home.

Lincoln: Ah, we're here in Egypt, and I know what we're going to do here, not only am I going to rescue the ninety-three girls here, but we're going to destroy Akhenaten, the main antagonist of the comic miniseries Marvel: The End, and after I absorb him, I'm going to send the powerhungry pharaoh god wannabe to The Black Abyss.

Me: I've read the comic miniseries Marvel: The End, and Akhenaten was one powerhungry pharaoh god wannabe.

Nico: Plus, the powers he has are no joke.

Lincoln: Yep. The Heart of the Universe, a powerful stone that has virtually omnipotent power gave Akhenaten vast cosmic power, manipulate energy, matter and reality, travel through time, pierce dimensional barriers, make large groups of heroes disappear with a nod, kill a whole gathering of skyfathers with a energy blast, near omniscience, and superhuman senses.

Lincoln 2: (Through Lincoln's crest) Plus, The Heart of The Universe is in Akhenaten himself, if you absorb him and assimilate his powers, you also absorb The Heart of The Universe, and it's just as powerful as The Infinity Stones.

Bubble Whale: What are we waiting for? Let's find Akhenaten and tear him to shreds.

Lincoln: You got it.

We flew in the air, and we saw our target: Akhenaten, the main antagonist of the comic miniseries Marvel: The End.

Lincoln fired waves of rainbow, white, golden yellow, and blue energy blasts that hit Akhenaten, and that really pissed him off.

Lincoln: Your time here has long since passed, Akhenaten, and now, you must pay for the crimes you have committed.

Akhenaten (Marvel): You! You dare talk to me like that?!

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Gavinda Teach, and then, we joined in.

But, before we could attack her again, Akhenaten hit by blasts of fire, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and red hair band, blue eyes, massive fire-colored angel wings, she has Witchcrafter Schmietta on her forehead and right arm, white short-sleeved blouse, red sleeveless strapless dress top, white gloves, red skirt with Witchcrafter Schmietta on it, red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, fire, swords, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Schmietta, she has a fire greatsword in her right hand, and with her are the ninety-three girls.

Lincoln: (GASPS) Laura Daniels, Avatar and Gene-Slammer of

Witchcrafter Schmietta.

Laura Daniels: That's right, and I got the girls away from that powerhungry pharaoh, now it's time to end him.

Lincoln: Okay. Now, let's finish Akhenaten off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS AKHENATEN AS HE WAS SENT UP INTO THE AIR AND HE ALSO GOT BURNED BAD!

Me: WHOA! DAMN!

Nico: That's still as brutal as ever.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Akhenaten, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON AKHENATEN! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT AKHENATEN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen to you when we kill you.

Then, Andre Lupeau went after Akhenaten and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Akhenaten which hit him hard.

Lincoln continued smashing Akhenaten hard with his extremely massive godly superhuman strength, and he was outmatched due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash Akhenaten all over the place!

Qin: Akhenaten may be a powerful being, but due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Akhenaten and he got beaten up real good and he was mangled!
